## Trustees' Annual Report *(continued)*

Year ended 31 March 2025

---

### Structure, governance and management

#### Governing document

Ely Presbyterian Church (Reformed) is constituted under a Charitable Incorporated Organisation (CIO) foundation registered on 18th July 2018 and a constitution dated 20th March 2018. The registered charity number is 1179249.

#### Organisational Structure

The Trustees who have served during the year and since the year-end are set out on page 1 together with other legal and administrative information. The church is ruled by its ordained elders.

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland.

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the Trustees are required to: select suitable accounting policies and then apply them consistently; make judgments and accounting estimates that are reasonable and prudent; state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed/constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Appointment and induction of new Trustees

The Trustees are elected by the Elders' session. The Trustees are responsible for the induction of any new Trustee. This involves making them aware of a Trustee's responsibilities and of the nature of the governing document and administrative procedures. A new Trustee would receive a copy of the charity's Trust Deed together with a copy of the charity's latest Annual Report and Accounts.

#### Key management remuneration

The board of Trustees and the Elders' session are considered to be the key management personnel of the charity. Details of Trustee remuneration or other benefits are disclosed at note 13. Details of Trustee expenses and related party transactions are disclosed in notes 13 and 20 respectively.

#### Risk management

The Trustees have conducted a review of the major risks to which the charity is exposed. Where appropriate, systems or procedures have been established to mitigate the risk the charity faces. These procedures are periodically reviewed to ensure they continue to meet the needs of the charity.

---

### Objectives and activities

#### Objectives and aims

Ely Presbyterian Church (Reformed) was planted in 1927 as a mission church by the Forward Movement of the Presbyterian Church of Wales/Calvinistic Methodist Church of Wales. In 1968 we became an independent Presbyterian church. Since November 2021, we have been members of the Evangelical Presbyterian Church of England and Wales. Our testimony is that God has been good to us over all these years.

The object of Ely Presbyterian Church (Reformed) hereinafter called 'the Church' is to advance the Christian Religion and Christian education in accordance with the doctrinal standards of the church, namely the propagation and practice of the Christian Faith as described in the historic Reformed confessions such as the Westminster Confession of Faith.

In planning activities the Trustees have had due regard to the guidance issued by the Charity Commission relating to public benefit, and, in particular, the specific guidance on charities for the advancement of religion:

#### Aims and Powers

In furtherance of the above object the church shall:

- (a) Proclaim the good news of salvation through our Lord and Saviour Jesus Christ. The message of the Bible is as relevant today as it has been in years gone by, and so we aim to teach its life-giving truth in all its parts;
  - (b) Establish and build up itself as a Christian church in functioning as custodian, disciple of and witness to the truth of Holy Scripture;
  - (c) Declare the whole counsel of God as revealed in holy Scripture and summarised in the Subordinate Standards of the Church;
  - (d) Enable as many people as possible to worship and serve the living God, and to be instructed in the Christian faith.
  - (e) Seek to outwork, in practical ways, the Bible teaching that as Christians we should be charitable, freely showing the compassion of Jesus Christ;
  - (f) Establish and maintain, according to the providence of God, such institutions and structures as will provide for: Christian education; theological training; care of the old and infirm; good works to be done to all men and especially those of the household of faith;
  - (g) Seek visible union with other churches, having the same, or closely compatible, confessional basis and form of government;
  - (h) Seek association, i.e., fraternal or sister-church relations, with other Reformed or Presbyterian churches subscribing to the Westminster Confession of Faith or the Three Forms of Unity (i.e. the Belgic Confession, the Heidelberg Catechism and the Canons of Dort) or a compatible Reformed confession;
  - (i) Co-operate wherever possible, on a Biblical basis appropriate to each category, with other Christian churches and organisations;
  - (j) Undertake the task of church extension and foundation as the persuasion of Scripture, providence and the Holy Spirit direct and constrain;
-

# **Ely Presbyterian Church (Reformed)**

## **Trustees' Annual Report** *(continued)*

**Year ended 31 March 2025**

---

(k) Erect or acquire, maintain and, if necessary, dispose of such land and buildings as are necessary to accomplish the object, and for no other purposes than those consistent with charitable status;

(l) Engage one or more persons in paid employment.

### **Volunteers**

In addition to employing staff, in order to conduct the full range of its activities, the church relies extensively on volunteer support. It is not possible to place a monetary value on the contributions made by volunteers nor are figures available that show how many hours of service they provide.

### **Achievements and performance**

#### **Achievements and performance**

When considering our activities for the year the Church has considered the Commission's guidance on public benefit and in particular the specific guidance on charities for the advancement of religion.

Ely Presbyterian Church (Reformed) promotes the Christian Religion primarily but not exclusively within the districts of Ely and Caerau in the City and Cardiff. We seek to enable ordinary people to live out their faith as part of our community through:- Worship and prayer, learning and understanding the whole counsel of God as found in the Bible and developing their relationship with and trust in the Lord Jesus Christ - Provision of pastoral care for people within our community and - Missionary and outreach work.

During the year, we have supported a number of worthy causes (as detailed in the notes of the accounts), as part of our commitment we support a range of Christian charitable organisations.

In brief, we have supported the following charities:

#### **The African Bible University**

This charity trains African students in Biblical studies and related disciplines. We have continued to sponsor Senga Simplice, and will continue to do so for the four years of his training.

We received a visit from representatives of ABU on 10th July 2024, and other local churches joined us for the presentation, for a time of fellowship and for an opportunity for charitable giving.

#### **The Leprosy Mission - TLM**

TLM is an international Christian charity serving a global population of approximately 305 million people in 30 leprosy-affected countries. In addition to support provided by the Church, the children of our Church School continue to help to support this charity so as to instil in them a team spirit of compassion and a desire to show Christian kindness to those who are in need. We received a visit from representatives of ABU on 30th October 2024.

#### **Cardiff Foodbank - CFB**

Ely has been identified as containing a large number of underprivileged people and within its resources the church seeks to reach out to help families or individuals in their difficulties. CFB provides emergency food to local people who are referred to them in crisis. This charity forms a part of a nationwide network of foodbanks supported by the Trussell Trust, working to combat poverty and hunger across the UK.

#### **The Christian Institute - CI**

The CI is committed to the furtherance and promotion of the Christian religion in the United Kingdom and elsewhere. It's a non-denominational Christian charity committed to upholding the truths of the Bible. We have supported the work of the Christian Institute for many years now as it seeks to promote the Christian faith in the UK. It is committed to upholding the truth of the Bible which it believes is inerrant and the supreme authority for all life. In recent years, its work has been in the news as it has actively campaigned for many issues which seek to undermine Christian liberty and freedom of speech. On 22nd May 2024 a TLM representative paid a visit to us jointly with another church, and provided an updated presentation on the work completed by this charity

# Ely Presbyterian Church (Reformed)

## Trustees' Annual Report *(continued)*

**Year ended 31 March 2025**

---

### **Operation Christmas Child**

The mission of Operation Christmas Child is to show God's love in a tangible way to children in need around the world and, together with the local church worldwide, to share the Good News of Jesus Christ. Since 1990, more than 200 million children in over 160 countries have experienced God's love through the power of simple shoebox gifts from Operation Christmas Child. In 2024 we donated shoeboxes for deprived children through the "pack a shoebox online scheme".

### **Care Sri Lanka**

We have also continued to support Care Sri Lanka. Care Sri Lanka (CSL) was established as a charitable trust in November 2010 with the following charitable purposes: 1. To advance education, 2. To relieve sickness and financial hardship. 3. To promote and preserve good health.

### **Herbie's Hut**

Since January 2023 we have supported a local charity called "Herbie's Hut" which is situated in Cardiff West, on the site of Herbert Thompson Primary School. Herbie's Hut is a pay as you can shop that opened its doors in November 2021, and provides a range of quality fresh, frozen and tinned food, and hygiene and cleaning items to support the local community. Herbie's Hut also runs a weekly food club, working closely with other charities, including Fare Share and Family Action.

### **West African Reformed Mission**

The West African Reformed Mission (WARM) is a strategic ministry partnership of U.S. and West African Reformed Presbyterian Churches, supported by Mission to the World (MTW), the missionary agency of the Presbyterian Church in America. WARM's mission is to plant healthy churches and denominations for the advancement of the gospel of Jesus Christ throughout West Africa. We were given an in-person presentation by a representative of WARM on 11th September 2024.

### **Development of Christian Life**

The period 1st April 2023 to 31st March 2024 has seen progress in the life of the church. At the core of the church's commitment is a determination to declare the whole counsel of God as revealed in Holy Scripture, so as to enable as many people as possible to worship at our church and to become part of the Christian Community gathered at Ely Presbyterian Church.

During the course of the year, regular meetings of worship and teaching have been maintained on Sundays, as well as regular Bible studies and public prayer meetings throughout the year on Wednesday evenings. Numerous pastoral visits and phone calls have taken place.

Our services are publicised on a noticeboard outside the church building and online, and all are made welcome to attend and to join us for worship and fellowship.

The church has continued its emphasis on outreach into the community. Throughout the year we have run regular outreach events, including free BBQ's, community meals, mince pies, children's activities etc.

In December 2024 we went door-to-door in the local streets, meeting and greeting residents, and distributing leaflets in order to raise awareness of our church, our Youth Group, Sunday School, and also to welcome visitors to our annual Carol Service.

We are increasingly becoming known as a vibrant community hub; we have been blessed by an

---

# **Ely Presbyterian Church (Reformed)**

## **Trustees' Annual Report** *(continued)*

### **Year ended 31 March 2025**

---

unprecedented number of local residents joining us on-site, and lasting relationships have been formed.

A local Allotment Association was able to use our venue to hold their Annual General Meeting.

We have continued to run a Friday evening Youth Group consisting of a Bible presentation, games and a free tuck-shop. The Youth Group has been successful, attracting youths from within the community of faith as well as from the surrounding estate. Both the Youth Group and the Sunday School continue to attract children from churches and also children from the local community.

A men's book club meets twice a month and is attended by men from our church, and from other contexts. There is also a ladies book club which meets twice monthly and is attended by women from various churches. The study of particular books to help in understanding how to live as Christian men and women in today's society continues to be a central feature of these meetings.

There is also a men's meeting organised in collaboration with other churches; this meeting facilitates closer fellowship through social interaction in an informal and relaxed atmosphere, with occasional addresses from the Bible. The intention is also to invite friends and neighbours to share in these occasions.

The Eldership of our church have been attending regular Presbytery meetings at different locations across the UK, and, as a body of churches, we have been sending many of our children to an annual summer camp.

During the year, a programme of pastoral visitation and counselling was undertaken particularly by the minister, assisted by the elders of the Church, to help and encourage the Church Community.

One of our elders has continued prison visitation during the year, meeting prisoners and holding services in the Prison Chapel.

### **Land Acquisition**

On the 4th March 2025, the following transactions were successfully completed:

- The Asset Transfer Agreement from the unincorporated charity to the CIO;
- The Deed of Assignment of the lease from the unincorporated charity to the CIO;
- The purchase of the freehold interest in the church land; and
- The purchase of the land adjoining the church.

The purchase of land adjoining the church property presents exciting opportunities for the church's work as a community hub going forward.

### **Church School**

It was with sadness that we took the decision to close Our Church School in July 2024; the decision was taken based on the fact that depleted staff resources meant that it was not viable to continue with this work. We thank God for sustaining the Church School for almost half a century.

The availability of the Church building to the church represents a significant resource for the diversification of church activities and witness in the community.

# Ely Presbyterian Church (Reformed)

## Trustees' Annual Report *(continued)*

**Year ended 31 March 2025**

---

### **Financial review**

#### **Going concern**

The main risks to which the Charity is exposed, as identified by the Trustees, in the areas of operations, safeguarding, and regulatory compliance are regularly reviewed. Procedures are in place to mitigate those risks which are considered appropriate and effective.

Ely Presbyterian Church receives funds entirely from freewill offerings, mainly by people associated with the church. An offering is taken up in the weekly services, and many other donations are given separately, mainly by bank transfer. Encouragement is given to use the gift aid scheme. An announcement regarding giving is made every month.

An additional periodic voluntary freewill offering opportunity is a long-held tradition. There are no public appeals for funds. No professional fundraisers are employed.

All funds collected for other charities are passed on to the charities and people described, and none of this money is used to defray any expenses of the church.

The Church held its 2024/25 business meeting in June 2025, when the budget proposed for the year was presented.

Having considered budget and cash flow projections for the next twelve months, the Trustees are confident that the Church will continue to meet its liabilities as they fall due for the foreseeable future and consider that there are no material uncertainties in relation to the Trust's ability to continue as a going concern. It is therefore considered appropriate by the trustees to prepare the financial statements on a going concern basis. The accounts comply with the current statutory requirements and the charity's governing documents.

Total incoming resources for the year of £144,201 (2024 - £154,101) consist of donations received of £117,588 (2024 - £127,311) associated tax refunds of £24,662 (2024 - £22,764) and other income/interest of £1,951 (2024 - £4,026).

A significant proportion of the total expenditure of £171,150 (2024 - £190,838) relates to salaries and school costs.

Expenditure exceeded incoming resources by £26,949 (2024 - £36,737).

There are no revaluation surpluses or deficits in the year (2024 - £nil).

#### **Reserves policy**

The Elders have examined the level of reserves held at the year-end with a view to providing resilience to any potential risks which could face the charity. A policy has been established to maintain free reserves equivalent to 6 months operating costs. This is estimated to be approximately £82,500.

The free reserves of a charity represent the funds that are freely available to spend. In calculating the free reserves the Elders have deducted from the total of unrestricted funds any funds designated at the year end and the net book value of any tangible fixed assets as detailed in the accounts.

This leaves a surplus of free reserves at 31st March 2025 of £155,253 which exceeds the target set by the Elders by £72,753. The policy is reviewed by the Trustees on an ongoing basis.

The budget proposed for the year has been made possible by the generosity of giving in the Church.

## **Independent Examiner's Report to the Trustees of Ely Presbyterian Church (Reformed)**

**Year ended 31 March 2025**

---

I report to the trustees on my examination of the financial statements of Ely Presbyterian Church (Reformed) ('the charity') for the year ended 31 March 2025.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 March 2025

---

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Archer Road, Ely, Cardiff, CF5 4FR, Wales.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

The Trustees have considered the consequences of events and conditions relating to the Church, and they have determined that they do not create a material uncertainty that casts significant doubt upon the entity's ability to continue as a going concern.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Significant judgements - There are currently no key judgements that management has made in the process of applying the entity's accounting policies that have a significant effect on the amounts recognised in the financial statements.

Key sources of estimation uncertainty - There are currently no key assumptions or other sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

# Ely Presbyterian Church (Reformed)

## Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

---

### 3. Accounting policies *(continued)*

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

# Ely Presbyterian Church (Reformed)

## Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

---

### 3. Accounting policies *(continued)*

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 2% straight line
Fixtures and fittings	- 20% straight line

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

# Ely Presbyterian Church (Reformed)

## Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

---

### 3. Accounting policies *(continued)*

#### Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### Financial instruments

The Church only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which would be subsequently measured at the carrying value plus accrued interest less repayments.

#### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

### 4. Donations and legacies
