STRUCTURE, GOVERNANCE AND MANAGEMENT

Board of Trustees

The Board of Trustees sets our future aims and priorities focusing on strategic planning and governance and also evaluates our performance and progress in our work to alleviate poverty and suffering.

The Board of Trustees appraises the Senior Management Team and can make appointments to it as well as dismissals. The Board of Trustees also make sure that we satisfy the regulatory requirements on us as a charity and works with key stakeholders.

Recruiting and Appointing Trustees

All our trustees are volunteer, chosen because they all have the diverse range of skills, knowledge and experience that we need to respond to the challenges of today. Stakeholders and partners may nominate trustees and sometimes we will make a personal approach to potential candidates.

Governing document

Riaz ul Karam refers to the charitable incorporated organisation with a governing document known as CIO-Foundation by registration originally incorporated on 21 August 2018.

Responsibilities of Trustees

The annual report and financial statements are prepared according to the relevant law and approved by the trustees.

The trustees keep adequate accounting records and they show and explain our transactions. The records also disclose our financial position with reasonable accuracy at any time and enable trustees to ensure that the financial statements comply with Charity Commission Statement of Recommended Practice (SORP) 2015.

Grant Making Policies

We provide grants to projects if the request meets our charitable objectives and criteria. Project grant making is managed according to a designated process, which is documented in our Operational Risk-Management Framework. We aim to treat all grant applications professionally, equally and fairly. We make the final decision as to eligibility to receive a grant, at our discretion.

We develop strategic plans to make certain that we provide maximum public benefit and achieve our strategic objectives, which fall under purposes defined by the Charity Act 2006.

The charity's activities carried out in the year 2021

It gives me great pleasure to introduce the charity's Trustees' Annual Report, which sets out, for our supporters and the general public, what we have achieved in the past twelve months in particular.

Sadaqa:

Sadaqa is **charity given voluntarily in order to please God**. Sadaqa also describes a voluntary charitable act towards others, whether through generosity, love, compassion or faith. With the generous donations from our donors, we were able to be a helping hand to a lot of poverty ridden families by providing them aid and relief through: Water, Wheel Chairs, clothing and with cash where needed.

1. Hand Pumps:

790 million people lack access to clean drinking water. Millions are forced to drink dirty, unsafe water that poses a grave danger to their lives. Millions of women and children are forced to walk miles each day on dangerous terrain to fetch clean water. This leads to children not being able to have access to education and hugely affects the entire family. At Riaz ul Karam, our water projects are designed to quench the thirst of the poor and vulnerable communities by supporting them with clean access to water. With the water donation we get from our donors, we strive to promote health and safety with fresh water supplies and ease the daily lifestyles of the families that spend hours to fetch water miles away from their homes. The hand pumps produce clean water which is used by families for drinking, washing, cleaning and cooking. Thus, transforming the communities.

2. Wheel Chairs:

While there is an inexhaustible demand for good quality wheel chairs globally, we, with the help of our donors, try to provide as many needy people with wheel chairs to provide them with mobility in their routine lives. The donation we receive in terms of wheel chairs is effectively utilised for buying of good quality wheel chairs and then provide it to the especially abled people who are in dire need of it.

Mosque:

A mosque is at the centre of any Muslim community; for times of joy and sorrow, for prayer and repentance it cradles the community and holds them close to Allah (SWT). The mosque plays a vital role in bringing the community together and uplifting their spirits. In deprived communities, these communal centres, due to their limited resources are often non-existent, built from a temporary structure or, have no funds to continue their day-to-day operations. We help constructing mosques to allow Muslims to worship and flourish as well as to promote education and progress.

Zakat:

Zakat is a Powerful Pillar. Zakat, or almsgiving, is one of the five pillars of Islam, along with prayer, fasting, pilgrimage (Hajj), and belief in Allah (SWT) and His Messenger Prophet Muhammad (SAW). For every sane, adult Muslim who owns wealth over a certain amount—known as the nisab—he or she must pay 2.5% of that wealth as zakat. We, at Riaz ul Karam, believe Zakat can be used for sustainable, long-lasting change for families and communities. We carry out different projects against the funds we receive as Zakat.

Qurbani:

Each year, in the Islamic month of Zul-Hajj, Muslim celebrate Eid-ul-Adha by sacrificing halal animals (sheep, goat, cow and camel), commemorating the virtuous sacrifice of Prophet Ibrahim. Riaz ul Karam has been doing Qurbani on behalf of its donors since last year whereby the meat from the sacrificed animals is distributed to poor and needy communities worldwide.

Achievements and Performance

Throughout the year we managed to install 100 water hand pumps in water scarcity areas, which directly benefitted different communities and around 800 people beneficiaries were provided assistance.

Some of the people who were in need of cash support were also helped with cash amounts. The number of beneficiaries was around 100.

We also distributed 50 wheel chairs among the crippled individuals who happened to be poor and needy and could not afford a quality wheel chair.

As many as 14 mosques were helped in either construction or in day-to-day operations by the donations we received from our donors. This led to around 4,200 beneficiaries having accesses to a place of worship .

70 cows were sacrificed on the occasion of Eid-ul-adha and the meat was distributed between the people most needy of it. There were some of them who had meat for the first time in over a year. A total of 3,920 people and families benefitted from the Qurbani meat.

This was all possible with the support of our donors who contributed towards this cause.
