The trustees present their report with the financial statements of the charity for the year ended 31 August 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims for the public benefit**

To advance such charitable purposes (according to the law of England and Wales) as the charity trustees see fit from time to time concentrating on the assistance of underprivileged children and the promotion of amateur boxing. Particular objects are as follows but the objects of the organisation are not limited exclusively to the same.

(i) To advance in life and help young people through any of the following.

(a) The provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions of life.

(b) Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

(c) The promotion of community participation in healthy recreation by the provision of facilities for amateur boxing in particular but not exclusively encouraging the use of boxing and its training and techniques as a means of improving health and fitness and encouraging people to make healthy life choices.

(ii) To help young people, especially but not exclusively through leisure time activities, so as to develop their capabilities that they may grow to full maturity as individuals and members of society.

(iii) In particular to act as a resource for young people up to the age of 25 by providing advice and assistance and organising programmes of physical, educational and other activities as a means of promoting the following objectives.

(a) Advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals.

(b) Advancing education.

(c) Relieving unemployment.

(d) Providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

(e) Promoting the advancement of the physical education of young people (whether or not undergoing formal education) in the interests of social welfare and with the object of tackling juvenile delinquency.

(iv) To undertake like activities as set out above but not restricted by reason of youth in order to advance in life and help individuals who have need of such facilities by reason of age, infirmity or disablement, financial hardship or social and economic circumstances in the interests of social welfare and with the object of improving the condition of life of the said persons.

(v) To support veterans through boxing.

The trustees confirm they have reviewed the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy.

**Report of the Trustees  
for the Year Ended 31 August 2025**

**ACHIEVEMENTS AND PERFORMANCE**

**Charitable activities**

In 2019 the Trust launched an anti-knife/serious youth violence campaign across Greater Manchester. This linked 11 amateur boxing clubs across the region and is supported by the Mayor of Manchester, Andy Burnham. This project is still going strong in 2025.

In the current period the Trust has agreed to fund no separate projects across England in addition to the 138 up to 2025.

The Veterans Project - Operation Warrior which started in 2021 has now engaged with around 2200 ex service men and women. This project has taken place in 17 different amateur boxing clubs nationwide.

At the beginning of 2025, we launched a new national support initiative designed to strengthen community engagement across affiliated clubs. Through this programme, we committed to supporting 25 clubs across the country, with funding of approximately £2,500 allocated to each club over the forthcoming year. The initiative aims to encourage the development of innovative community focused projects, helping clubs to widen participation, engage with more diverse groups, and create more inclusive opportunities for people to access and benefit from the gym environment.

We also committed to supporting padel through the charity, recognising that the sport can present many of the same barriers to access and participation as boxing. As part of this commitment, we identified and began supporting a new ambassador who is helping to champion the project and deliver community based initiatives aimed at increasing accessibility, participation, and inclusion within the sport.

**Investment performance**

The trustees of the Maverick Stars Trust have agreed to incorporate an Environmental, Social and Governance (ESG) stance into the ongoing management of the trust's assets. Specifically, organisations directly involved in the following areas are to be excluded from all future investments undertaken by the trust: -

**i Labour supply & the supply chain**

- \* Child labour - no direct investment in a company that has a history of involvement in child labour related legal cases.
- \* Discrimination & workforce diversity - no direct investment into a company that has controversies relating to a firm's workforce diversity.

**ii Human Rights & the Community**

- \* Human rights concerns - no direct investment in a company that, as an example, has a history of involvement in human rights related legal cases, complicity in killings or physical abuse.
- \* Impact on local communities - no direct investment in a company that has a history of involvement in land use or development related legal cases impacting on communities.

**iii Animal Welfare**

- \* Non-medical testing - no direct investment in a company that conducts animal testing for non-pharmaceutical products.
- \* Licensed breeder - no direct investment in a company that is licensed to breed animals for use in laboratory testing.

**iv Governance**

- \* Bribery & fraud - no direct investment into a company that has a history of involvement in (but not limited to) instances of widespread bribery, tax evasion, insider trading.

The above criteria will be reviewed by the Trustees at least annually with any agreed changes to remain in place for the subsequent twelve-month period.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
