Review of the year:

It was a difficult year with covid 19 severely affecting what we could achieve. Income was made for our charity account by Donations from our local shopping mall. A members Raffle and the making and selling of masks within our Lions group all helped our charity Fund. We did manage a couple of socially distanced Santa experiences for local children at Christmas.

During this period, we were happy to be able to support:

LCI Youth Camp

LCI Lebanon disaster Fund.

The Sun rise academy cycle event

Donation to a local food bank

Helping Hands

Financial Review

We are hoping that in the coming year, we will be able to resume normal charity events and continue to raise money for needy causes. Our aim is as covid subsides to spend more of our charitable funds to help those who require funds from organisations such as us.
