Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the charity set out in its governing document are:

“For the relief of poverty with particular emphasis on homelessness anywhere in the world”.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Love Link UK (LLUK) has carried out activities in supporting and helping the homeless in the UK get housing and promote disability awareness. In carrying out these activities the charity trustees have had regard to the charity commission’s public benefit guides to meet with the ‘public benefit requirement’. In doing this, decisions are made to identify and manage risks of harm to the charity’s beneficiaries or to the public in general.

We succeeded in opening a bank account for LLUK in 2020 to raise funds for the public benefit.

LLUK had no bank account and no receipts and payments for 2018-2019.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

LLUK has successfully improved the quality of life of the vulnerable and homeless in the UK by supporting them directly and indirectly and advocating for them to get housing.

We have supported the homeless indirectly by making regular monthly donations to Shelter, a UK charity that aids housing/ homelessness.

We have helped with disability awareness and the relief of poverty and homelessness (suitable and appropriate housing) and followed up specific cases to ensure that necessary positive changes required were achieved. For the relief of poverty, we helped a struggling family of a single mother/ daughter to pay their energy bills and gave vouchers for food/ shopping. We have supported and advocated for the homeless, for example in the Godalming area, communicating with Waverly Borough Council. We have communicated with the people living on the street in Guildford and Godalming to ask them if they needed help in being transitioned to housing.

Outside the UK we supported Franca Memorial Clinic Port Harcourt with funds to obtain an incubator/ maintain their incubator unit.
