Activity since last report.

In December 2021 Swaffham Town Council asked the Charity to prepare plans and a business plan for the outdoor pool at the former Sacred Heart Convent, now owned by Swaffham Town Council.

The forthcoming year will be very busy, the objectives of the Charity appear to be coming to fruition.

Due to work/life commitments 2 Trustees have stood down. They were thanked for their hours of hard work and support. We are seeking further Trustees to assist us in what we hope will be an exciting year in this charity's history.
