## Trustee Annual Report 2024

### Fundraising and Donations

Fundraising has continued successfully throughout 2024 using multiple platforms. We utilise Givey as our UK fundraising platform, Facebook Donate (which pays through PayPal), PayPal Donate, and our online shop (PayPal). We also accept direct donations into our UK CAF bank account.

PayPal Donate has enabled us to establish monthly recurring donations, which we continue to encourage as a sustainable source of income.

We have recently acquired a card reading machine for taking card payments at markets.

### Financial Transfers and Compliance

Funds have been transferred directly to our beneficiaries via international bank transfers. We have retained our gambling licence, allowing us to legally hold raffles.

### Awards and Recognition

Blankets for Baby Rhinos (BFBR) continues to be a successful and respected charity. We are proud to have won the **Leopard Award for the sixth consecutive year**, awarded by SANParks Honorary Rangers, in recognition of our contribution to **Project Watchdog**.

### Beneficiary Support

We have continued to support our long-standing beneficiaries, including:

- Care for Wild Rhino Sanctuary
- Umoya Khulula Wildlife Rehabilitation
- The Rhino Orphanage
- Zululand Rhino Orphanage
- African Wildlife Vets

In addition, we provided specific assistance to **Moholoholo Wildlife Rehabilitation Centre** for the treatment of poisoned vultures.

### Project Rhino and Tracking Dog Sam

BFBR part-funded a tracking dog, Sam, for **Project Rhino in KwaZulu-Natal**. Unfortunately, Project Rhino did not feel that Sam performed to the required standard and he was returned to Luna Hounds. We were dissatisfied with both the condition in which Sam was returned and the inadequate record-keeping and communication from Project Rhino.

As a result, BFBR will no longer support Project Rhino. We hope that Sam can be redeployed elsewhere once his health and wellbeing have been fully addressed.

## **SANParks K9 Unit – Project Watchdog**

We have continued our ongoing support of the **SANParks K9 Unit** through Project Watchdog. This support included:

- Purchase of two new tracking dogs for Kruger National Park
- Equipment for dog handlers
- Veterinary treatment for two sick tracking dogs
- Construction of new kennels in the north of the park
- Donation and transport of a large box of Kong toys for the dogs
- Support for the rangers' year-end function, which is vital for morale

Our **SANParks K9 Emergency Fund** was used to cover veterinary costs for tracking dogs Hercules and Charlie.

## **African Wildlife Vets Emergency Fund**

The African Wildlife Vets emergency fund was utilised for:

- Snare removals
- Ear notching and dehorning of rhinos
- Relocation and collaring of leopards and lions

## **Transport and Logistics**

Transport of blankets and other essential items has been greatly supported through our collaboration with **KLM Charity – Wings for Animals**, who regularly fly donated items to South Africa on our behalf.

## **Trustees and Supporters**

Two new trustees joined BFBR in 2024:

- **Paul Sharman (UK)**, who has been highly active in fundraising and donated towards a third tracking dog through his company, Longworth Forensics.
- **Marina Turion (Netherlands)**, who also joined as a trustee and generously left a legacy to fund one of the tracking dogs.

We would also like to acknowledge the invaluable contributions of our supporters:

- **Linda Grave**, who has been instrumental in providing football kits for Kruger Park rangers, their families, and local communities.
- **Elizabeth Conroy**, who continues to run our online shop, attend local markets, and organise tombolas.
- **Beverly**, who regularly donates proceeds from boot fairs.
- **Liz Brown**, who runs her online craft shop *Creations for Rhinos*, donating all profits to BFBR.

## **Conclusion**

We are extremely pleased with how the charity is operating, both in terms of fundraising and the resumed transport of blankets and essential goods to South Africa via our dedicated volunteers. BFBR remains committed to supporting wildlife conservation and those on the front line protecting endangered species.

**Blankets for Baby Rhinos Trustee annual report:**

There have been no changes to our current trustees.

Fundraising continues using Givvy as our UK platform Facebook Donate, Paypal donate and through our shop (Paypal). Paypal donate has enabled us to acquire monthly recurring donations which we are encouraging.

Our South African donation platform (Back a Buddy) has not been used and we have encouraged SA members to donate via one of the above platforms.

We have been transferring funds direct to our beneficiaries via international transfer.

We have kept our gambling licence so we can legally hold raffles.

BFBR continues to be a successful charity having won the leopard award for the third year running from SAN parks honorary rangers for our contribution to their project watchdog.

We have continued to support our long standing beneficiaries such as Care For Wild, SANparks k-9 unit, we have also added the SA wildlife college, Umoya Khulula Wildlife Centre and African wildlife vets as beneficiaries. We continue to work with the AWARE trust Zimbabwe sponsoring supplies for their rangers and ranger of the month award and will be assisting them in obtaining a K-9 for their operations.

Elisa Best our founder was able to visit both the SANparks K9 unit and Care for wild in October 2022 and was able to discuss first hand the needs of both organisations as well as see the effects of our support. We intend to offer more support to the K9 rangers in Kruger Park who have a very dangerous and stressful job. We hope to obtain more support especially from corporate organisations by speaking to them and educating them on the situation in South Africa currently.

We are very pleased with how the charity is running with both fundraising and now resumed transport of blankets and other goods via volunteers to South Africa and Zimbabwe

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:
