

Children Bringing Change Charity

We are working in Partnership with Iraqi universities and UK universities to provide knowledge and expertise to change outcomes for children in Iraq. We are focusing on education, social emotional wellbeing, disabilities and trauma.

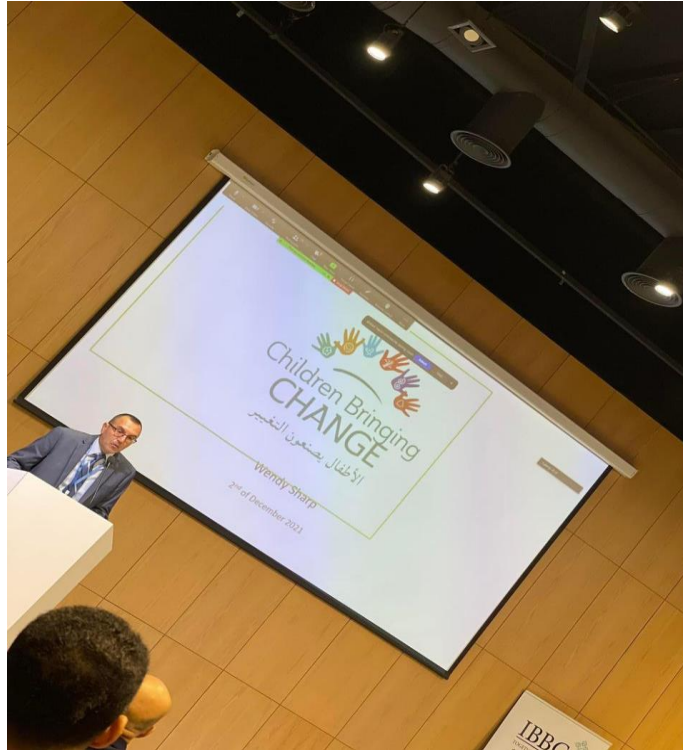

Conference with Network of Iraqi Alumni from UK Universities and IBBC council , in 2nd December 2021

It was a great opportunity for our charity to participate in this conference in Baghdad. The conference was attended by the IBBC , British council and some of Iraqi and UK universities . Our charity has agreed the conference goals:

- To promote academic collaboration of the Iraqi Alumni from UK Universities and build on the existing relationship established with the Universities they graduated from, and develop to programs of collaboration between higher education sectors in Iraq and UK.
- Contribute to the development of the government's agencies, systems and policies to improve governance especially with the Ministry of Higher Education.

Activities in COVID-19

During this critical time, our charity trustees decided to stop most of our activities until the pandemic will be stopped however, we have continued our regular meetings online.

Our finances

The financial statements show net coming resources for the year on the charity activities of (zero Pound), in 2021. We as a charity has participated in an activity with the Network of Iraqi alumni from UK universities and the IBBC (Iraqi Britain Business Council). Our trustees have used their own money for traveling and organizing this activity.
