Ken Dodd Charitable Foundation

Report of the Trustees for the Year Ended 31 March 2025

The trustees present their annual report and financial statements of the Charity for the year ended 31 March 2025. The reference and administrative information set out on page 1 forms part of this report.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The purposes of the charity are to advance the education of the public in the performing arts, to further the development of the public appreciation and understanding of performing arts by the support and encouragement of the work of young artists, to provide for the relief of poverty of persons in the United Kingdom and elsewhere who are in conditions of need, hardship or distress by reason of their social or economic circumstances by providing advice and financial assistance to those in need and to provide financial assistance to any other exclusively charitable organisation. In shaping our aims and objectives, in planning future activities, and setting the grant making policy for the year, the trustees confirm that they have referred to the Charity Commission's guidance on public benefit, including the guidance "public benefit: running a charity (PB2)". The charity furthers its charitable purposes for the public benefit through its grant making policy.

The principal activities of the charity in the period under review were the investment of funds and the provision of grants.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity continues to invest funds to enable future grants to be paid. The charity is extremely proud of its achievements and progress to date. The trustees continue to review and approve suitable and appropriate grant applications to enable the charity to continue with its work.

FINANCIAL REVIEW

Financial position

The results for the year and financial position of the charity are as shown in the annexed financial statements. The charity's ability to make further grants is reliant on income and returns from its investments. Grants totalling £852,413 were paid during the year. The value of the investments held increased by £18,308 during the year and income of £507,454 was generated by the investments.

INVESTMENT POLICY

The charity's investment managers (Investec Wealth & Management Ltd) are instructed to invest to maximise the returns within the constraints of a medium risk profile over the long-term investment time horizon of over 10 years.

RESERVES POLICY AND GOING CONCERN

The trustees aim to maintain free reserves in unrestricted funds at a level which is designed to meet approved grant applications and governance costs. Total reserves at 31 March 2025 amounted to £12,790,500 of which £67,704 were unrestricted.

Given the level of assets held, the trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The most significant areas of uncertainty that affect the carrying value of assets held by the charity are the level of investment return and the performance of investment markets.

PLANS FOR THE FUTURE

Ken Dodd Charitable Foundation is a lasting testimony to the generosity and charitable concerns of the late Sir Kenneth Arthur Dodd OBE and his wife Lady Sybil Anne Dodd. The trustees anticipate continuing to make charitable grants that meet the objectives for which the charity was established.

Ken Dodd Charitable Foundation

Report of the Trustees for the Year Ended 31 March 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable trust, established on 29 May 2013 and registered as a charity on 3 September 2018. The trust was established by an initial gift from Sir Kenneth Arthur Dodd OBE in 2013. Since his death, his estate and his beloved wife Lady Sybil Anne Dodd have made substantial gifts to the charity. The charity is governed by the policies made from time to time by the trustees together with the terms of its Trust Deed which set out the objects and powers of the Charity.

The trustees, who met at regular intervals to formulate policy and decisions during the year, including the arrangements and criteria for consideration and approval of grants, were Lady Sybil Anne Dodd, Mr Peter Vaines and Mr John Stephen Lewis MBE. The procedures for the appointment, retirement and removal of trustees are set out in the Trust Deed.

The trustees seek to ensure that the needs of the grant recipients are appropriately reflected through the diversity of the trustee body and the recruitment of appropriate individuals to the board. The trustees are familiar with the practical work of the charity and are encouraged to attend regular feedback and update sessions. All trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

RELATED PARTIES

None of the trustees receive remuneration or other financial benefit from their positions as trustees of the charity and any contractual relationship with a related party must be disclosed to the board of trustees. In the current year, no such related party transactions were reported.

RISK MANAGEMENT

The trustees have a risk management strategy which comprises an annual review of the principal risks and uncertainties that the charity faces and the establishment of policies, systems and procedures to mitigate those risks identified in the review.

The principal risks faced by the charity lie in the performance of investments, ineffective grant making and the capacity of the charity to make effective grants. The trustees consider variability of investment returns and changes in value to constitute the charity's major financial risk. This is mitigated by retaining expert investment managers and having a diversified investment portfolio.

The operational risks from ineffective grant awards and the capacity to make effective grants are managed by retaining trustees of sufficient skill and experience to be able to assess and monitor applications and grant awards, so as to retain focus on the public benefit derived from the provision of such grants.

During the year, the Russian invasion of Ukraine and uncertainties over inflation levels continued to create a major challenge over investment performance with a high level of uncertainty for many charities. The trustees have taken prompt action to monitor the charity's position. Whilst the impact of these matters cannot be accurately predicted and it is not possible to assess all possible implications for the charity, based on assessments carried out, the charity believes that it has a financial position that will enable it to navigate through these challenges.

TRUSTEES' RESPONSIBILITY STATEMENT

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Ken Dodd Charitable Foundation

**Report of the Trustees
for the Year Ended 31 March 2025**

TRUSTEES' RESPONSIBILITY STATEMENT - continued

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 25 September 2025 and signed on its behalf by:

.....
Lady S A Dodd - Trustee

Report of the Independent Auditors to the Trustees of Ken Dodd Charitable Foundation

Opinion

We have audited the financial statements of Ken Dodd Charitable Foundation (the 'charity') for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Report of the Independent Auditors to the Trustees of Ken Dodd Charitable Foundation

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We enquired of management and those charged with governance, which included obtaining and reviewing supporting documentation, concerning the charity's policies and procedures relating to:
- Identifying, evaluating, and complying with laws and regulations and whether they were aware of any instances of non-compliance;
- Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected, or alleged fraud;
- The internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- We inspected the minutes of meetings of those charged with governance.
- We obtained an understanding of the legal and regulatory framework that the charity operates in, focusing on those laws and regulations that had a material effect on the financial statements or that had a fundamental effect on the operations of the charity from our professional and sector experience.
- We communicated applicable laws and regulations throughout the audit team and remained alert to any indications of non-compliance throughout the audit.
- We reviewed any reports made to regulators.
- We reviewed the financial statement disclosures and tested these to supporting documentation to assess compliance with applicable laws and regulations.
- We performed analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments, assessed whether the judgements made in making accounting estimates are indicative of a potential bias and tested significant transactions that are unusual or those outside the normal course of business.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud often involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

**Report of the Independent Auditors to the Trustees of
Ken Dodd Charitable Foundation**

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Ken Dodd Charitable Foundation

Notes to the Financial Statements for the Year Ended 31 March 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

All investments are carried at their fair value . The investments are all traded in quoted public markets , primarily the London Stock Exchange . The basis of fair value for quoted investments is equivalent to the market value , using the bid price.

The main risk to the charity from financial instruments lies in the combination of uncertain investment markets and volatility in yield . Due to "quantitative easing" and market sentiment favouring lower risk investments , the yield on bonds has again been lower than anticipated. The charity relies on dividend yield in part to finance its ability to make grants and this leads to a greater exposure to international companies , the values of which , together with their yield are exposed to exchange rate risk when converting the holdings into sterling.

Liquidity risk is anticipated to be low as all assets are traded and the commitment to intervention by central banks and market regulators has continued to provide for orderly trading in the markets and so their ability to buy and sell quoted equities and stock is anticipated to continue. The charity's investments are in traded markets with good liquidity and high trading volumes and the charity has no investment holdings in markets subject to exchange controls or trading restrictions . The charity manages these investment risks by retaining expert advisors and operating an investment policy that provides for a high degree of diversification of holdings within asset classes that are quoted on recognised stock exchanges.
