

Trustees' Annual Report for the period 1st January 2020 to 31st December 2020 for Tidworth and Ludgershall Men's Shed.
Registration number 1179158

Objectives and Activities

The purpose of the charity is to promote the preservation and protection of men and women's good health, and is fully inclusive of all individuals irrespective of their circumstances. For the public benefit, in particular, but not limited to those who are retired, unemployed or have health problems, through the provision of facilities for hobbies, recreation, or other leisure time occupations including practical interests, skills sharing, the learning of new skills, and helping with other community based projects.

Under normal circumstances meetings are held 3 mornings a week, in our Shed, which is equipped with a range of tools. During lockdown, as the Shed was "off limits" we have been holding regular Zoom chats from the Secretary's home with our members, and issuing weekly email updates. Again under normal circumstances, members undertake their own projects, assist with projects in the community, or make products for sale. A separate area is available for a coffee and a chat.

The trustees have had regard to the guidance given by the Charity Commission on public benefit.

Achievements and Performance

Regrettably, as lockdown came into existence early on in our reporting period, very little work on projects took place. However during that time, a couple of members rewired the Shed, under Covid safe working conditions, complete with the installation of LED lighting, and many very accessible points for the attachment of power tools. This will make for a much brighter and more pleasant working environment.

Financial Review

Unfortunately, as we were under lockdown conditions for three quarters of the reporting period, income to the Men's Shed was considerably reduced compared to previous years.

To allow for unforeseen circumstances, which could include the unlikely event of us having to wind up the organisation, we hold a small reserve.

Structure, Governance and Management

The governing document by which the Charity operates is a constitution.

The Charity is constituted as a CIO.

A committee is elected at the AGM, and members of the committee elect the trustees

Reference and Administrative details
