## TRUSTEES' REPORT (continued)

for the year ended 31 March 2022

---

### Structure, governance and management

The members, who are the trustees, are also the directors of the Charity. The Charity's governing document is in the form of a Memorandum and Articles of Association dated 23 January 2018.

The overall strategic direction of the Charity is determined by the trustees. The trustees are responsible for planning and policymaking and, accordingly, all key decisions are referred to and taken by the board of trustees, which met three times during the financial year.

There was one formal committee reporting to every meeting of the board of trustees, the Grant Advisory Committee, which was chaired during the year by Nick Sladden. The Committee enabled the trustees to consider grant applications for funding. After the end of the financial year the trustees decided to consider all grant applications at their board meetings thereby removing the requirement for a Grant Advisory Committee in the future. The grant making policy was updated to reflect this change.

The minimum number of trustees is three and there is no maximum. Trustees must be an LLP member, consultant or employee of one or more entities in the RSM Group, which is the UK group of companies and limited liability partnerships trading as RSM, being RSM UK Holdings Limited (a private limited company registered at Companies House with registration number: 05924823) and any company or limited liability partnership in which it holds shares or has any other form of direct or indirect proprietary interest.

Any retiring trustee is eligible for re-election for consecutive periods not exceeding in aggregate nine years from the date of their original appointment. Thereafter a trustee is ineligible for re-appointment until one year after their retirement. New trustees are subject to approval by RSM UK Holdings Limited.

Trustees are recruited from RSM and, as such, are experienced in working within a professional services firm. The Charity ensures that any new trustees are acquainted with the Charity's governing document as well as being provided with the latest version of the Charity Commission's publication 'The Essential Trustee: What you need to know, what you need to do' and the OSCR publication 'Guidance and Good Practice for Charity Trustees'. As well as the formal training received by trustees in their external roles at RSM, they are encouraged to familiarise themselves with the other resources for charity trustees provided by the Charity Commission, OSCR and other sources. When it is relevant to decisions that must be made by the board, all trustees are provided with appropriate briefings from the Charity's legal advisors. The board of trustees also receives professional support by RSM's charities sector group.

The trustees have adopted the Charity Governance Code and are committed to following its principles as an indicator of best practice. A full review of the Charity's application of the Code has been undertaken and is kept under review to ensure its principles are being applied and to identify areas of ongoing focus.

The trustees maintain a formally-approved conflicts of interest policy. They are mindful that, as charity trustees, they have a legal obligation to act in the best interests of the Charity to ensure that the Charity's affairs are not affected by private interests or by any competing duties of loyalty owed to others. The aim of the policy is to ensure that where a conflict of interest or duty of loyalty arises, or might arise, such situations are dealt with openly and constructively and in the best interests of the Charity. Under the policy, all trustees, and any person who carries out functions for the Charity, are required to complete a declaration of interests form on appointment, disclosing details of employment, other trusteeships, directorships and roles, and those of their close family members. Trustees and others are required to update their form as and when changes occur and confirm their declaration is up to date annually. Additionally, at any meeting at which an agenda item is proposed in which a trustee has a potential conflict, that conflict is declared and recorded at the start of the meeting.

# RSM UK Foundation

## TRUSTEES' REPORT (continued)

for the year ended 31 March 2022

---

### Structure, governance and management (continued)

The conflicts of interest policy provides a clear procedure for managing any conflict arising, including withdrawal of the trustee from the meeting for the relevant item, not being counted in the quorum for that part of the meeting and the trustee concerned having no vote on the matter and remaining absent during the vote.

As a charitable company limited by guarantee, every member undertakes to contribute a sum not exceeding £1 to contribute to the assets of the Charity in the event of it being wound up while they are a member or within one year after they cease to be a member.

### Our objectives and activities

The objectives of the Charity are, for the benefit of the public, to advance such exclusively charitable purposes in any part of the world as the trustees may decide from time to time.

The trustees have approved a grant making policy for the Charity, which has historically focussed on four charitable organisations being The Duke of Edinburgh's Award, Anthony Nolan, Trees for Cities and Leadership Through Sport and (together, the "core charities"). The Charity will also make grants to other organisations which are not clients of the RSM Group as well as to those which are. During the financial year grants were made to nine (2021: six) registered charities in addition to the core charities. The trustees have the discretion to make grants without influence from the RSM Group (save that the trustees will adhere to any reasonable conditions on funding received from the RSM Group). Although the trustees will not normally support grants towards individuals, they may do so in exceptional circumstances and at their sole discretion.

The grant making policy is regularly reviewed to ensure that the Charity's objectives are met and in line with the Charity Commission's guidance on public benefit. The latest review was undertaken on 8 June 2022. As a result of this review, the number of core charities was increased from four to five with the addition of European Disabled Golf Association (EDGA). The review also confirmed future multi-year partnerships for The Duke of Edinburgh's Award and Leadership Through Sport and Business although the partnership with Trees for Cities will conclude at the end of the financial year to 31 March 2023. A search is currently underway for a new core charity to support the trustees' intention to partner with a charitable organisation that promotes environmental issues. An assessment of the other core charities will conclude the review in 2022 and the core charities will be reviewed again in 2025. The grant making policy is available from the Charity's website at [www.rsmukfoundation.com](http://www.rsmukfoundation.com).

Ultimately, the trustees are keen to support activities that advance the Charity's objects in an effective way yet recognise that a limited amount of funds is available to distribute each year.

### Achievements and performance

The Charity did not employ any staff during the year, because its aims were achieved through grant making. The only volunteers of the Charity were the trustees who provided oversight of grant making including liaising with the core charities. During the year the core charities benefited from funding of £478,718 (2021: £457,061).

During the year ended 31 March 2022, the Charity made donations of £239,178 (2021: £222,061) to Anthony Nolan. These donations funded two key areas for the charity, the transplant courier programme and grants to families affected by stem cell transplants. Thanks to the Charity's support Anthony Nolan was able to keep lifesaving stem cell transplants moving throughout the pandemic with 1,166 trips being completed in the financial year. Donations from the Charity also funded 294 grants to people affected by stem cell transplant, a lifeline for many patients who found themselves unable to work due to shielding and safeguarding measures. The Foundation was also pleased to support Anthony Nolan's BBC Lifeline Appeal with a £20,000 match-funding donation. This nationwide broadcast helped raise both funds and awareness for the charity.

# RSM UK Foundation

## TRUSTEES' REPORT (continued)

for the year ended 31 March 2022

---

### **Achievements and performance (continued)**

The Foundation continued its three-year Strategic Partner relationship with The Duke of Edinburgh's Award (DofE) and was proud to help in the design and development of its new strategy - Do It For Youth. During the 12-month period our partnership helped 20,000 young people across the UK, from all backgrounds and circumstances, to discover their potential. The Do It For Youth strategy will enable more marginalised young people to complete their DofE giving them skills and self-belief that will last a lifetime.

Our partnership with Leadership Through Sport and Business (LTSB) continued with a contribution of £20,000. This money enabled the charity's youth engagement team to attract young people from disadvantaged backgrounds to its programmes and supported 52 young people onto life-changing employability skills workshops and into their apprenticeships. By combining sport and business, young adults have been able to fulfil their potential and enjoy the benefits of employment.

During the year the Charity made a donation to Trees for Cities of £15,000. Trees for Cities is the only UK charity working at a national and international level to improve lives by planting trees in cities. Trees for Cities works with local communities to cultivate lasting change in their neighbourhoods by revitalising forgotten spaces, creating healthier environments and getting people excited about growing, foraging and eating healthy food.

We have also chosen EDGA to become a strategic partner during this period, building on a less-formal relationship we have had with the charitable organisation for many years. Working together over the 12 months we have enabled 99 individuals with a disability to have their first experience of golf and supported 16 of the world's best golfers with a disability to compete in high profile events.

During the year the Charity made a donation of £10,000 to the PTI (formerly the Prince's Teaching Institute). The PTI support teachers at all stages of their career to develop their specialist subject knowledge and their teaching strategies. The PTI believe that all children, regardless of their background or ability, are entitled to a rich education delivered by passionate and knowledgeable teachers. The donation from the Charity enabled the PTI to expand their reach to more schools and more children. Since the start of the pandemic the PTI has supported more than 6,600 teachers, with over 300 courses which reaches more than 500,000 pupils.

A significant development for the Charity during the year was establishing a partnership with UNICEF UK in response to escalating international humanitarian crises. Initially, the Charity took part in the VaccinAid programme, donating close to £55,000 through its match-funding initiative to help in the organisation's aim to vaccinate the world against COVID 19. Then in 2022, the Charity supported UNICEF UK's humanitarian campaign in Ukraine, donating over £115,000 through its match-funding initiative. This money enabled the charity to set up Blue Dot centres for displaced people on key evacuation routes across six countries. Each centre provided health and support services for up to 5,000 children and their mothers and ensured a safe space for separated and orphaned children.

### **Financial review**

During the year the Charity was dependent on donations, the largest being from RSM totalling £357,033 (2021: £527,877). When permitted, donation income was supplemented by the Charity being able to claim Gift Aid from HM Revenue and Customs.

A total of £724,465 (2021: £536,271) was distributed to charities during the year.

#### *Reserves policy*

The part of unrestricted funds that is freely available to spend on any of a charity's purposes is defined as 'reserves' and excludes amounts designated for essential future spending, restricted income funds, endowment funds and tangible fixed assets.

# RSM UK Foundation

## TRUSTEES' REPORT (continued)

for the year ended 31 March 2022

---

### **Financial review (continued)**

The Charity has a simple structure and uncomplicated activities. Its reserves are primarily held to:

- provide funding to beneficiaries including inter alia for unforeseen emergency, e.g. funding that may be required for an urgent need;
- meet planned operational costs; and
- reflect the minimal risk of an unplanned closure associated with the Charity's business model.

Periodically the Charity also maintains a designated fund to provide match funding to other charities following fundraising activities undertaken by employees of RSM.

Given these requirements the trustees consider the target for unrestricted reserves, after any designations, should be approximately £50,000. At 31 March 2022 the Charity had reserves of £72,434 (2021: £407,688). Reserves at 31 March 2021 exceeded the target for unrestricted reserves by virtue of a short-term timing difference between receiving funding from RSM and Gift Aid receivable before the distribution of those funds to the Charity's beneficiaries. Having taken account of any future committed expenditure, the Charity was in line with its target for unrestricted reserves for most of the year to 31 March 2022. The reserves policy of the Charity is reviewed annually by the trustees and was originally developed by the trustees having due regard to CC19 Charity reserves: building resilience published on 1 January 2016 by Charity Commission for England and Wales.

#### *Investment policy*

With minimal levels of funds available for investment, the potential for worthwhile investment returns continued to be unlikely to be cost-effective without taking undue risks such as loss of capital or market value volatility. Therefore, the trustees have determined that any surplus funds should be placed in interest bearing cash deposits with the Charity's bankers.

This arrangement is also deemed to be the best basis for managing liquidity risk. Counterparty risk is also minimised by using the Charity's bankers who are one of the United Kingdom's recognised leading financial institutions.

#### *Risk*

The trustees use a risk register to identify key risks that might impact on the Charity and to ensure steps are taken to mitigate those risks. The key risks identified during the year were potential conflicts of interest, dependency on limited income sources and reputation.

The trustees consider that appropriate arrangements are in place to mitigate these key risks as recorded on the register.

### **Funds held as custodian trustee on behalf of others**

During the year neither the Charity, nor its trustees, acted as custodian trustees on behalf of other charities.

### **Trustees' responsibilities in relation to the financial statements**

The trustees (who are also directors of RSM UK Foundation for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

# RSM UK Foundation

## TRUSTEES' REPORT (continued)

for the year ended 31 March 2022

---

### Trustees' responsibilities in relation to the financial statements (continued)

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities Statement of Recommended Practice (SORP);
- make reasonable and prudent judgements and estimates;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. They are also responsible for safeguarding the assets of the charitable company. This requires taking reasonable steps to prevent and detect fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Auditor

The auditor, Saffery Champness LLP, Chartered Accountants, has indicated its willingness to continue in office.

By order of the board of trustees

J R Taylor

# RSM UK Foundation

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RSM UK FOUNDATION

for the year ended 31 March 2022

---

### Opinion

We have audited the financial statements of RSM UK Foundation for the year ended 31 March 2022 which comprise the Statement of Financial Activities, Statement of Financial Position and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the charitable company's state of affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

# RSM UK Foundation

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RSM UK FOUNDATION (continued) for the year ended 31 March 2022

---

### **Other information (continued)**

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact.

We have nothing to report in this regard.

### **Other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Annual Report has been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on pages 5 and 6, the trustees (who are also directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative to do so.

# RSM UK Foundation

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RSM UK FOUNDATION (continued) for the year ended 31 March 2022

---

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditors under the Companies Act 2006 and under the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with regulations made under those Acts.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud are detailed below.

Identifying and assessing risks related to irregularities:

We assessed the susceptibility of the charitable company's financial statements to material misstatement and how fraud might occur, including through discussions with the trustees, discussions within our audit team planning meeting, updating our record of internal controls and ensuring these controls operated as intended. We evaluated possible incentives and opportunities for fraudulent manipulation of the financial statements. We identified laws and regulations that are of significance in the context of the charitable company by discussions with trustees and updating our understanding of the sector in which the charitable company operates.

Laws and regulations of direct significance in the context of the charitable company include The Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and guidance issued by the Charity Commission for England and Wales and the Office of the Scottish Charity Regulator.

Audit response to risks identified:

We considered the extent of compliance with these laws and regulations as part of our audit procedures on the related financial statement items including a review of financial statement disclosures. We reviewed the charitable company's records of breaches of laws and regulations, minutes of meetings and correspondence with relevant authorities to identify potential material misstatements arising. We discussed the charitable company's policies and procedures for compliance with laws and regulations with members of management responsible for compliance.

During the planning meeting with the audit team, the engagement partner drew attention to the key areas which might involve non-compliance with laws and regulations or fraud. We enquired of management whether they were aware of any instances of non-compliance with laws and regulations or knowledge of any actual, suspected or alleged fraud. We addressed the risk of fraud through management override of controls by testing the appropriateness of journal entries and identifying any significant transactions that were unusual or outside the normal course of business. We assessed whether judgements made in making accounting estimates gave rise to a possible indication of management bias. At the completion stage of the audit, the engagement partner's review included ensuring that the team had approached their work with appropriate professional scepticism and thus the capacity to identify non-compliance with laws and regulations and fraud.

# RSM UK Foundation

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RSM UK FOUNDATION (continued) for the year ended 31 March 2022

---

### **Auditor's responsibilities for the audit of the financial statements (continued)**

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members and trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## ACCOUNTING POLICIES

for the year ended 31 March 2022

---

### General information

RSM UK Foundation ("the Charity") is a private company limited by guarantee and is incorporated in England and Wales and is a public benefit entity.

The registered office address of the Charity is 6<sup>th</sup> Floor, 25 Farringdon Street, London, EC4A 4AB.

The principal activity of the Charity is disclosed in the Trustees' Report.

### Basis of accounting

These financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), the Charities SORP FRS 102, the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and under the historical cost convention.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest pound sterling.

### Reduced disclosures

In accordance with FRS 102, the Charity has taken advantage of the exemptions from the following disclosure requirement;

- Section 7 'Statement of Cash Flows' – Presentation of a Statement of Cash Flows and related notes and disclosures

### Consolidation

The financial statements of the Charity are consolidated in the financial statements of RSM UK Holdings Limited. The consolidated financial statements are available from the registered office, 6<sup>th</sup> Floor, 25 Farringdon Street, London, EC4A 4AB.

### Going concern

The trustees have reviewed the Charity's financial budget in detail and are of the opinion that there are no material uncertainties. The ongoing impact of the coronavirus pandemic, and the government advice provided, continues to be monitored by the trustees to ensure delivery is maintained during these uncertain times and the Charity has adequate resources to continue as a going concern for the foreseeable future.

Accordingly, the financial statements have been prepared on a going concern basis. In addition, RSM UK Holdings Limited, the ultimate parent undertaking, has committed to provide ongoing financial support.

### Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

The Charity only has basic financial assets and financial liabilities and does not enter into financing transactions. They are measured initially at transaction price and subsequently at amortised cost, being transaction price less amounts settled and any impairment losses.

### Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The trustees do not consider that there are any key areas of judgement or critical accounting estimates.

# RSM UK Foundation

## ACCOUNTING POLICIES (continued)

for the year ended 31 March 2022

---

### **Donation income**

General donations, donations from fundraising events, corporate and philanthropy income and direct marketing income are recognised in full in the Statement of Financial Activities when entitled, receipt is probable and when the amount can be quantified with reasonable accuracy. Income received in advance is deferred where appropriate. Gift Aid is recognised on an accruals basis being the date when the associated donation is receivable.

### **Expenditure**

Expenditure is recognised on an accruals basis.

Donations made are payments to third parties in the furtherance of the objectives of the charity. Donations are committed on an ad-hoc basis and are not subject to performance reviews.

Value Added Tax is included within expenditure where it is not recoverable.

Liabilities are recognised when there is a legal or constructive obligation committing the charity to the expenditure.

### **Funds**

#### *Unrestricted funds*

All funds are unrestricted and are available to the charity to further any of its charitable objectives.

### **Taxation**

As a registered charity, the Foundation benefits from tax exemptions available to registered charities. Consequently, it is not liable for income tax or corporation tax on income derived from its charitable activities.
