## **Guru Panth Trust (UK)**

(Registered Charity Number. 1179055)

### **Annual Report (Year Ending: 31<sup>st</sup> August 2024)**

This charity is governed by virtue of constitution, which was adopted on 10<sup>th</sup> September 2017.

The following are trustees of the charity:

- 1) Gurwinder Singh
- 2) Parampreet Singh
- 3) Narinder Singh

## **The Trustees Report**

Objectives of Guru Panth Trust (UK)

The advancement of Sikhism in the UK and Worldwide mainly but not exclusively by means of:

- (I) Raising awareness and understanding of Sikhism
- (II) Relieving poverty by providing funding to those in need

This is carried out as follows:

- Help setting up businesses on a small scale i.e. by buying rickshaws, sewing machines, carts, machinery, building stalls etc so that those in need can start up a business and generate sufficient income to cover household expenses.
- Paying children's school fees and other expenses such as uniform, books etc. We encourage families to send their children to school to ensure they have a bright future and become independent.

### **Projects undertaken this year:**

The charity has successful helped many poor families mainly from the Gurdaspur/Punjab area.

- Built stalls/grocery shops and providing enough supplies to start-up businesses on a small scale.
- Provided machinery to help start up a business i.e. sugarcane grinding machine from which sugarcane juice can be made which is a popular drink in India.

- We have started up sewing centres to allow women to learn new skills which will help them start up a business and generate income for their family. Women have become independent and confident. This has reduced the financial stress of male figures in families who have been struggling with the burden of loans taken to continue their farming businesses. Many farmers have been committing suicide in Punjab as they are unable to pay off their debts. Our main aim has been to support women so that they can generate another stream of income and meet all financial requirements to maintain a good quality of life for their families.
- During the coronavirus pandemic and floods in Punjab we have been following one of the main principles of the Sikh Religion which is 'Selfless Service' by providing food and basic necessities for those in need.
- We have helped poor families with wedding expenses such as outfits, necessities etc.
- On many occasions we have built/repared homes to ensure those in need are living in safe surroundings.

#### Future plans

Continue to build our team so that we can help people from different areas in Punjab. This will be done by recruiting more volunteers from different districts in Punjab that can help identify areas with high poverty levels. We have been able to help people in Amritsar, Tarn Taran and Gurdaspur districts this year.

We are working with local Gurdwaras to help us raise awareness of Sikhism and help families learn prayers which will create a positive environment in villages and reduce consumption of drugs/alcohol.

Most work is carried out by volunteers in the UK and in India and fundraising is carried out using media in the UK. We present family cases on social media and explain their current situations and struggles and carry out an appeal for the relevant funds required to solve the difficulties of each family.

## **Guru Panth Trust (UK)**

(Registered Charity Number. 1179055)

### **Annual Report (Year Ending: 31<sup>st</sup> August 2021)**

This charity is governed by virtue of constitution, which was adopted on 10<sup>th</sup> September 2017.

The following are trustees of the charity:

- 1) Gurwinder Singh
- 2) Parampreet Singh
- 3) Narinder Singh

### **The Trustees Report**

Objectives of Guru Panth Trust (UK)

The advancement of Sikhism in the UK and Worldwide mainly but not exclusively by means of:

- (I) Raising awareness and understanding of Sikhism
- (II) Relieving poverty by providing funding to those in need

This is carried out as follows:

- Help setting up businesses on a small scale i.e. by buying rickshaws, sewing machines, carts, machinery, building stalls etc so that those in need can start up a business and generate sufficient income to cover household expenses.
- Paying children's school fees and other expenses such as uniform, books etc. We encourage families to send their children to school to ensure they have a bright future and become independent.

#### **Projects undertaken this year:**

The charity has successfully helped many poor families mainly from the Gurdaspur/Punjab area.

- Built stalls/grocery shops and providing enough supplies to start-up businesses on a small scale.

- Provided machinery to help start up a business i.e. sugarcane grinding machine from which sugarcane juice can be made which is a popular drink in India.
- Started up a school for poor children from different castes/religions within Gurdaspur. School building, teachers' salaries, transport, uniforms etc were funding by donations collected this year.
- We have started up sewing centres to allow women to learn new skills which will help them start up a business and generate income for their family. Women have become independent and confident. This has reduced the financial stress of male figures in families who have been struggling with the burden of loans taken to continue their farming businesses. Many farmers have been committing suicide in Punjab as they are unable to pay off their debts. Our main aim has been to support women so that they can generate another stream of income and meet all financial requirements to maintain a good quality of life for their families.
- During the coronavirus pandemic we have been following one of the main principles of the Sikh Religion which is 'Selfless Service' by providing food and basic necessities for those in need.
- We have helped poor families with wedding expenses such as outfits, necessities etc.
- On many occasions we have built/repared homes to ensure those in need are living in safe surroundings.

### Future plans

Continue to build our team so that we can help people from different areas in Punjab. This will be done by recruiting more volunteers from different districts in Punjab that can help identify areas with high poverty levels. We have been able to help people in Amritsar, Tarn Taran and Gurdaspur districts this year.

We are working with local Gurdwaras to help us raise awareness of Sikhism and help families learn prayers which will create a positive environment in villages and reduce consumption of drugs/alcohol.

Most work is carried out by volunteers in the UK and in India and fundraising is carried out using media in the UK. We present family cases on our tv shows and explain their current situations and struggles and carry out an appeal for the relevant funds required to solve the difficulties of each family.
