HIGHFIELDS CHURCH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees present their report with the financial statements of the charity for the period ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Charitable objects

The purposes of the church are:

- The advancement of the Christian faith in accordance with the Basis of Faith primarily but not exclusively within Cardiff and the surrounding neighbourhood; and
- Such other charitable purposes as shall, in the opinion of the charity trustees, put into practice the Christian faith in accordance with the Basis of Faith, including but not limited to; the prevention and relief of need, hardship and sickness; the advancement of education; and the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

The charity's objective and principal activity continues to be the promotion of Christianity. The object is met through the operation of a church and its associated activities such as Sunday Services, weekly clubs and activities for children of all ages as well as students, internationals and older members of the community.

Public benefit

The organisation's trustees can confirm that they have given due regard to public benefit guidance published by the Charity Commission. Significant activities that we undertook during the year that demonstrate public benefit are set out on the following pages.

Activities

We run a whole range of activities for all ages in Highfields Church. One of the most popular ways in which we serve the local community is through our pre-school groups, which run on Thursday mornings (Tiddlywinks Parent & Toddler Group). Many parents & carers from the local community (most of whom are non-Highfields families), come along with their pre-schoolers and enjoy taking part in these activities, and making friends. We have also been part of the council Flying Start initiative, which uses our premises. Other groups from the community have made more use of our premises in the recent months, and we are in discussions with others to rent Dalton Street on a weekly basis. Our Wednesday Kids club for primary age is full to capacity, and our Edge and Gen groups on Friday for Comprehensive age children is also very busy on a Friday night with over 80 teenagers attending the both groups.

We continue to have excellent relationships with a number of local primary and secondary schools where we are regularly invited in to take assemblies and input into religious education lessons as part of the National Curriculum and also host local school's Christmas concerts. Many local children come along to our weekly clubs, with 150 or more attending the special holiday clubs taking place in the school holidays.

Highfields runs a significant ministry for Internationals in Cardiff; we hold women's English Conversation Classes on Monday and Tuesday mornings and there is also a Women's Sewing Class held every Monday lunchtime.

Every two months an International Families event is held which includes International food and games for the children, and an ever-increasing ministry involving children with Additional Needs has started to be more significant in terms of numbers of attendees.

We also provide opportunities for Internationals to find out more about the Christian faith through a weekly bible study, held on an evening.

On Sundays we run an International Lunch that is specifically aimed at International Students, but all internationals are welcome.

Each year we take internationals on a Weekend Away, and this is being restarted in the future. We also have an influx of Hong Kong Chinese resettled in Cardiff and groups specifically for them have been initiated, and are continuing.

We continue to reach out to students attending the local universities, and our student ministry continues to be busy, with a significant number of students attending the church.

HIGHFIELDS CHURCH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023

Activities

The Dalton Street Centre is used by Highfields for other ministries, such as work with students and internationals, although it is now too small for some of these activities, so they have moved to the main site, and we have seen an increase in attendance at these ministry activities in 2023.

We also run a very popular weekly coffee morning on Thursdays, which is attended by people of all ages from the local community as well as members of the Highfields Church congregation.

Specific outreach activities, such as a Christianity Explored Course for those who wish to find out more about the Christian faith are run from Highfields Church, and we regularly hold events or services particularly aimed at non-Christians, where they can find out more.

In addition, we also work with other organisations to provide a variety of activities for the local community. This includes adult education art classes and dance classes, and use of the premises for elections.

Volunteers

The charity's different activities are run mainly by volunteers, many of whom are members of the church. Almost all the activities run at Highfields would not be possible without the input of volunteers on a weekly basis. This includes people running and helping with the clubs and activities for children of all ages, as well as the groups during the week for students, internationals, church members and being available for external hirers.

We also have volunteers who man the reception desk and help in the church office. There are well over 150 people who week by week help with these activities, giving up 2 or more hours of their time every week.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During 2023 we have continued to make it a priority to welcome new people and integrate them into the life of the church and have continued our focus on encouraging people to join of small groups that meet regularly together for study, prayer and fellowship at various locations across the city. We have over 20 small groups that meet together weekly for this purpose, as well as our 20s ministry, where up to 80 people in their 20s meet together weekly in order to study God's word and encourage one another in their faith.

Throughout the year we run weekly clubs for children aged 4-18, these are open to the community as well as church families, and we continue to see regular attendance of over 200 children and young people. In addition, our summer holiday club attracts close to 200 children.

During term time we regularly see about 120 students attending the church on a Sunday, with about 80-90 of these regularly attending Bible Study groups during the week. There are a small number of them who meet up with other members of the church in the week, to study the Bible and pray together. This is a real encouragement to the students, as they face the challenges of university life. The students are also great at getting involved in serving in wider church ministries, such as Children's & Youth Work.

The Internationals team continues to have links with over 30 Internationals, many of whom come along to one or more of the weekly activities.

The popularity of our English Conversation Classes for women on Mondays and Tuesdays continues to grow, with at least 50 students in 5 different level groups taking place on both days. A crèche is also provided to enable the mothers to study with 25 pre-school children registered. This is in addition to the classes that take place for any members of the community on Thursday evenings.

The other community activities that take place at Highfields continue to see sustained and even increased interest. Art classes continue running on Wednesday mornings, and Friday mornings and afternoons throughout the terms, with 15-20 attending each session.

As ever, the building is regularly used for Children's Parties, and we hope to continue to welcome schools into our premises for special events such as carol concerts or end of year services. We also visit schools and take classes at Easter and Christmas, and at other occasions throughout the year. They find our premises to be the right size for these types of events and many of the families have links with the church through children attending the church or clubs and activities that take place here.

HIGHFIELDS CHURCH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023

Strategies for Aims and Objectives

We continue to seek to further the Aims of the organisation, by continuing the current practice of proclamation of the Gospel, at large gatherings on a Sunday, and building relationships with others through the variety of small groups that operate during the week. Further, initial contact with those not known to us is sought by enabling access to community groups such as 3 C's, and children related activities such as parent and toddler groups. Also opening the building for outside hire, such as Art classes, helps get us recognition within the community. We aim to continue to do this and will see the effectiveness with increased engagement from those, both within and without, who previously may not have been present. We are also a Christians Against Poverty (CAP) debt centre and employ a manager to oversee this activity 2 days per week.

This year we have engaged with a number of people from within Highfields to go to plant a new church in an outlying area in the Vale of Glamorgan, Penarth. We set aside 2 elders and approximately 25 people to go to start a new church. They currently rent a school premises for Sunday meetings, and there is a regular attendance of around 60-75 on a weekly basis. They are currently applying to the Charity Commission and have made an application for which we await a decision. The two Elders and members will then transfer to the new church which will be called Penarth Evangelical Church.

In the longer term, we will assess our staff structure, which will be adapted to the needs of the church and the community we serve. This will be ongoing, seeking the furtherance of the church.

Performance achievement

We have continued to operate the clubs effectively in this year, and have increased the number accessing them, especially the Tiddlywinks parent and child club, which is continually oversubscribed. The Art classes for the local community are also very popular, and youth programs are also very active.

Membership has increased, and the financial picture has been incredibly strong this year with a 10% uplift overall in income. This has proved to be fortuitous, despite the current financial climate generally.

FINANCIAL REVIEW

Financial position

Given the current challenging conditions, at home and throughout the world, we have been very encouraged that giving to Highfields has increased significantly to meet the majority of the expenditure throughout the year.

The Statement of Financial Activities shows total incoming resources for the year of £825,069 compared to £722,947 for last year. Total resources expended for the year were £793,678. This spend is 10% higher than 2022, due to an increase spend on maintenance and equipment plus increased staffing costs, mainly due to pay rises to combat the cost of living.

Given the ongoing challenging financial climate, we have been very encouraged that giving to Highfields has increased to meet the majority of the increased expenditure over to last year. We had a significant increase over 2022 and have been heartened that the incoming funds have been sufficient to meet the needs. The principal risks associated with the coming year would be the inability for members to give effectively to cover costs, and there may be a shortfall, if there are givers who stop giving for some reason, and we are currently using the saved money for Ministry Apprentices and Ministry Interns, which will deplete the fund without increased giving. We are hopeful that giving will increase though to cover this when we make the need known. We have every confidence as this has been the experience of the previous year, and there have been no substantial changes in the membership that would indicate otherwise.

Reserves policy

At 31 December 2023 the charity's total funds amounted to £1,146,186, of which £81,071 is tied up within restricted funds. This leaves unrestricted funds of £1,065,115. As outlined in the accounts, the trustees have designated £270,404 for specific purposes and a further £697,941 in a building fund, equating to the net book value of land and buildings. Therefore after excluding fixtures and fittings, the charity has free reserves of £79,696.

Although encouraged by the giving in 2023, the trustees are aware of the challenges of the coming year again, with increased staff costs related to increased salaries and pension costs.

The trustees consider the financial position to be satisfactory.

HIGHFIELDS CHURCH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023

FUTURE DEVELOPMENTS

We have completed the process of reviewing our vision for the church and this was renewed in June 2023. This has set the strategic direction for the church for the next five years, both building on our strengths and maximising our opportunities to meet our charitable objectives. Our Aims and Objectives have not changed, but the way we concentrate on certain aspects of the new vision will adapt the way the implement our services within the church setting. We will endeavour to get all groups within the church to embrace the vision and operate accordingly.

We aim to continue to further the church objects, by continuing to proclaim the message of the gospel in large Sunday gatherings, while also maintaining the smaller groups within the church family, for the maintenance of friendships and relationships, and continuing community involvement, ensuring the continuing of Highfields Church. We will endeavour to continue to use our resources in this purpose, ensuring we maintain a healthy accounting structure, to enable us to effectively manage the resources available. We have significantly renewed parts of the building and will spend more in the coming year to keep it in good order, and safe for use, in line with our Environmental and Health & Safety policies.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The full name of the charity is Highfields Church and is known as Highfields. We are a CIO, incorporated in June 2018, but have was an old CUA charity, closing in December 31st 2018. The Current Constitution was ratified on 2nd July 2017

Method of election of Elders/Trustees

Instruction shall be given to Church Members concerning the biblical qualifications of an Elder. In addition potential Elders, apart from those referred to in 4.2.2 (Pastors, Associate Pastors, and Assistant Pastors), should normally have been members of the church for at least 2 years. All Church Members shall be invited to submit, by hand or post, their nomination of Member(s) of the Church for the office of Elder, having been given at least two weeks notification to do so. The Elders will consider all nominations received to ensure the nominees are members and suitable for office. The existing Elders will then seek confirmation from the nominees of their willingness to stand before submitting the names of those deemed suitable and willing to stand to the Church to vote upon by postal ballot. Members will be given 3 weeks to return ballot papers.

To be chosen as an Elder, each nominee must receive at least two-thirds of the positive votes of the Church Members voting. Those persons duly confirmed by the Church through voting, will be invited to accept the office. Those persons duly chosen as Elders shall be recognised at an Ordination Service. Elders shall also be appointed as Managing Trustees.

Elders, apart from Staff Elders, shall be elected for a period of 4 years, (a recent change) or as long as they continue as members of the church, or until they resign, or until they are removed from office, whichever is the earlier. An election or re-election of Elders shall be held at least every seven years. On expiry of the term of office, Elders shall be eligible for re-election.

The duly elected Elders are the Managing Trustees as laid down in the Constitution. The Elders are responsible for the spiritual oversight of the Church, the Church discipline, the administration of the Charity and its funds in accordance with the constitution. They shall determine the structure, purpose, and direction of the church. All Elders must be members of the Church and be in agreement with the Basis of Faith.

Induction and training of new trustees

Trustees of Highfields are always those who have been members of the church for a significant period of time, and hence are generally familiar with its activities. They have copies of the previous annual reports and constitution. They are made familiar with the responsibilities of trustees when they take up their post. The regular input from different ministry leaders to the Elders' meetings provides the trustees with the ability to keep up to date with the charity's activities on an ongoing basis.

HIGHFIELDS CHURCH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023

Organisational structure

As of 31 December 2023 there are 12 Elders, these include four staff elders, Lead Pastor, Dave Gobbett, Associate Pastor Jon Reeves, Associate Pastor Michael Teutsch and Internationals worker Rowland Hughes. Elders typically meet every two weeks to manage the affairs of the church.

The Elders may delegate the running of certain administrative and practical affairs of the Church and ministries, as they see fit, to Deacons, Associate workers, and Ministry Leaders. Deacons are responsible, as directed by the Elders, for the administration and practical matters of the church. They maintain and administer the church in terms of buildings, equipment, procedures and format. Ministry Leaders are primarily involved in word, pastoral and prayer-based ministries as directed by the Elders. Associate Workers are those appointed by the Elders to carry out specific roles as determined by the Elders. All Deacons, Associate Workers and Ministry Leaders must be members of the church and be in agreement with the Basis of Faith.

Requests by the Elders for the Deacons to undertake specific duties will be recorded in the minutes of the Elders meetings and requests provided to the Deacons. The Deacons shall record details and minutes of any meetings and copy these to the Elders.

Members of staff who head up particular areas of ministry are named amongst this group. Deacons and Ministry Leaders make day to day decisions about their areas of ministry, but will liaise with one or more Elders about important matters.

Certain areas of responsibility are delegated to committees, such as Finance and Mission. Both committees are chaired by an Elder and report to the Elders on a regular basis about important decisions.

Related parties

No matters to note under this heading. Declaration forms are provided.

Risk management

The Church's finances are subject to Independent Examination. The trustees comply with Charity Commission advice and directives in the running of the Church. The trustees are satisfied that major risks are being assessed and systems put in place for their mitigation. Financially, the Church continues to be well supported by members and remains able to meet all commitments.

In general, given the current economic climate and increasing public concern over the stability of the banking system, we want to keep below the maximum insured levels of £85k per bank. We have a three month Operational Reserve which has been reviewed at the end of 2023, taking into account salary and staffing levels and general operating costs and has been held at £115,000. We believe this reserve, combined with regular reviews of the financial systems, will provide sufficient resources in the event of adverse conditions.

Highfields Church is committed to protecting any vulnerable people we come into contact with. As part of this we have a Safeguarding Policy which requires all paid and voluntary workers who have responsibility for children or vulnerable adults to apply for an Enhanced Disclosure of any record held by the Disclosure and Barring Service (DBS). In 2023 we have again reviewed our Safeguarding Policy to take into account changes in legislation and best practice. We also comply with the Code of Practice set out by the voluntary body 31:8, in matters of confidentiality and safe keeping of records.

We comply with the Disability Discrimination Act and make every effort to be inclusive to anyone, whatever their disability. Access to our premises at ground level is straightforward and we have a lift to ensure that wheelchair users can get onto the 1st floor without any difficulty. We have a loop system in the chapel to help those who are hearing impaired to be able to be fully involved in the services and meetings taking place there. We also give training and guidelines to those involved in speaking, producing presentations or notice sheets or manning the PA or lighting to make them aware of those with visual or hearing impairments. We regularly produce Braille hymn sheets on our special printer.

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF HIGHFIELDS CHURCH

Independent examiner's report to the trustees of Highfields Church

I report to the charity trustees on my examination of the accounts of Highfields Church (the Trust) for the year ended 31 December 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

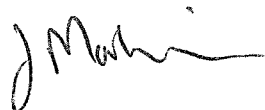

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

HIGHFIELDS CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. STATUTORY INFORMATION

Highfields Church is a registered charity, registered in England and Wales under charity number 1179013. The governing document of Highfields Church is its Constitution and it is a Charitable Incorporated Organisation (CIO). The principal address is Monthermer Road, Cardiff, CF24 4QW. The nature of the charity's operations and principal activities is disclosed within the Report of the Trustees.

The financial statements are presented in Sterling (£), the charity's functional currency, and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent to provide a 'true and fair' view. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

There have been no material departures from Financial Reporting Standard 102.

Going concern

No material uncertainties exist relating to events or conditions that may cast significant doubt upon the entity's ability to continue as a going concern.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

This includes capital grants.

Donations and legacies income includes donations, gifts and grants that provide core funding or are of a general nature are recognised where there is entitlement, probability of receipt and the amount can be measured with sufficient reliability. Such income is only deferred when the donor specifies it must be used in future accounting periods or the donor has imposed conditions which must be met before the charity has unconditional entitlement.

Income from charitable activities includes income received under contract or where entitlement to grant funding is subject to specific performance conditions. This income is recognised where there is entitlement, when the receipt is probable and the amount can be measured reliably. Income is deferred when the amounts received are in advance of the performance of the service or event to which they relate.

Income from other trading activities is recognised as the related services are provided and there is entitlement, probability of receipt and the amount can be measured with sufficient reliability. Income is deferred when the amounts received are in advance of the delivery of the service or event to which it relates.

Investment income is recognised on a receivables basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature to support them.

Support costs are those costs that, whilst necessary to deliver an activity, do not themselves produce or constitute the output of the charitable activity. This includes "Governance costs" which are those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity as well as a proportion of salaries based on an approximation of time spent in this area.

Expenditure includes VAT as the charity is not VAT registered.

Allocation and apportionment of costs

All costs are allocated between the expenditure categories on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

Tangible fixed assets

Fixed assets are initially recorded at cost. Fixed assets costing over £500 are capitalised.

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	- 4 to 8 years straight line
Freehold land	- not depreciated
Freehold property	- 50 years straight line

Taxation

As a registered charity the organisation is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the organisation and is therefore included in the relevant costs in the Statement of Financial Activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are created for specific purposes at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Operating leases

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the statement of financial activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension are charged to the Statement of Financial Activities in the period to which they relate.

2. ACCOUNTING POLICIES - continued

Capital grants

Capital grants are accounted for in accordance with FRS 102 SORP. The board of trustees consider that in order to comply with the SORP, grants of a capital nature given for specific purposes and fully utilised in the furtherance of the charity's objectives should be credited to the building fund after the sums have been properly expended on the restricted purpose. The related assets are shown in the balance sheet at cost or valuation.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Debtors with no stated interest rate and receivable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
