Trustees' Annual Report for the Year Ended 31 March 2023

Reference and Administrative Details

Charity Name: The Bevington Trust

Charity Registration Number: 1179713

Principal Address:

c/o Bevington Primary School

Bevington Road

London

W10 5TW

Trustees During the Year

- Mr Einar Lindh
- Ms Isabel Jane Naidoo
- Ms Karen Matthews

To the best of our knowledge, the individuals listed above were registered as trustees during this period. There is no evidence that they were actively involved in the charity's operational or financial oversight during the year. This report is therefore based on limited records and reconstructed understanding of activity that took place.

Structure, Governance and Management

The Bevington Trust is a Charitable Incorporated Organisation (CIO), governed by a constitution adopted on 29 August 2018.

During the reporting year, no formal trustee meetings were held and no documented decisions were recorded. The charity functioned without active governance, and there is no evidence of minutes, policies, or oversight structures being in place at that time.

Objectives and Activities

The principal aim of the charity is to support the advancement of education through additional resources and enrichment activities, primarily for pupils at Bevington Primary School.

In 2022–23, the team focused on identifying potential funding streams for youth-focused interventions. These informal efforts included early discussions with local partners and preliminary ideas for after-school enrichment, mental health support, and engagement activities for families within the school community.

Public Benefit

To the best of our knowledge, the charity did not carry out a formal public benefit assessment in accordance with Charity Commission guidelines during the year. However, the team's activity

remained rooted in the charity's commitment to advancing education and supporting young people's development.

Achievements and Performance

Despite the absence of formal trustee oversight, the team made modest progress towards reconnecting the charity with its purpose. Conversations were initiated with community leaders and school staff about designing programmes that could close opportunity gaps for pupils. Volunteers also remained engaged in assisting with planning around fundraising initiatives and enrichment proposals.

Financial Review

To the best of our knowledge, the charity's recorded income for 2022–23 was £3,460, and total expenditure was £3,137.

The financial activity reflects minor residual income and low-level operating costs. There were no restricted funds, and the charity did not receive any government contracts or engage in formal fundraising. All income and expenditure remained within the UK.

Reserves Policy

To the best of our knowledge, a reserves policy was not in place during the year. The absence of trustee leadership limited long-term financial planning. Establishing a reserves strategy will be a priority for the new board.

Risk Management

To the best of our knowledge, the charity did not operate under any documented risk management framework during the period in question.

Plans for the Future

- A new trustee board will be committed to a full review of its governance, compliance, and operations. Future objectives include:
 - Implementing an action plan for robust record-keeping and accountability
- Re-establishing relationships with key stakeholders
- Launching new initiatives focused on pupil wellbeing, family engagement, and extracurricular enrichment
- Actively applying for grant funding to support projects that advance the charity's educational purpose

Declaration

This report has been prepared by Naomi Marley on behalf of Bevington Primary School, based on reconstructed information from school records, in the absence of formal trustee oversight during the reporting year.
