MOMARK CIO

CHAIR'S FOREWARD

2020 was challenging not only for the people we help to support, but also for the people and organisations in Wandsworth. Those who are there day in, day out working tirelessly to improve the mental health of Wandsworth.

Responding to these challenges, MoMark has taken a flexible approach with our delivery partners. We worked openly and transparently to agree project adjustments to ensure projects continued to support service users during the pandemic. In some cases, pandemic restrictions resulted in community projects being paused with a view to relaunching in 2021. In other projects, services and support moved online or by phone. MoMark also identified and worked with delivery partners, including the local Council, to utilise in-year underspends. We funded the purchase of iPads for use in Springfield Hospital, and provided funding to modernise a community kitchen.

Whilst the pandemic prevented a review of MoMark's first Mental health Community Fund which took place in 2019 (and delivered throughout 2020), the Board took the pragmatic view to, on an exceptional basis, continue to support a small number of projects from the 2019 funding round.

From an organisation's perspective, the delivery of our fully digital operational model enabled us to respond swiftly and smoothly to the challenges of the pandemic, having already moved our governance processes and ways of working online. The Board's decisions to lower the charity's investment risk profile also reduced our level of exposure to the worst of the financial effects of the pandemic.

For the year ahead, we will continue to support the NHS and community organisations. We will aim to commence the review of how our Mental Health Community Fund operates to identify improvements for future years. We also plan to launch the 2021 funding round and look for new opportunities to maximise our impact to improve mental health.

Cris Sowden
Chairman

MOMARK CIO

REPORT OF THE TRUSTEES

The Trustees present their statutory report with the financial statements of MOMARK CIO for the year ended 31 December 2020. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK published on 16 July 2014, as amended by bulletin 1 & 2.

The CIO was established on 21 August 2018 and began operation on 1 January 2019.

OBJECTIVES AND ACTIVITIES

The objects of the CIO are, for the public benefit, to advance the treatment and care of persons suffering from mental illness and to promote the mental health of patients and former patients of Springfield Hospital as well as residents of the area surrounding Springfield Hospital and residents of the London Borough of Wandsworth and surrounding areas in such ways as the charity trustees think fit, including but not limited to the provision of financial support, information, equipment, facilities and services.

ACHIEVEMENTS AND PERFORMANCE

1. Supporting Springfield Hospital Service users
 - Continued provision of social and entertainments grant and Alan Angus Fund (patients without recourse to public funds) - ongoing
 - Peer support ward visits and community support - ongoing
 - Gardening project - ongoing
2. Supporting the mental health of Wandsworth
 - Ongoing delivery of the MoMark Mental Health Community Fund

Financial Review of the year

Rental and investment income generated during the year was £117,583 (2019: £4,549,458) a significant decrease to 2019 as this included £4,391,248 transfer of assets on conversion to CIO. Total expenditure for the year was £130,983 (2019: £142,672). £49,255 (2019: £58,310) related to investment manager fees and costs of raising funds and £81,728 (2019: £84,362) related to charitable expenditure.

Unrealised gains and losses for the year totaled £89,785 (2019: £464,373). The deficit for the year before gains on investments was £13,400 (2019 : surplus £4,406,786).

Reserve Policy

The charity retains its investments and investment properties in order to provide income for the furtherance of its objects. The charity does have unrestricted reserves at the year-end; however, there are certain ongoing commitments which are paid from income generated by the investment portfolio.

MOMARK CIO

REPORT OF THE TRUSTEES

Investment Policy

Our investments are in three areas:

1. Shares, Bonds and Invested Cash. The board sought advice from Azet's Financial Planning Limited during the setup of the portfolio, which is split between two investment managers and adopts a low/medium risk strategy that also considers the ethics of the investments.
2. Property. We have one investment property under the management of Nightingale Chancellors. The property is let to tenants on a lease basis, generating rental income for the charity.
3. The charity has an account with Metro Bank. There is no interest earned on this account, unless it is known that invoices are pending.

Plans for Future Years

Supporting Springfield Hospital Service users

- Continued provision of social and entertainments funding and Alan Angus Fund (patients without recourse to public funds) - ongoing
- Peer support - ongoing

Supporting the mental health of Wandsworth

- Review of 2020 MoMark Mental Health Community Support Fund
- Continued support of 2020 (plus) projects
- Implementation of 2021 Community Fund

Going Concern and COVID-19

The Trustees have considered the impact of the Covid-19 pandemic, which has arisen post year end, on the charity's ability to continue as a going concern and provide grants to its beneficiaries.

The Trustees do not foresee any impact on the charity as a going concern and only minimal disruption to its ability to provide funding and grants delivery partners. The investments are low risk and whilst there has been a fall in the capital value post year end, in line with general trends in the investment market, they have been minimized and are not considered to be a permanent diminution in value.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Structure

MOMARK CIO is a Charitable Incorporated Organisation registered on 21 August 2018.

Governance

Responsibility for the management of the charity is vested in the Trustees shown on page 1. The Trustees meet regularly to carry out their leadership role throughout the year.

Conflict of Interest and Risk Management

The new Board have adopted a new policy and approach to risk management and conflict of interests, which are reviewed regularly. The Board also continue to take a robust approach to identifying and managing conflict of interests.

The Trustees who served during the year to date of were as follows:

Cris Sowden	(Chairman)
Elliot Napier	(Treasurer)
Greenie Cheng	
David Hopcroft	
Jonathan Mumford	
Susannah Seldon	

MOMARK CIO

REPORT OF THE TRUSTEES

Trustee Induction and Training

Trustees are appointed by an open recruitment process, during which time successful candidates are provided with guidance and information sources about their duties and responsibilities. The Chairman and trustees meet with new trustees to explain the work of the charity. In 2021, we intend to review what additional training may be beneficial to improve the operation of the charity and to further develop the trustees leadership of MoMark.

Each year all Trustees are asked to complete a "register of interests form".

On appointment new Trustees are issued with the following: a copy of MoMark's Constitution", the latest Annual Accounts, a copy of the "Review by the Trustees of the Key Risk and Controls" and the Charity Commission publication "The Essential Trustee".

Risk Management

The Board have implemented policies concerning conflict of interest, risk management and safeguarding and will continue to keep these under review throughout the course of the year.

Public Benefit Statement

The Trustees confirm that they have referred to the guidance as published by the Charity Commission on public benefit. All charitable activities, highlighted in this report are undertaken in furtherance of the stated charitable objects and for the public benefit.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner

On 7 September 2020 Group Audit Service Limited trading as Wilkins Kennedy Audit Services changed its name to Azets Audit Services Limited. The name they practice under is Azets Audit Services and accordingly they have signed their report in their new name.

This report was approved by the Trustees on19 March.....2021 and signed on their behalf by:

Cris Sowden
Chairman

MOMARK CIO

INDEPENDENT EXAMINER'S REPORT

I report on the financial statements of MOMARK CIO for the year ended 31 December 2020, which are set out on pages 8 to 14.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

MOMARK CIO

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

1. ACCOUNTING POLICIES

a) Basis of preparation

MOMARK CIO is governed under its Memorandum and Articles of Association. The address of the principal office is given in the information on page 2 of these financial statements. The nature of the charity's operations and principal activities are set out on page 4.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102), the Charities Act 2011, UK Generally Accepted Practice as it applies from 1 January 2015 and the Charity SORP (FRS102) Update Bulletin 1 & 2.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b) Income

All income is included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably, and it is probable that the income will be received.

Investment income is earned through holding assets for investment purposes such as shares. It includes dividends and interest. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

c) Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Raising funds are those costs incurred in attracting voluntary income.
- Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs allocated directly to such activities and those costs of an indirect nature necessary to support them.

d) Support cost allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

The analysis of these costs is included in note 5.

MOMARK CIO

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

e) **Investment properties**

Investment properties are stated at historic cost.

f) **Investments**

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SoFA if the shares are publicly traded or their fair value can otherwise be measured reliably.

g) **Tangible fixed assets**

All assets costing more than £1,000 have been capitalised and are depreciated on a straight line basis from the financial year after acquisition.

h) **Debtors and creditors receivable / payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

i) **Taxation**

The company is a registered charity and is therefore entitled to the exemptions from corporation tax afforded by section 505 of the Income and Corporation Taxes Act 1988. Accordingly, there is no corporation tax charge in these financial statements.

j) **Going Concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure are sufficient with the level of reserves for the charity to be able to continue as a going concern.

The Trustees have considered the impact of the Covid-19 pandemic which arose during the year. They do not consider it will have an effect on the charity's ability to continue as a going concern.

k) **Financial instruments**

Financial instruments Basic financial instruments are recognised at amortised cost, except for investments in nonconvertible preference and non-puttable ordinary shares which are measured at fair value, with changes recognised in profit or loss. Derivative financial instruments are initially recorded at cost and thereafter at fair value with changes recognised in profit or loss.

l) **Judgements and key sources of estimation uncertainty**

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

MOMARK CIO
