How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation
Trustee selection methods (eg. appointed by, elected by)	Appointed by general committee at Annual General Meeting

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The charity is run as a general committee with powers delegated for operational requirements to a group of Directors of which a quorum of 3 is required for decision-making.

Trustees are closely involved with the running of the charity and as such are well aware of the impact and risks involved in planning expenditure.

No risks are taken where the outcome is not a relative certainty.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The provision of facilities for recreation, education and other leisure-time occupations for children primarily in Leyland and South Ribble area being facilities:- (a) of which such children have need by reason of their youth or social and economic circumstances, and (b) which will improve the conditions of life for such children by promoting their physical, mental and spiritual well-being.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity held no activities due to the ongoing impact of the Covid pandemic. It was felt that the risk of potential cancellation and associated costs would not be in the best interests of the CIO.

A number of zero cost 'keep warm' activities were carried out using social media to maintain the profile of the CIO for a return in 2022.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

To maintain the 'Playscheme spirit' among both volunteers and children a some virtual activities and recordings were posted by groups of volunteers on the CIO's social media platforms and these were warmly received.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity currently does not hold any reserves however, should a significant surplus arise then at the end of the financial year the surplus will be held in reserve for situations when all other funding opportunities have been exhausted.

Details of any funds materially in deficit

The charity have no liabilities.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Some small donations continued despite the pandemic but the majority of funding was not realised-the CIO's fixed costs are very low so this did not have a discernable impact on the financial position of the organisation.

There is some concern over the continued depreciation of fixed assets, particularly as these will now be in storage for 3 years. The committee have noted this and plan to review conditions earlier in preparation for the next scheme.

Small outgoings surrounding PO Box and storage costs
