Summary of SES Chair:

Somali Ecological Society (SES) has suffered some unfortunate setbacks due to the passing of its chair and the members lost interest and motivation

However, SES continues to champion its cause and we remain confident the charity will land its first substantial project soon.

Our trustees continue with their enthusiasm and drive, as do our supporters and partners, who all share our aims for a stable and secure environment in the Horn of Africa and neighbouring countries for all to enjoy for generations to come.

Amongst main achievement during this period included the following:

~ SES is now fully registered international environmental NGO in Somalia and Somaliland,

.

a. Objects (Organizational Aims)

SES's objects (aims), as contained in our constitution are:

1. To promote ecologically sustainable development for the benefit of the public in Somalia (including Somaliland), and to a lesser extent, the surrounding Horn of Africa countries Djibouti,

Eritrea, Ethiopia (known as the area of benefit) by:

the preservation, conservation and the protection of the environment and the prudent use of natural resources

ii. The relief of poverty and the improvement of the conditions of life in socially and poor communities

- iii. The promotion of sustainable means of achieving economic growth and regeneration.
- 2. To build the capacity of local non-governmental organisations in benefit and provide them with the necessary support, information, and services to enable them to pursue or contribute to charitable activity of
 - i. the preservation, conservation and the protection of the environment and the prudent use of natural resources

Summary of SES Chair:

Somali Ecological Society (SES) has suffered some unfortunate setbacks due to the Coronavirus pandemic and the sudden passing of the organisation's former chair. However, SES continues to champion its cause and we remain confident the charity will land its first substantial project soon. Our trustees continue with their enthusiasm and drive, as do our supporters and partners, who all share our aims for a stable and secure environment in Somalia and neighbouring countries for all to enjoy for generations to come.

Amongst main achievement during this period included the following:

- SES is now fully registered international environmental NGO in Somalia and Somaliland,
- SES has completed fact-finding mission to Somaliland in December 2019 to February 2020 focusing the wildlife and especially the protection and conservation of Cheetah.

- SES Submitted project proposal to various international funding organisations for protection and conservation of environment and wildlife and also to encourage the Somali authorities to put in place policies to combat the impact of climate change.

SES established partnership working with Cheetah Conservation Fund to work together the protection and conservation of Cheetah and other wildlife in Somalia.
