The Trustees present their annual report together with the financial statements of the charity for the year 1 January 2024 to 31 December 2024.

Objectives and Activities

The main activity in 2024 was to advance education for the public benefit by assisting Massey University in its education and research objectives. This was achieved by fundraising for gifts intended for student scholarships and academic research.

In carrying out the objectives of the charity, the trustees granted £25,000 (2023: £5,602) to the vet teaching hospital to support the clinical skills teaching laboratory at Massey University.

Public benefit

The Trustees have taken regard of the public benefit guidance provided by the Charities Commission. UK Friends of Massey had charitable purposes for the public benefit in the year ending 31st December 2024 because:

- i) They support the advancement of education in general and the activities of Massey University, a tertiary educational institution.
- ii) The benefits to the public are clear and include the education of students and the free dissemination of research results.
- iii) These benefits are related to the aims of UK Friends of Massey and include “advancing education for the public benefit by assisting Massey University in its education and research objectives.”
- iv) There are no obvious detriments or harms resulting from the activities of the educational institutions that UK Friends of Massey support, which activities include educating students, conducting research under rigorous and commonly accepted research protocols, and constructing facilities under the relevant local or national building and environmental codes.
- v) The ultimate beneficiaries (students who attend the educational institutions, staff who carry out academic research there) are appropriate to the aims of UK Friends of Massey.
- vi) The educational institutions that UK Friends of Massey support are open to all who meet their academic standards, regardless of the student's country of origin, religion, ethnicity, or gender.
- vii) The educational institutions that UK Friends of Massey support offer significant support to people in poverty who meet their academic standards, including scholarships based on need which in addition to loans and direct governmental grants give people in poverty the opportunity to attend as students, furthermore their research results are normally available to be perused by, or applied for the benefit of, members of the public regardless of socioeconomic status, and they offer public lectures on a regular basis at no charge.
- viii) Any private benefits that might accrue are incidental.

Achievements and Performance

Review of activities

Total capital raised in 2024 was £25,800 (2023: £1,700). The principal funding sources came from bequests and gifts from alumni and friends of the Massey University. The trustees intend to continue to encourage gifts and bequests from alumni and UK Friends of the Massey University by means of personal approaches, general communications, and special events.

Financial Review

Position at the end of the reporting period

The financial position of UK Friends at the end of the reporting period of Massey showed a balance of funds as at 31 December 2024 of £2,986 (2024: £2,238). This position was maintained regarding trustee's 'reserves policy' discussed below.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Trustees continue to adopt the going concern basis in preparing the financial statements with further details found in the Accounting Policies.

Reserves policy

The trustees consider that the objectives of the charity are best met by keeping reserves as low as possible by maximising grants to the Massey University Foundation. In addition, trustees consider the size of any gifts, their purpose, and any forthcoming expenses. Consequently, a formal reserving policy is not currently required at this time.

Structure, Governance and Management

Constitution

The charity was incorporated on 31 July 2018. The principal object of the charity is to advance education for the public benefit by assisting Massey University in its education and research objectives.

Trustee's Responsibilities Statement

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity and of the incoming donations and application of these resources by the charity for the period. - select suitable accounting policies and then apply them consistently.
- observe the methods and principles in the Charities SORP.
- make judgments and accounting estimates that are reasonable and prudent.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Method of appointment or election of Trustees

(1) Apart from the first charity trustees (who are appointed for four years), every trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

(2) In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Organizational structure and decision making

The trustees oversee the management of the charity. Day to day operations are undertaken by Massey University Foundation.

The trustees who served in the year and subsequently are set out in the legal and administrative information section at the front of this report.

Administration and governance costs

All fundraising, administration and governance costs are met by Massey University.

Trustee's Responsibilities Statement

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity and of the incoming donations and application of these resources by the charity for the period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees, on 8 July 2020 and signed on their behalf by:
