The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and aims

The object of the charity is to boost community education and general information by promoting the Welsh language.

AMBITION

The Welsh language becoming a central part of life in the Vale of Glamorgan.

MISSION STATEMENT

To promote and expand the social use of the Welsh language in the Vale of Glamorgan.

Menter iaith Bro Morgannwg supports the Welsh Government's vision of one million Welsh speakers by 2050 and the Vale of Glamorgan Council's strategy of increasing the number of speakers.

Our work supports the Well-being of Future Generations (Wales) Act 2015 in creating a Wales that we all want to live in, now and in the future. Central to our ambition is to see the Vale of Glamorgan as a place of vibrant culture in which the Welsh language thrives together with a society that promotes and protects our culture, heritage and language.

Each one of us, as partners, funders, stakeholders, volunteers and citizens of the Vale, has an important contribution to make in achieving this.

We continue to monitor and scrutinise progress by collecting and reviewing data regularly on the numbers attending/participating in activities under Menter iaith Bro Morgannwg's administration.

Public benefit

The trustees have had due regard to the Charity Commissions guidance on public benefit.

The entire work of Menter iaith Bro Morgannwg is designed for the benefit of the public. The principal object is to promote the use of the Welsh language in the Vale of Glamorgan. This is done by arranging and promoting activities and events which are open to the public. The activities and events provide an opportunity for people of all ages to socialise and enjoy themselves in a friendly environment, whilst increasing the use of the Welsh language. The service is widely publicised and new people encouraged to take part. There is an increasing demand for the provision from the public in all parts of the county.

Some of the activities are free and when there is a need to charge the costs are kept as low as possible to encourage community engagement.

Volunteers

OBJECTIVES AND ACTIVITIES

Charitable activities

Menter iaith Bro Morgannwg provides a wide range of services through the medium of Welsh across The Vale of Glamorgan. An outline of the work can be seen on Menter iaith Bro Morgannwg's website www.menterbromorgannwg.cymru

Last year, despite the COVID-19 pandemic, Menter iaith Bro Morgannwg staff innovated and successfully provided some services online whilst trying to run some services face to face, and continued to find new ways to develop and deliver opportunities for people right across the county.

We succeeded in receiving funding from The Vale of Glamorgan Council through the Framework agreement. We also received funding towards our services from the Welsh Government and the Arts Council of Wales..

The Pandemic caused particular problems for activities such as our annual Festival. In 2021 we innovated to develop a festival that was broadcast online through the AM platform. This consisted of 5 pre-recorded bands at Barry Yacht Club and contributions from many local schools and groups that was broadcasted online.

Our core service had to change significantly during the year, with most activities being delivered digitally. This new approach drew in excellent attendance numbers as we diversified our programme of opportunities and were able to deliver to new audiences and offer support packages of digital workshops for local schools.

A critical element for us was to ensure that people of all ages had opportunities to use their Welsh on a social level, outside the classroom/work, as well as a chance to develop new skills, meet new people and enjoy new experiences.

Again this year, the partnership between Menter iaith Bro Morgannwg and the Sports Department of Urdd Gobaith Cymru continued.

FINANCIAL REVIEW

Financial position

The charity had income for the year of £124,975 and expenditure of £97,182 which resulted in a net income position of £27,793.

At 31 March 2022, there was cash at bank of £38,033 and net assets of £49,326. The main creditor was Menter Caerdydd, who will continue to support Menter iaith Bro Morgannwg.

Principal funding sources

Menter iaith Bro Morgannwg is grateful to the Welsh Government, The Vale of Glamorgan Council and other sponsors for their continued financial support to Menter iaith Bro Morgannwg's activities. Details can be seen in the notes to the accounts.

Reserves policy

The trustees have considered the needs of the charity for financial reserves in accordance with the guidelines given by the Charity Commission and have adopted the following policies:

The need for a reserve funds is:

1. a) To have money to earmark for special projects in order to develop them or realise them before funding is received and/or due to a funding lag at the beginning of a new financial year;
- b) To ensure that money is available for administration and support costs which enable the charity to operate especially during periods of uncertainty e.g. COVID-19 pandemic that has an enormous impact on the income generation opportunity of the charity, as well as additional pressures on future grants. This reserve level also takes into account periods at the beginning of a new financial year.

The current policy of the trustees is the financial reserve should equate to £18,000 to £25,000.

Currently the charity has £48,851 free reserves, which is higher than in previous years as a result of the financial support that has been available throughout the pandemic, the trustees feel it is prudent to hold reserves at a higher level than normal due to the economic uncertainty prevalent at the current time.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

FUTURE PLANS

The COVID-19 pandemic has dominated our lives since March 2020 and we were forced to make the unprecedented decision to change the way we delivered our offers and services. However, we have made significant strides during the years to move towards a more traditional delivery. However, some online provision will remain as it has been well received by many.

The Board and staff at Menter iaith Bro Morgannwg have worked tirelessly throughout, collaborating with colleagues from other organisations across Wales to ensure that Welsh language social opportunities have continued to be delivered and enjoyed. We will continue to develop the engagement provision for older learners through the newly acquired funding from the Heritage Lottery.

Menter iaith Bro Morgannwg is committed to ensuring that our work continues to reflect the needs of the diverse Welsh communities right across The Vale especially as we emerge from the pandemic. We will need to continue to challenge areas of expenditure in order to drive down costs as well as looking for new sources of income.

We have been realistic in recognising that we face a challenging economic period going forward, but by continuing to innovate, working collaboratively with partners from the third sector, the public sector and the private sector we are confident that we can continue to fulfil the objectives in our Corporate Plan (2019-22) and that our services have a positive impact on the Welsh language in The Vale of Glamorgan, including:

- Creating opportunities to use Welsh in our communities
- Increasing awareness and improving attitudes towards the Welsh language
- Increasing confidence to use the Welsh language socially
- Developing employment and training opportunities for young people and adults through the medium of Welsh
- Organising a festival to celebrate the Welsh language and culture
- Ensuring that Menter Bro Morgannwg has an effective digital platform
- Working in partnership with various bodies and organisations

By concentrating on these main priorities Menter iaith Bro Morgannwg will play a key role in the work of promoting the Welsh language in The Vale and will support the delivery and signposting of the main strategic priorities of the Welsh Government of reaching a million Welsh speakers by 2050, and The Vale of Glamorgan Council's strategy of increasing the number of Welsh speaker by 2022.

Moving forwards, much of our face to face offers have begun to return, although some of our digital offers continue to be delivered and enjoyed due to their popularity and keenness of some of our audience to remain online. We will adapt our offers online with the needs of our customers to ensure that there are opportunities for all that want to engage with our work to continue.

1. STATUTORY INFORMATION

Menter iaith Bro Morgannwg is a registered charity and private company limited by guarantee, with no share capital. It is incorporated in Wales in the United Kingdom. The registered office is Yr Hen Lyfrgell, Trinity Street, Cardiff, Wales, CF10 1BH.

The financial statements are presented in Sterling (£), the charity's functional currency, and rounded to the nearest pound.

The principal activities and nature of the charity's operations is to create opportunities for Welsh speakers to use the language by supporting the present Welsh language activities and to encourage and promote a community ownership of the Welsh language.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 S1A Update Bulletin 1) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

There have been no material departures from the standard.

Preparation of the accounts on a going concern basis

The financial statements have been prepared on a going concern basis, with the charity having confirmation in place from many of its funders up to 31 March 2022. In addition, the Charity continues to raise funds from Trusts and individuals, enabling a range of support programmes. The trustees are confident that Menter iaith Bro Morgannwg will be able to tailor service provision in line with the funding available and will look to obtain additional funding from other sources. As a result the trustees consider it appropriate for the financial statements to be prepared on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations and legacies income

Donations and legacies income includes donations, gifts and grants that provide core funding or are of a general nature and is recognised where there is entitlement, probability of receipt and the amount can be measured with sufficient reliability. Such income is only deferred when the donor specifies it must be used in future accounting periods or the donor has imposed conditions which must be met before the charity has unconditional entitlement.

Income from charitable activities

Income from charitable activities includes income received under contract or where entitlement to grant funding is subject to specific performance conditions. This income is recognised as the related services are provided and there is entitlement, probability of receipt and the amount can be measured with sufficient reliability. Income is deferred when the amounts received are in advance of the performance of the service or event to which they relate.

2. ACCOUNTING POLICIES - continued

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Expenditure includes any VAT which can not be fully recovered and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs that, whilst necessary to deliver an activity, do not themselves produce or constitute the output of the charitable activity. This includes governance costs which are those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity as well as a proportion of salaries based on an approximation of time spent in this area.

Tangible fixed assets

Fixed assets are capitalised at cost.

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful life of that asset as follows:

Computer equipment	- 25% straight line
--------------------	---------------------

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as a basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Debtors

Trade debtors and other debtors are recognised at the settlement amount due after any trade discounts offered. Prepayment are valued at the amount prepaid net of any trade discounts due.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.
