Activities

Objects: THE OBJECTS OF THE CHARITY (THE OBJECTS) ARE, FOR THE PUBLIC BENEFIT: (1) THE ADVANCEMENT OF EDUCATION IN PARTICULAR (BUT WITHOUT LIMITATION) BY PROVIDING FINANCIAL AND OTHER FORMS OF SUPPORT TO MEDICAL STUDENTS IN ZIMBABWE; AND(2) TO FULFIL SUCH OTHER PURPOSES WHICH ARE EXCLUSIVELY CHARITABLE ACCORDING TO THE LAW OF ENGLAND AND WALES AND ARE CONNECTED TO THE CHARITABLE WORK OF THE TRUST AS THE TRUSTEES MAY FROM TIME TO TIME SEE FIT.

Activities: DOTZ was founded by a group of friends in 2016. Our mission is to help struggling Zimbabwean medical students reach their potential by assisting with their tuition fees. We support students who are already enrolled in medical school, but who find themselves in financial difficulties.

Trustees' Report

Structure, Objective and Governance

Doctors of Tomorrow in Zimbabwe (the Charity) is an unincorporated trust, established under the Charity Commission Trust Deed dated 14 June 2017 with registered charity number 1179019. The Charity was founded by a group of friends in 2016 with the mission to help struggling Zimbabwean medical students reach their potential by assisting with their tuition fees. It supports students who are already enrolled in medical school, but who find themselves in financial difficulties.

The following were the Trustees during the year and at the date of signing this report:

Philippe Bonavero

Dr Sara de Swardt

Dr Helen Munn

Dr Natasha O'Hear

The Trustees are the founders of the charity and as such, were not recruited but all have a background in either medical science, education or the third sector.

At the Trustees' meetings the Trustees consider the progress of current grantees, any new applications and how to make the best available use of resources.

The Charity's registered address is at Waywarden, West Street, Chipping Norton, Oxfordshire, OX7 6YQ.

Charity's Public Benefit

The Trustees have considered the Charity Commission's guidance with regard to public benefit and have ensured that the Charity's resources have been, and will be, distributed to assist those Zimbabweans in charitable need to study medicine.

Activities and Objectives in the year

During the year the Charity supported a total of 85 (2023: 85) medical students, split between students at the University of Zimbabwe in Harare and the National University of Science and Technology in Bulawayo.

The majority of the Charity's funding went directly to pay tuition fees at those two universities, but the Charity also made occasional hardship grants to support students with their living expenses.

The Charity maintained robust and rigorous selection criteria to select beneficiaries, based both on individual students' financial circumstances and their academic record, including obtaining references from relevant tutors and assessing performance in end-of-year examinations.

Financial Review

During the year the Charity received donations of £61,105 (2023: £160,788) and had direct charitable expenditures of £60,537 (2023: £158,208).

Policy on reserves

The Charity's reserve policy is to maintain sufficient reserves to cover all grants currently committed to students.

Our thanks to all Trustees for their commitment and work throughout the year.

Independent Examiner's Report to the Trustees of Doctors of Tomorrow in Zimbabwe

I report to the Trustees on my examination of the accounts of Doctors of Tomorrow in Zimbabwe (the Charity) for the year ended 15 January 2024, which are set out on pages 6 to 9 ('the Accounts').

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the Accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Accounts to be reached.

Notes to the Accounts

1. Accounting Policies

(a) Compliance with Charities SORP (FRS 102)

These financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011. The Charity adopted Section 1A of FRS 102 applicable to smaller entities.

(b) Measurement convention

The accounts have been prepared on the historical cost basis.

(c) Going concern

The Trustees consider the Charity to be a going concern at the reporting date.

(d) Cash flow statement

Under Section 1A of FRS 102 the Charity is not required to prepare a cash flow statement.

(e) Income

Donations are recognised once received. In the event that a donation is subject to conditions that require a level of performance before the Charity is entitled to the funds, the income is deferred and not recognised until those conditions are fully met.

(f) Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses are allocated or apportioned to the applicable expenditure headings.

Grants are payments made to third parties in the furtherance of the charitable objectives of the Charity. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attached to that grant is outside of the control of the Charity.

Notes to the Accounts (continued)

(g) Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on demand.

(h) Fund structure

The Charity has a single permanent fund which was wholly unrestricted as at the year end. Unrestricted means the Trustees are free to use it for any purpose in furtherance of the Charity's objectives.

6. Related Party Transactions

During the previous year, the Charity's bank account was closed in error by its bank. On closure the account balance of £88,724 was transferred by the bank to a joint account of Philippe Bonavero and Dr Natasha O'Hear, both Trustees of the Charity. These funds were held in trust and used solely in furtherance of the Charity's objectives.

This year the Charity's bank account was reopened and the cash held on trust was returned to the Charity.

The bank apologised to the Charity for its mistake and paid it £1,913 in compensation. That money has been accounted for as a donation to the Charity.

The Trustees received no emoluments or reimbursement of expenses.

(c) Going concern

The Trustees consider the Charity to be a going concern at the reporting date.

(d) Cash flow statement

Under Section 1A of FRS 102 the Charity is not required to prepare a cash flow statement.

(e) Income

Donations are recognised once received. In the event that a donation is subject to conditions that require a level of performance before the Charity is entitled to the funds, the income is deferred and not recognised until those conditions are fully met.

(f) Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses are allocated or apportioned to the applicable expenditure headings.

Grants are payments made to third parties in the furtherance of the charitable objectives of the Charity. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attached to that grant is outside of the control of the Charity.

Notes to the Accounts (continued)

(g) Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on demand.

(h) Fund structure

The Charity has a single permanent fund which was wholly unrestricted as at the year end. Unrestricted means the Trustees are free to use it for any purpose in furtherance of the Charity's objectives.

6. Related Party Transactions

During the year the Charity's bank account was closed in error by its bank. Subsequent to year end the bank apologised to the Charity for its mistake and paid it £1913 in compensation.

On closure the account balance of £88,724 was transferred by the bank to a joint account of Philippe Bonavero and Dr Natasha O'Hear, both Trustees of the Charity. These funds were held in trust and used solely in furtherance of the Charity's objectives. At the year end the balance held in trust was £25,643. Subsequent to year end the Charity's bank account has been reopened and the cash held on trust has been returned to the Charity.

The Trustees received no emoluments or reimbursement of expenses.

Trustees' Report

Structure, Objective and Governance

Doctors of Tomorrow in Zimbabwe (the Charity) is an unincorporated trust, established under the Charity Commission Trust Deed dated 14 June 2017 with registered charity number 1179019. The Charity was founded by a group of friends in 2016 with the mission to help struggling Zimbabwean medical students reach their potential by assisting with their tuition fees. It supports students who are already enrolled in medical school, but who find themselves in financial difficulties.

The following were the Trustees during the year and at the date of signing this report:

Philippe Bonavero

Dr Sara De Swardt

Dr Helen Munn

Dr Natasha O'Hear

The Trustees are the founders of the charity and as such, were not recruited but all have a background in either medical science, education or the third sector.

At the Trustees' meetings the Trustees consider the progress of current grantees, any new applications and how to make the best available use of resources.

The Charity's registered address is at Waywarden, West Street, Chipping Norton, Oxfordshire, OX7 6YQ.

Charity's Public Benefit

The Trustees have considered the Charity Commission's guidance with regard to public benefit and have ensured that the Charity's resources have been, and will be, distributed to assist those Zimbabweans in charitable need to study medicine.

Activities and Objectives in the year

During the year the Charity supported a total of 58 medical students, split between students at the University of Zimbabwe in Harare and the National University of Science and Technology in Bulawayo. The majority of the Charity's funding went directly to pay tuition fees at those two universities, but the Charity also made occasional hardship grants to support students with their living expenses.

The Charity maintained robust and rigorous selection criteria to select beneficiaries, based both on individual students' financial circumstances and their academic record, including obtaining references from relevant tutors and assessing performance in end-of-year examinations. One of the Charity's trustees is a resident of Zimbabwe and provides an invaluable interface between the Charity and the partner universities.

The COVID-19 pandemic caused much disruption to the teaching of medical students in Zimbabwe. In particular, much of their practical work and assessments was altered or postponed. Nevertheless, the Charity's cohort of students successfully continued their studies through this difficult period.

During the year the Charity appointed a former student to assist with administrative support in Harare.

Financial Review

During the year the Charity received donations of £57,370 (2020: £200) and had direct charitable expenditures of £34,306 (2020: £2,300).

Policy on reserves

The Charity's reserve policy is to maintain sufficient reserves to cover all grants currently committed to students.

Our thanks to all Trustees for their commitment and work throughout the year.

Independent Examiner's Report to the Trustees of Doctors of Tomorrow in Zimbabwe

I report to the Trustees on my examination of the accounts of Doctors of Tomorrow in Zimbabwe (the Charity) for the year ended 15 January 2021, which are set out on pages 6 to 9 ('the Accounts').

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the Accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Accounts to be reached.
