- b) The relief of the persons who are in conditions of need, hardship or distress or who are aged or sick, in the United Kingdom or abroad.
- c) to advance education in such ways and in such parts of the United Kingdom or the world as the trustees from time to time may think fit.
- c) To provide relief to those who are in short term crisis through mobile food distribution.
- d) To run a befriending service for older adult in and around our local community.
- c) To provide music for all in our community to combat mental health, marginalization and isolation.

The principal activities of the Charity are worship and the involvement of various ministries in propagating Christian tenets to both members and non-members of the ministry, at various meetings.

**Public Benefit**

In carrying out the review of activities during the year, the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit. The trustees consider that the following activities below provided benefit to members of the church, the local and international community.

**Worship, Teaching and Prayer**

We provide and maintain a church building for regular meeting of worship and teaching of the Christian faith where we seek to bring people to a faith in Jesus Christ and to equip them to contribute meaningfully to their community.

We also have supplementary rooms for children and young people to worship.

Worship and teaching occurred at weekly Sunday and Wednesday and Friday meetings.

Over the year there were various external speakers from the UK and abroad who were invited to inform and encourage worshipers.

We organised activities directed at encouraging young people both within and outside the church to learn life transforming principles.

**Pastoral Care**

As part of our pastoral care our ministry team and the Pastor look after the spiritual wellbeing of the members and the attendants at the Church and this would include the regular marriage ceremonies, dedication of babies and funerals. The ministry team and the Pastor make general and specific visits to people who are sick, bereaved and other occasions.

As noted in the Church's policy, sometimes it becomes necessary to administer financial support to members of the congregation, who are in dire financial need.

**The following Church services and events we provide are available to everyone in the community;**

'Bereavement Counselling ' Hospital visits ' Welfare provision ' Prayer support 'Befriending service '  
' Pre-marital counselling Singles seminars ' Marriage seminars, Child dedication and Sunday school and mobile Foodbank.

**Missions**

In October 2020, we carried out a mission of generosity to Ghana and donated lots of school supplies to one of the deprived schools. Encouraged many children at various conferences, churches and donated necessities to support local communities.

We saw a fresh outpouring of God's Grace and Spirit upon His people and a sense of kindness, love and generosity to aid the commitment of the people to continue with the kingdom work.

Our theme throughout the tour has been hope in God, the Son and Holy Spirit and overcoming poverty and building resilience.

The senior pastor led the mission to preach in these countries. This endeavor is one of the objectives of the charity.

**Effectiveness of fundraising policies and Principal funding sources**

The charity relies on the offerings, tithes and various donations from the members as identified in the accounts, whose support is greatly valued.
