I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	1) The provision of a public library. 2) To promote for the benefit of the residents of Desborough and surrounding area or communities the provision of a public library for recreation and or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said residents. 3) To advance the education of the public in Desborough and surrounding areas by operating and managing a lending library.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Desborough Library and Community Hub (DLCH) has taken over the running of Desborough Library and has a dedicated body of 30 volunteers of which 20 have been trained in Library operations. Along with a part time staff member covering the Library duties The opening hours have varied over the past year due Covid restrictions which also resulted in the Library closing during lockdowns. The core services of book lending and computer terminals giving internet access, bus pass and blue badge applications and renewals are available during all opening times. This meets the first and third objectives. During non-COVID restricted periods there are sessions for children, toddlers and babies such as Discover a Story, Rhyme Time, Baby Time, Playtime at the Library and an Introducing Solids Group, some sessions are followed by themed crafts, many of which are run by volunteers. There is a scrabble club, regular coffee mornings, craft sessions, fitness classes, fund raisers for other local charities. The Library provides a welcoming and safe environment for the elderly and for people with anxiety and mental health issues. There is a Service Desk hosted within the Library at which residents can get help regarding all services provided by the local authority including housing, rents, litter, refuse collection, anti-social behaviour, environmental health. A small meeting room is utilised by the Citizens Advice Bureau and a Credit Union who have regular visits and appointments with local residents.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees recognise the guidance given by the Charity Commission on public benefit and conclude that by providing a free book lending library service and free Universal Children's Services for under 5s open to all the residents of Desborough and the surrounding area the requirement is being met.

Policy on social investment including program related investment	Para 1.38	NA
Contribution made by volunteers	Para 1.38	DLCH has been fortunate in recruiting a dedicated group of volunteers whose contribution allows the Library to remain open for longer and on more days following the take over from NCC run to a Community Managed Library. The group is active in many ways within the Library by providing support to the paid staff member across the range of services offered. There are usually 2 people on duty at any one time and often more during busy times. Prior to COVID 19 lockdowns the weekly contribution from volunteers averages at around 80 person hours.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	DLCH considers that the continuation of the free public library service in Desborough is an achievement. During the COVID-19 crisis a Good Neighbours scheme was set up and co-ordinated under the auspices of DLCH. This was in order to reach the most vulnerable and shielding persons within our community. The help provided included shopping and essential purchases, collection and delivery of medications, small household jobs (e.g. changing a light bulb) and crucially a regular contact call with a volunteer. This has led on to an informal friends network being created across the clients and the volunteer co-ordinators where regular chats over the telephone take place. We continue to have a strong working relationship with the Library Community Support Officers who are most supportive of DLCH. The senior officers and portfolio holder for Libraries are also extremely positive and helpful in support of DLCH running the Library.

Achievements against objectives set	Para 1.41	DLCH's objectives for this year were to continue to provide a free to all Library lending service. Due to COVID-19 restrictions this wasn't always possible. However, we have continued to provide a Click & Collect service and a COVID safe book browsing and selection service when conditions and regulations have allowed that to take place.
Performance of fundraising activities against objectives set	Para 1.41	The restrictions due to COVID-19 have meant that most of this year's calendar of events has been curtailed. During the easing of the lockdowns we were able to provide some events which were well supported. We have also been fortunate to have gained considerable grant funding for both daily running costs and capital projects, which is reflected in our finances.
Investment performance against objectives	Para 1.41	DLCH does not have any investments to report upon.
Other		Even during the COVID-19 restrictions we were able to provide a level of support for the Library Services and through the Good Neighbours Network support to our most vulnerable clients.
