

**MORETONHAMPSTEAD SWIMMING POOL TRUST
CIO ANNUAL REPORT 2022**

The 2022 season has been difficult financially, the priority being, to keep funding on an even keel to ensure the longevity of Moretonhampstead Swimming Pool.

The trustees made the decision that they had insufficient time or expertise among their collective to deal with the transfer of the assets from the charitable trust to the CIO, which requires specialist advice. Consequently, they have now appointed a firm of solicitors willing to carry out the legal work on a pro bono basis and they have been instructed to proceed accordingly.
