Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Charitable Incorporated Organisation (Foundation model) Charitable objects. Amended 30th July 2019.
How the charity is constituted (eg. trust, association, company)	CIO foundation model whose only voting members are it's Trustees.
Trustee selection methods (eg. appointed by, elected by)	Interview and appointed by existing trustees.

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Policy adopted for the induction and training of Trustees. Trustees are briefed on the history of the charity and its objectives. They are made aware of their responsibilities and are provided with the Charity Commissioner's guidance on the responsibilities of a trustee. They are given a comprehensive health and safety briefing. The Trustees meet regularly every three months to manage its affairs. Extra meetings are called if a major policy decision is required before the next scheduled meeting. At present the day to day administration of the charity is undertaken by Dr Rowan Francis, Chairman of the Trustees, until a new general manager is appointed. The Trustees are assessing the major risks to which the charity is exposed and introducing systems and procedures to mitigate the risks identified.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the education of the public in all aspects of the development of Great Britain's industrial heritage through the provision and maintenance of a museum and by the preservation, maintenance and demonstration of its collections of steam powered engines from the beginning of the industrial revolution to the 21st century. The collections are to be preserved for long term public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In the exercise of its powers the trustees of the charity have paid due regard to the guidance issued by the Charity Commission on public benefit.

How the trust furthers its charitable aims.

The museum provides education for the public by providing the opportunity to examine the historical work of craftsmen and women who lived long ago and learn about their practices and skills.

The museum is open to the public every Wednesday and Sunday throughout the year.

Visitors are offered educational guided tours and entry is free.

The museum takes part in the annual Heritage Open Days in September, coordinated by the National Trust and includes a free full Steam Operating day for the general public who may not be able to afford the normal entry charge for a Steam Day.

We also offer a free steam day for our local primary school students and their teachers on a normal school week day.

The museum offers a number of other Public Steam Days throughout the year when all the engines in the collection can be experienced running under steam. A charge is made for Adults but Children are admitted free.

The museum is able to provide education, training and research opportunities to our local schools, colleges, University of Third Age, clubs and societies and other national and international organised groups by appointment.

We offer hands on training opportunities for apprentices working in the Heritage Engineering sector.

The museum has a 20 seat video room used to enhance the visitors experience and tell the story of the creation and development of the museum since 1970 and other documentaries about the development of steam power during the 250 years of the Industrial Revolution and its impact on the climate crisis the world is now experiencing.

The museum is able to reach out to a wider national and international audience through its website www.forncettsteammuseum.co.uk and through a dedicated link You Tube channel on the internet.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

As an entirely volunteer organisation the trust is immensely appreciative of the work done by our volunteers.

Both at trustee level, managing the governance of the trust but also the practical work undertaken by the other 26 volunteers striving to maintain, preserve and demonstrate our wonderful collections for the benefit of public education.

In the 2020 Share Museums East Award Scheme, two of our volunteers, Tony Tompkins and Jane Francis, received Silver Owl Awards for over 25 years volunteering service at the museum.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The charity continued its work on the two year process of gaining full Accreditation by the Arts Council, England.

This has included the re writing and updating twelve major policies with the help of a museum mentor from another charitable trust.

The trust undertook a major review of its “ Board governance health and procedures” under the guidance of a consultant funded by Share Museums East.

This resulted in the recruitment of two new trustees who have been able to bring a number of additional valuable skills to the trust board.

During the year the charity continued to give advice to Professor Milagrosa Gonzales at the University ESTII in Madrid on the restoration of an 1870 steam beam engine similar to one we have operating at Forncett.

The trust hosted a number of special all day educational events for both national and international societies including:-

The Workers Education Association.

The Deutsche Gesellschaft fur Eisenbahngeschichte during their week long educational tour of major engineering history museums in the UK.

The Norwich Engineering Society.

The Heritage Engineering Network.

The Chairman of the Trust was invited to deliver a number of educational talks to Rotary Clubs, Probus Clubs and Classic Vehicle clubs telling the story of the development of the museum at Forncett and the relevance of the history of the Industrial Revolution to some of the problems it has caused in our modern world like climate change.

As a result of the unexpected Covid 19 Crisis Lock Down the trust had to close its doors to public visitors on Friday 20th March 2020.

This will have a major impact on income generation for the following year 2020-2021.

The trust was granted a payment of £10.000 from the government grants to support museums in the Heritage sector.

The trust board started work in planning how to mitigate the ongoing effect of Covid closure and putting plans in to be able to welcome visitors back at the earliest opportunity.

Section E

Financial review

Brief statement of the charity's policy on reserves

The policy of the trustees is to maintain sufficient liquid reserves(£6000) to cover operational costs for a period of six months.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principle sources of funds are the admission charges for Steam Operating Days.

Donations made by visitors on free static days.

Specific fund raising appeals for special projects.

Retail, Hospitality and Leisure Grant Fund. South Norfolk District Council. £ 10,000.16th April 2020.

Trust Board skills and sustainability grant from Share Museums East. £1000.

Give details in this box of any material changes that have been made.

§ if no changes have been made to accounting policies then delete these words.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years (§§ except for the following).

Give details in this box of any material changes that have been made.

§§ if no changes have been made to accounts for previous periods then delete these words.

Note 2

Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none">the charity becomes entitled to the resources;the trustees are virtually certain they will receive the resources; andthe monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Note 15	Additional Disclosures
The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.	

The Forncett Industrial Steam Museum was founded in 1970 by Dr Rowan Francis and this personal collection was opened to the public on a regular basis.

In 2016 he decided the best way to secure the future of this fine collection was to seek charitable status and gift the entire collection with all its buildings and land on which it stood to the new Charitable Incorporated Organisation. He started an appeal fund and raised £35 000 to pay for all the costs of legal work and infrastructure developments that were needed to complete the transfer.

The Museum was granted CIO status on 29th August 2018.

As a result of the unexpected Covid 19 Crisis Lock Down the trust had to close its doors to public visitors on Friday 20th March 2020.
