Appointment, Induction and Training of Trustees

All members of the Board of Trustees give their time voluntarily and receive no benefits from the charity.

Further trustees will be recruited to fill in gaps in experience and knowledge to bring a stated benefit to the charity.

Investment and Reserves Policy

The Board of Trustees have examined the charity's need to build a financial reserve and a policy is being developed.

Risk Review

The trustees have assessed the major risks to which the charity is exposed, in those relating to the operations of the charity, the safety of its volunteers and the finance of the organisation and are satisfied that the procedures and systems are in place to mitigate the charity's exposure to risks. Volunteers' safety was reviewed regarding Lone Worker Policy and Mental Health issues due to increased demand of the service. Supervision sessions, Trauma Informed coaching and knowledge of Vicarious trauma have been implemented into our training and service for volunteers.

Review of Progress and Achievements

The Board of Trustees are excited about future plans of the charity and acknowledge that the achievements of the past year surpassed what they had initially expected. Self sustainability is now priority moving forward. A pop of Café was introduced as a means of raising extra money for the charity.

How Salford Survivor Deliver Public Benefit

The charity's activities were for the main part of the year via face to face contact, social media platforms and group work. Due to the Covid crisis, our support service moved predominantly online, with the expansion of our outreach service to ensure those in need received appropriate help and delivery of basic needs. The help and support given to those accessing the services serves to benefit the individual, their family and the wider community. By empowering others to improve their lives public funds are saved by way of less strain on public resources.

Principal Funding

The main sources of funding were through grants from National Lottery, Heinz Anna Froch Foundation, Public Donations and Fundraising.

Financial Review

2023 to 2024 was our sixth financial year and the funding was used for a number of projects that continued into the following financial year and was managed professionally and reviewed on a monthly basis. The charity is in a fair financial position with no debts and relatively minimal overheads.

Activities

This year has been an extremely inspirational and busy year for us at Salford Survivor Project. In January 2024 we opened a new hub to run sessions for drops ins and courses and opened a pop up hub at a church in the Broughton area of Salford.

Events over the year included Volunteer recruitment days. Fun day and open day at both hubs attended by over 100 people and children.

VE Day celebration with local children performing a play. The establishment of a The My Way club for community members who suffered from loneliness and disabilities in Broughton

The establishment of Diversity Youth Club for all children age 5 to 11 and 11 to 16 (up to 21 with additional needs) to help families with children able bodied and disabled come together in a safe playful environment.

Establishment of the Man Friday Club for men to meet and discuss their issues in life. This is well attended weekly with over 30 men attending at different times. Both the Diversity Youth Club and Man Friday Club were set and are now run by survivors of domestic abuse who were helped by Salford Survivor and attended empowerment courses and training with us.

The continual recruitment and action of STEAM (Salford Teens Empowement Ambassador Program) who meet monthly to discuss ways of promoting and raising awareness of healthy relationships. They also promote our service on Social Media and content plan for the platforms.

In the past year our clients have included both men and women and referrals to other services have increased dramatically. We established further referrals for food banks, fuel vouchers, baby referrals, and for children who have fled and are resettling and return or need help in education. Through Buttle. We worked with over 700 families. We delivered a sack of Christmas presents to 460 children Christmas 2023. Provided Christmas dinner hamper and food parcel to 120 people.

Outreach worked with over 220 families, providing food, fuel, clothing or other essentials. Working with Buttle we provided emergency essential funding to 12 families up to £2500 each family.

Referrals to agencies including Childrens Services in Salford, Bury, Bolton, Wigan, Manchester and other areas. Adult Social care. MARAC. We attended the police station with 22 women and 2 men to report crimes. We attended Civil and Family court and Criminal Court, supporting clients on 31 occasions. Provided Legal advice and legal drafting to 42 clients.

Delivered 3 drop ins per week, Emerge Free course weekly, Healthy relationship course weekly. Recruited a further 12 volunteers to mentor and learn about services we offer.

Moving forward we have now partnered with Salford Step into Action and work from their hub. Our volunteers are now working alongside them as Outreach support and our STEAM group are helping promote community activities.

4 of our volunteers are commissioners on Salford Poverty truth and 2 have gone on to study at University with one of STEAM group ambassadors applying to start University in September 2025.

“When I began STEAM I was at college doing my A’levels just as something today as my mum said I could not leave and just get a job. The group gave me so many ideas and I want to make a difference to people’s live. I never wanted to go University and now I have a place to study Criminology in September. I want to understand why people abuse. I genuinely feel without joining STEAM I would have not bothered. I have learnt so much” Kyra age 18.

Two of our Qualified IDVAs are now also ISVAs and our CEO is a Level 7 Qualified Trauma informed Coach to help those affected by Trauma overcome their physiological and neurological issues due to abuse.

Plans for the future year

WE have now established a partnership with Neurovive Wellness who are delivering and collaborating with ourselves to deliver Trauma Informed training and coaching to help people understand the impact of abuse on their nervous system and how to emotionally regulate your feelings to make positive changes and breakthroughs in their life.

Our outputs may not be reached in regard to drop ins. Although our activities have definitely already reached over 500 people attending with the drop ins, however our attention to delivering courses and training academy is the main focus for 2025 to ensure that we reach more people and impact more lives.

Training is now held every Wednesday and is regularly attended by 10 + volunteers.

The Ambassador program and courses always develops new volunteers and with them comes new fresh ideas of how we can tackle the societal and cultural challenges of intrafamilial abuse.

Establish a training academy for employers and deliver relationship workshops in high schools are definitely going to be a watch this space this year. Salford Survivor are developing the structure ready to launch in early May. This will establish sustainable growth and income for the project.
