Trustees' Report

The Favour House trustees present their annual report and financial statements for the year ended 5 April 2023. The Trustees have adopted the provisions of the *Accounting and Reporting by Charities: Statement of Recommended Practice (Charities SORP, FRS 102)* in preparing the annual report and financial statements of the charity. The trustees also confirm that the report and financial statements comply with the Charities Act 2011 and the charity's trust deed.

Structure, Governance and Management

Favour House is constituted as a charitable trust governed by its trust deed and was entered on the Register of Charities by the Charity Commission for England and Wales on 29 June 2018, with registered charity number 1178990.

The trustees are responsible for the administration of the charity and take advice from the Spiritual Oversight and senior leadership team made up of the Senior Pastors and Executive Pastors. Trustees meet for a minimum of two times a year, give of their time freely, and receive no remuneration for their role as trustees. The trustees have delegated appropriate day-to-day management of the activities of the charity to the Senior Pastors and designated volunteer members of the organisation.

The existing trustees are responsible for the recruitment and appointment of new trustees who are respected members of the Christian faith and community. New trustees are appointed by a resolution of the existing trustees and subject to the approval of the Spiritual Oversight in line with the Favour House Trust Deed (Section 9.1). New trustees are given copies of the charity's governing document and are instructed in their responsibilities by way of relevant Charity Commission publications and guidance such as *Charity trustee: what's involved (CC3a)*.

The trustees are responsible for ensuring that systems and procedures are established in order to manage and control risks to the charity. In particular, Public Liability Insurance cover is in place and appropriate Disclosure and Barring Service (DBS) checks are carried out on volunteers who work with children. Our safeguarding is undertaken under the guidance of CCPAS (The Churches' Child Protection Advisory Service).

Objectives and Activities

The principal objectives and activities of the charity are set out in its governing document. The charity seeks to achieve the following objectives in accordance with the Statement of Faith, Doctrines and Articles of Belief as set out in its governing document:

- the advancement of the Christian faith consistent with the doctrine and articles of belief.
- the advancement of education, training and leadership development.
- the relief of poverty, hardship and distress.

Activities of the charity are centred, though not exclusively, around Blean, Canterbury City and the environs. The central activity of the charity is Favour House Church, which is a non-denominational congregation of Christian believers based in Canterbury who meet weekly at The Canterbury Primary School, Canterbury.

Public Benefit Statement

In considering the activities of the charity, the trustees have had regard to the guidance issued by the Charity Commission on public benefit. The trustees constantly seek opportunities to achieve its objectives through various activities that maximises the charity's benefit to the public and community at large.

All our activities and services are specifically designed and delivered to advance the Christian faith for the public benefit because they are based on the inherent power of the teaching and adherence to the principles of the Christian faith in positively impacting society in a beneficial way. Our work in advancing the Christian faith for the public benefit is predicated on our passion to serve which comes from God's love for everyone, and the Lord's instruction to love your neighbour as yourself. Our mandate is to help people become like Christ in every aspect of life.

Our goal is to equip, empower, and mobilize people to make kingdom impact outside the walls of Favour House Church. This is because we believe that advancing the Christian faith helps to bring meaning to people's lives. Being part of a church community contributes to spiritual well-being and provides a sound moral or ethical framework to live by, and thus provide immense benefit to wider society by contributing to the individuals' wellbeing and sense of purpose.

Activities and services are designed and delivered through an enlightenment of the Word of God throughout the services to both adults and children at their appropriate age ranges. Opportunities are made available for anyone to discuss their concerns and questions after the service on Sundays and during the house groups on Fridays.

Summary of the Main Activities and Achievements

The charity operates variously as Favour House Church, Favour House Aid and Kings Summit. The weekly home Church meetings and Sunday morning worship services are held under the auspices of Favour House Church.

Home Church meetings take place in Folkestone (Tuesday evenings) and in Canterbury (Wednesday evenings), while the Sunday morning worship services usually take place at The Canterbury Primary School, City View, Franklyn Road, Canterbury CT2 8PT. - Worship service [online via YouTube and in person at The Canterbury Primary School from March 2022, every Sunday at 10:30am].
- Healing Wings meetings [online via YouTube and in person at St Andrews Church, Watling St, Canterbury CT1 2UA. A monthly praise and prayer outreach devoted to worshipping Jesus and experiencing God's tangible presence and healing touch.

The church has continued to thrive as a result of the above activities. The number of people accessing the church service have also continued to increase with the use of YouTube for live streaming of the Sunday morning worship services. Video recordings of the worship services are routinely made available to the public on the church's website and YouTube channel.

FAVOUR HOUSE AID

Favour House Aid in line with its vision to meet the needs of the poor and underprivileged has supported several individuals locally as well as donating to a charity operating in one of the poorest and remote communities in Nepal. Our home groups have continued their weekly outreach to share the gospel on the streets of Folkestone and as a church we remain committed to putting aside up to 10% of its revenue each quarter into a separate 'Aid and Missions account' and to seeking out specific projects where we could support the poor in our community.

THE KING'S SUMMIT

This year we continued to reach out to the business community in East Kent with the sixth annual Kings Summit Business Conference. We invited another 3 successful Christian Business Owners to share their journey to encourage and inspire fellow entrepreneurs to develop robust, sustainable, and scalable businesses in the region.

We believe the Lord is calling us to continue to bring the message of the need for us all to be good stewards of our businesses and in doing so, He will bless all those who attended. This year we held the event again in collaboration with St Andrews URC Church, where the church hall can be opened out to cater for the 65 attendees of the conference. Once again, we benefited from sponsorship predominantly from Azets Accountants and this enabled all the costs to be covered and the ticket sales, which amounted to just under £1000 to be donated to Nurture Nepal and Mission Aviation Fellowship.
