TRUSTEES' ANNUAL REPORT

Report of the Trustees for the period 02/04/2021 - 01/04/2022

The Trustees present its Annual Report for the period

The financial statements have been prepared in accordance with Accounting and Reporting by charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK (FRS 102) (Effective 1 January 2015) - (Charities SORP (FRS 102)).

Objectives and activities

The objects VMF CIO are:

- 1) Offering support to the underprivileged through donations, free health check & counselling, outreach activities, and educational workshops to underserved communities.
- 2) Serving and offering support to relief poverty and sickness amongst persons living in impoverished communities who are in need because of social and economic problem regardless of age, gender, ethnicity/race, religion, sexual orientation or any other social or personal characteristics

In furtherance of these objects, the Trustees shall:

- a. Promote activities that support the health and well-being for all living in underserved communities and provide health information

Public Benefit

The Trustees have had regard to the Charity Commission's guidance on public benefit and endeavor to implement them in all the charity's work. The main activities undertaken to further the charity's objects for the public benefit are detailed in the following pages as follows:

1. COMMUNICATIONS

1.1. VMF -Website

1.2. VMF -Facebook

1.3. VMF -Instagram

1.4 VMFoundation1 - Twitter

TRUSTEES' ANNUAL REPORT

Achievements and Performance

The charity does not measure the success of its programs only in numbers. This includes but not limited to the Foundation's financial management in Executing Impact driven projects, contribution in less tangible areas like bringing communities together through free health screening and education.

The Trustees still recognized 2021 continued to be a challenging year in the life of the charity due to continuation of covid19 hence our achievement has been difficult to measure. However, we hope to pursue our mission in 2022 with renewed enthusiasm

1. COMMUNICATIONS

Since our Foundation's inception grants have been very difficult to come by hence projects are being funded the founder from her pocket. All donations received from the public are in the form of materials such as new, used toys, shoes, books, or new, secondhand clothing. All the work we have been doing is posted and shared on our websites and all social media platforms

Governing and Management Structure.

VMF is a Charitable Incorporated Organization governed by its constitution dated 1/4/2018. The governance structure of the charity is in line with the requirements of the Charity Commission

Organization

There must be at least 3 minimum charity Trustees and the maximum number of charity Trustees can be up to 12. The Trustees delegate the day-to-day operations of the charity to the Finance and Administration, and Development team in conjunction with the Chair. Full meetings are held bi-monthly to review and report on finances, activities in Ghana and discussions on how to raise funds to support this charity's anticipated projects. None of the Trustees receive remuneration or other benefit from their work for the charity. The trustees use online group meetings to address peculiar short-term concerns. Annual General Meetings are held each Year in December

Mercy Darkoah	Trustee	since 2018 to date	N/A
Michael Kwame Darkwah,	Trustee	since 2018 to date	N/A

Recruitment and appointment of Trustees

There are Trustee recruitment campaigns, most recently one particularly aimed at

- Increasing minority representation. There were 6 Trustees on the Board but sadly one stepped down in last year due to health issues, so we currently have 5 on the board.
- All Trustees may stand for re-election at the AGM in 2022
- Three Trustee meetings take place every year and provide an opportunity for all
- Trustees to scrutinize key aspects of the work of the charity, including finances, funding bids, the Transformation Action Plan, agendas for future meetings, and a whole host of other issues, some of which are raised by members and the Trustees themselves.

Trustee induction and training

New Trustees will receive information on roles and responsibilities and are directed to Charity Commission Guidance. The register of interests is reviewed at each meeting. Trustees are encouraged to attend appropriate external training and networking events where these will facilitate the undertaking of their role to enable focused knowledge building and influencing work. Due to covid19 we could not make any plans for trustees to get together, but we are looking into having it on Zoom. This is aimed at enabling the Trustees to get to know each other better, clearly understand the role of a Trustee, identify any skills gaps, and discuss the future direction of VMF. The Trustees have much work to do in the future, including reviewing the existing VMF objectives and policies, developing a new Trustee induction program, and building up an active group of VMF volunteers.

Trustees' responsibilities in relation to the financial statements

The charity Trustees are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

TRUSTEES' ANNUAL REPORT

The law applicable to charities in England and Wales requires the charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and the applicable Charities (Accounts and Reports) Regulations. They are also responsible for safeguarding if there are any assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees confirm to the best of their knowledge that the only information they are aware is the loan received from the founder to start our operation and apart from that there is no other information relevant to them that they are unaware and have taken all necessary steps to ensure that they themselves are aware of all financial information. The trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable ability to continue to adopt the going concern basis of accounting for a period of at least twelve months.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 02/04/2021 - 01/04/2022

1. The principle of accounting adopted and key sources of estimation in the preparation of the financial statements are as follows:

TRUSTEES' ANNUAL REPORT

- a) Financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)).
2. The VMF CIO meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognized at historic cost or transaction value unless otherwise stated in the relevant accounting policy note(s).
3. Income is recognized when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably. Income from government grants is recognized when the charity has entitlement to the funds, any performance conditions attached to the grant will be met, it is probable that any income receive, and the amount can be measured reliably and is not deferred.

Fund accounting

- i. Unrestricted funds are available for use at the discretion of the Trustees in furtherance of any of the purposes of the charity.
 - ii. Designated funds are unrestricted funds of the charity which the Trustees have decided at their discretion to set aside to use for a specific purpose.
 - iii. Restricted funds are donations which the donor has specified are to be solely used for particular purposes.
- e) Expenditure is recognized once there is a legal or constructive obligation to make a payment to a third party, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably.

Expenditure on charitable activities includes shipping and purchasing costs. Other expenditure represents those items not falling into any other heading.

- **Engaging and training with our volunteers**

The Volunteers who work at VMF are central to the operations of the charity and the services we offer. They come from all backgrounds and bring difference strengths and ideas; our volunteers undertake many different tasks within the charity. Our volunteer team bonding is very popular, this event enables the whole team to get to know each

TRUSTEES' ANNUAL REPORT

other better, understand more clearly their role, identify any skills gaps, and discuss the future direction of VMF but due to covid19 we have been doing that on zoom.

Fundraising and Marketing

A year on from this pandemic, although it has been and still challenging ,2021 was better than the previous year. We managed to secure some funding from LCR Energy, a private company to sponsor one of our educational projects in Asikam, a rural community in Ghana, West Africa.

We are continuing managing our presence on social media as another means of raising our profile and increasing our donation income also to raise the profile of poverty and literacy and support people living in impoverish communities. To work in partnership with local agencies to bring in grants to support partnership working that will deliver better outcomes for those we serve.

Nonetheless our volunteer team continued to work with commitment and creative energy to do even better in this 2022.

Social Media and On-line fundraising.

We are working hard to improve and monitoring our social media to focus its use for fundraising purposes. Initially, our 2021 campaign was less successful due to continues pandemic, but we hope to do even better in 2022

- **External influences.**

There are several issues VMF has less control over but remains aware of the impact on its income and ability to deliver a quality service:

Increased demand.

The service operates at near or full capacity and increased demand for crisis support threatens VMF, s ability to help more people in need and progressive support work which moves people away from depression due to poverty. The Executive Team continuing to review how it used its resources in order to deliver its mission and fulfil more effectively.

Going concern

Although we have not received any grant nor funds from the Government, we have received some sponsorship from a private company called LCR Energy, who is helping us with one of our literacy projects (a computer laboratory) for the underprivileged children we work with in Ghana, West Africa.

TRUSTEES' ANNUAL REPORT

We still don't have external fund, so we do not have any free reserves, however, we plan to work on securing funds to enable us to run this charity to its full capacity. Trustees are working to secured grant funding in 2022.

- a) The identification and implementation of cost savings in 2022.
- b) Forecasts of income and expenditure through to December 2022; and
- c) Cash flow forecasts to December 2022, hoping to secure more sponsors or partnership to help us with execute our projects /services operations to better manage the period of service growth currently being experienced.

Taking all these matters into account we consider that it is correct to prepare accounts on a going concern.

Disruption to VMF's service in 2021

2021 continued to challenge our ability and capacity to deliver the services we run: the Covid-19/omicron pandemic continue to be well documented and its impact on normal operations worldwide is still immense. For VMF it still very challenging. Some of our volunteers lost their jobs and others had health issues. This meant we had a reduced team to deliver services, and some were unable to attend most of our event for people living in rural areas in Ghana, but we did manage to support the people in underserve communities with the few resources we had during the pandemic.

Throughout the crisis we followed government guidelines and reviewed and changed practice to maintain safety for all.

- **Risk management**

In line with their statutory responsibilities the trustees continuously monitor, and review activities of the charity carried out to ensure that all risks are identified and that procedures have been put in place to mitigate those risk. To assist with this duty and the teams in Ghana maintains and update the records.

Funding shortfall: - The risk for this charity is that it continues to dependent on the income from the founder and to counter this the trustees have agreed to see grant/funding in support of the charity's operation in the future.

TRUSTEES' ANNUAL REPORT

Legal status of the charity

VMF is a Charitable Incorporated Organization (CIO). In the event of the charity being wound up the trustees have no liability for its debts.
