**Section D** Achievements and performance

**Summary of the main achievements of the charity during the year**

LLUK has successfully improved the quality of life of the vulnerable and homeless in the UK by supporting them directly and indirectly and advocating for them to get the help they need. Such help ranges from accommodation to other essentials for everyday living.

We have helped with the relief of poverty, disability awareness and support for homelessness (suitable and appropriate housing) and followed up specific cases to ensure that necessary positive changes required were achieved.

We continued to support a family in Guildford, where a mother, Hannah was struggling with the loss of her new born baby D, that she continued to keep up with her home and having her necessities. Financial support was provided for the baby's funeral arrangements by finalising the funding to Dignity Funerals.

**Outside the UK**

Love Link UK supported SALCET with their work with San Vicente and Candray Foundation in El Salvador; where our donation covered all the surgical medical expenses for a lady in El Salvador (Mrs. Maria Lidia Valladares de López) to have her sight restored after a successful cataract operation. Before our intervention her vision had significantly deteriorated but she can now see clearly following the successful surgery.

We have supported Ms Victoria Taiwo with her work and charitable activities in Ghana.

We supported a family in Guildford that were struggling to, feed and pay their gas and electric bills with financial support and the use of vouchers paid for by Love Link UK.

We also supported a homeless family from Romania that we found on the streets of London. The wife of the man who said he had come to work and settle in the UK was heavily pregnant and we advocated with the authorities to help them. We also supported them financially as they needed medical attention and transportation fees when they returned to Romania.

Outside the UK we aided 'Another Smile' financially, a Charity in Uganda that supports children and the youth with education and employment needs.

We financially supported 'Let hope Arise Africa' an education and leadership charity in Uganda by collaborating with David J Leeper a Trustee of the UK charity 'Educate 2 Live'.

We helped a stranded woman from Denmark who had lost her way in the UK and had gone to a wrong address in the North of England, whereas she needed to be in the South. We aided her with accommodation and transport and supported her to return to Denmark when she was due to return.

**Section C Objectives and activities**

**Summary of the objects of the charity set out in its governing document**

The objects of the charity set out in its governing document are:  
“For the relief of poverty with particular emphasis on homelessness anywhere in the world”.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Love Link UK (LLUK) has carried out activities in supporting and helping the homeless in the UK get housing and promote disability awareness. In carrying out these activities the charity trustees have had regard to the charity commission’s public benefit guides to meet with the ‘public benefit requirement’. In doing this, decisions are made to identify and manage risks of harm to the charity’s beneficiaries or to the public in general.

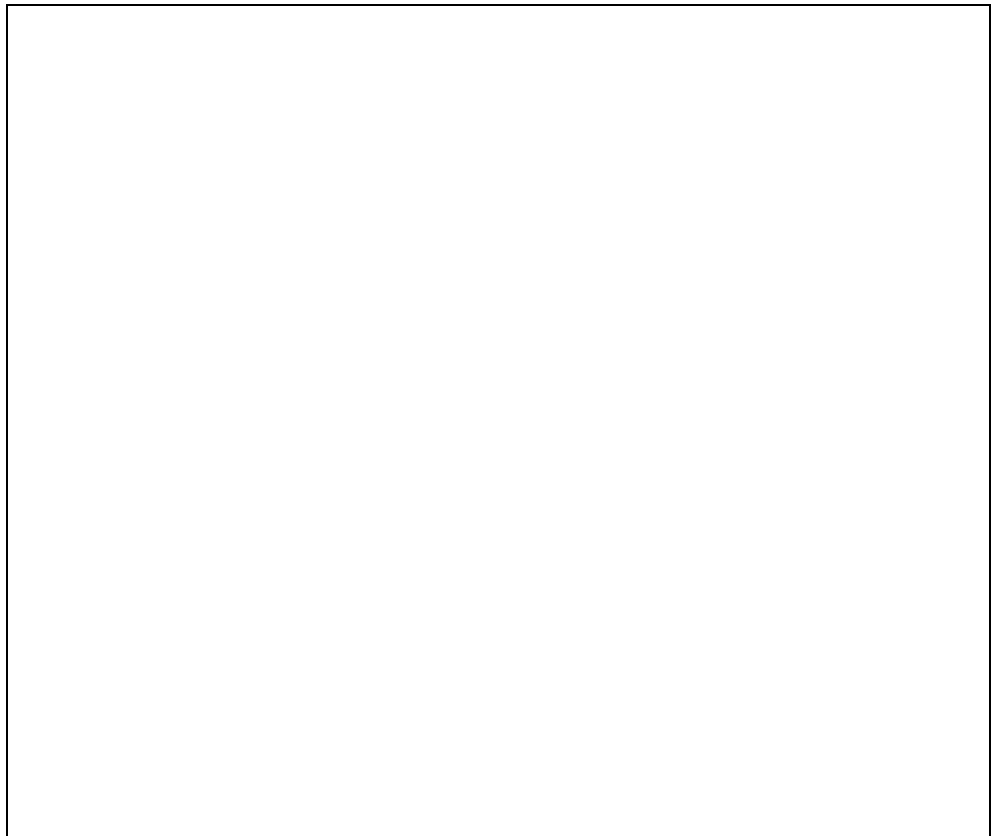

We succeeded in opening a bank account for LLUK in 2020 to raise funds for the public benefit.

LLUK had no bank account and no receipts and payments for 2018-2019.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

## Section D

## Achievements and performance

**Summary of the main achievements of the charity during the year**

LLUK has successfully improved the quality of life of the vulnerable and homeless in the UK by supporting them directly and indirectly and advocating for them to get housing.

We have supported the homeless indirectly by making regular monthly donations to Shelter, a UK charity that aids housing/ homelessness.

We have helped with disability awareness and the relief of poverty and homelessness (suitable and appropriate housing) and followed up specific cases to ensure that necessary positive changes required were achieved. For the relief of poverty, we helped a struggling family of a single mother/ daughter to pay their energy bills and gave vouchers for food/ shopping. We have supported and advocated for the homeless, for example in the Godalming area, communicating with Waverly Borough Council. We have communicated with the people living on the street in Guildford and Godalming to ask them if they needed help in being transitioned to housing.

Outside the UK we supported Franca Memorial Clinic Port Harcourt with funds to obtain an incubator/ maintain their incubator unit.
