FINANCIAL REVIEW

The trustees initiated the bank account opening process with CAF Bank. Submitted the response on the queries by the CAF bank. The trustees finally submitted again all account opening request including all required documents. The bank opening process is in delay.

Due to non-availability of bank account, the trustees not initiated the fundraising and not completed the activities as per plan.

RESERVES POLICY

The current policy of the trustees is to maintain only minimal reserves. This is because commitments will not be made beyond donations received and operating costs are expected to be kept at a low level which should be covered by donations. At the period end the charity had free reserves of value of reserves.

RISK MANAGEMENT

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been, or will be, established to enable the necessary steps to be taken to lessen these risks.

The main risk to the charity is that donation income does not arise which would significantly reduce the level of charitable activity possible.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Rural Aid International is a UK registered charity and is constituted as a Charitable Incorporated Organisation and therefore governed by its Trust Deed.

The charity is organised so its Trustees meet at various intervals and exercise responsibility for its governance. In the intervening periods the secretary deals with the routine business.

All trustees give their time freely and no trustee remuneration or expenses was paid in the year. In addition, no out of pocket expenses were reimbursed to the trustees and no trustee had any beneficial interest in any contract with the charity during the year.
