### **Trustees' Report**

The trustees present the annual report together with the financial statements of the charity for the year ended 31 March 2024.

#### **Objectives and activities**

##### ***Objects and aims***

1. The advancement of education of children from disadvantaged background.
2. The advancement of vocational education of abused women.
3. The advancement of religions and religious harmony.
4. The advancement of meditation techniques.
5. The advancement of responsible citizenship & community development.
6. Encourage community volunteering.

The Charity aims to promote religious harmony through seminars which promote tolerance and community cohesion. Stress and mental health management through spiritual discourses. Primary aims is to bring communities together and address common challenges faced in everyday life.

##### ***Objectives, strategies and activities***

Trustees have been involved in promoting values of responsible citizenship through UK Parliament Week activities.

'SEWA' selfless service remains the cornerstone of Param Shakti Peeth of UK' (PSP of UK) s activities. Volunteering at community events, food banks and local parks projects. Lonely elderly citizens are disadvantaged; PSP of UK volunteers talk to isolated seniors to improve wellbeing.

In India, over 2500 marginalised vulnerable children have benefitted from the formal education, 3500 community women and young girls have been provided vocational training. At our centres, 110 mentally and physically challenged children are lovingly provided education specially catered for their needs. At our Eye Camps over 10,000 community members of all faiths are provided the gift of sight.

##### ***Fundraising disclosures***

###### **Volunteers**

For any charity volunteers are the life and blood. We wish thank all volunteers who work tirelessly to uplift lives of the needy.

### Trustees' Report (continued)

#### *Public benefit*

Working with Jain Hindu Organ Donation, PSP of UK promoted the value of organ donation and during a Hindu festival. The need in the community and family to have conversations about organ donation was emphasised.

PSP of UK continues to support activities of Metropolitan Police Hindu Association.

Promoting the values of Organ Donation remains a strong area of public benefit for PSP of UK. During the year, working with National Health Service Blood and Transplant (NHSBT) and Jain Hindu Organ Donation (JHOD) we held two events at community venues to bring awareness about the 'opt-out' system for organ donation and the need in the community and family to have conversations about organ donation. Local Member of Parliament attended our event and supported PSP of UK's Organ Donation drive.

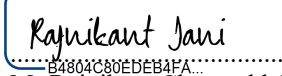

PSP of UK registered for the UK Parliament Week an initiative of UK Parliament Education and Engagement. This encourages participation and engagement in democracy at all levels.

Working with Metropolitan Police Hindu Association we can learn about the Counter Terrorism Policing and how the public can contribute to averting potential terrorist attack by reporting suspicious activity.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011, and Financial Reporting Standard 102 Section 1A, to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

The annual report was approved by the trustees of the charity on 3 January 2025 and signed on its behalf by:

### Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

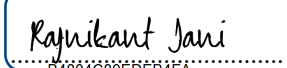

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Independent Examiner's Report to the trustees of Param Shakti Peeth of UK

I report to the trustees on my examination of the accounts of Param Shakti Peeth of UK for the year ended 31 March 2024.

#### Responsibilities and basis of report

As the charity trustees of Param Shakti Peeth of UK you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Param Shakti Peeth of UK's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Param Shakti Peeth of UK as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### **Notes to the Financial Statements for the Year Ended 31 March 2024**

#### **1 Accounting policies**

##### **Statement of compliance**

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

##### **Basis of preparation**

Param Shakti Peeth of UK meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

##### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

##### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

##### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

##### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

##### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

## Param Shakti Peeth of UK

### Notes to the Financial Statements for the Year Ended 31 March 2024 (continued)

#### **Borrowings**

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

#### **Financial instruments**

##### *Classification*

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

##### *Recognition and measurement*

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

## Param Shakti Peeth of UK

### Notes to the Financial Statements for the Year Ended 31 March 2024 (continued)

#### *Investments*

Investments in non-convertible preference shares and non-puttable ordinary or preference shares (where shares are publicly traded or their fair value is reliably measurable) are measured at fair value through profit or loss. Where fair value cannot be measured reliably, investments are measured at cost less impairment.

Investments in subsidiaries and associates are measured at cost less impairment. For investments in subsidiaries acquired for consideration including the issue of shares qualifying for merger relief, cost is measured by reference to the nominal value of the shares issued plus fair value of other consideration. Any premium is ignored.

#### *Derivative financial instruments*

The charity uses derivative financial instruments to reduce exposure to foreign exchange risk and interest rate movements. The charity does not hold or issue derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each reporting date. The resulting gain or loss is recognised in statement of financial activities immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in statement of financial activities depends on the nature of the hedge relationship.

#### *Fair value measurement*

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.
