

## Children Bringing Change Charity

We are working in Partnership with Iraqi universities and UK universities to provide knowledge and expertise to change outcomes for children in Iraq. We are focusing on education, social emotional wellbeing, disabilities and trauma. We are as a charity has participated in some meetings and activities to achieve our goal.

## Our finances

The financial statements show net coming resources for the year on the charity activities of (zero Pound). in 2024, we had some meetings in Baghdad and Wasit to discuss the charity trustees. Our trustees have used their own money for traveling and organizing these activities.
