Progress for all is main purpose is the prevention or relief of poverty in the UK and the Great Lake Region (Rwanda, Uganda, DR Congo, and Burundi) by providing: grants, items, and services to individuals in need and charities, or

other organisations working to prevent or relieve poverty.

In December 2018 Progress for all received a £10,000.00 funding from the National Lottery Awards for All. £3,265.00 of this funding was spent on video recording and editing equipment (Video camera and Laptop) and consultant fees. And there was no activity which was conducted outside the UK.

However, as we started working on the Inspiring youth Project in January 2021 in Norwich the charity was forced to stop its activities due to some trustee family difficulties. We are expecting to resume our activity in 2022.
