REPORT OF THE TRUSTEES

FHADS is established as a charitable incorporated organisation and is also registered as a charity with the Charity Commission.

The trustees of the charity, herein below present their annual report and financial statements.

Objects of the charity, principal activities and organisation.

The company was registered on the 19 July 2018.

The Aims of the Charity: -

(a) To relieve and promote the relief of people living with Dementia and Alzheimer's disease, their families and carers particularly, in Herefordshire through the provision of funds for services/activities/projects in such ways as the trustees think fit.

The Public Benefits of the Charity

(a) Providing opportunities for people living with Dementia and Alzheimer's disease in Herefordshire to receive/benefit from the funding of services/activities/projects.

The trustees believe the public benefit requirement stipulated by the Charities Act 2011 is therefore satisfied.

Organisational structure

The trustees meet at quarterly meetings organised by Wayne Barton, increasing to monthly, in the run up to the annual fund raising event to manage the affairs of the charity with routine matters being dealt with by two or more trustees as the need arises.

The charity has no employees.

The charity employs a qualified accountant to review and submit the annual accounts.

Charity Trustee Selection Methods

The trustees are committed to recruiting and selecting trustees who have the skills and commitment to carry out its charitable aims. The charity considers itself to be fortunate to have fully committed trustees on the Board.

Activities during the year

Once again this year, we held our annual golf team fundraising event in September.

Partnership Working

Representatives of the charity have been involved with local projects, such as Leominster Meeting Centre, a support group in Ross-on-Wye and St Michaels Hospice which positively affect local people in the community.

In the remainder of 2021 we are hoping to develop links with new organisations and Hereford Hospital further now that the new Dementias ward(s) are ready to open.

Financial Review

The charity benefitted from a one-off donation during the year from Cadbury.

Reserves Policy

The trustees consider the reserves sufficient for the needs of the Charity in the foreseeable future.

The trustees recognise that the reserves level needs to be distributed and are actively promoting the charities objectives by means of word of mouth/social media platforms.

Risk Management

The trustees actively review business and operational risks. They believe that regular reviews of the controls of financial systems, and regular reviews of operational activities, will enable the charity to continue to exist

Trustees responsibilities in relation to the financial statements

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether the accounting policies are in accordance with company legislation and regulation and with applicable accounting standards and statements of recommended practice, any material departures are disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the relevant rules and legislation governing charities. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 30 January 2022, and signed on their behalf by:
