Trustees' Responsibilities in Relation to the Financial Statements

The Charities Act requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing these financial statements, the trustees are required to:

- A. Select suitable accounting policies and apply them consistently;
- B. Make judgements and estimates that are reasonable and prudent;
- C. State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements.
- D. Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The charity was entitled to exemption from audit under s477 of the Companies Act 2006 relating to small companies. The members have not required the charity to obtain an audit in accordance with section 476 of the Companies Act 2006. Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act. 1. Accounting policies

Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice - Accounting and Reporting by Charities (SORP 2005) issued in December 2005 and applicable accounting policies in the preparation of the financial statements are as follows.

Incoming resources

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant and machinery - 25% reducing balance

Fixtures & Fittings - 25% reducing balance

Motor Vehicles - 25% reducing balance

Taxation

The charity is exempt from tax on its charitable activities

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the entity
