**Directors' Report 2020/21**

During the year the Black Mountains Lions Club supported the Local, National and International Communities by authorizing the following donations totaling £2,295.75:

Location	Cause	Amount (£)
Local	Defibrillators	500.00
	School Computer upgrade	200.00
	Hay Food Bank	450.00
	Insurance	25.85
	Lions Peace Poster Competition	181.90
National	Lions Youth Trust Fund	88.00
	Lions Sight Savers	500.00
	North Sea Lions	50.00
	Royal British Legion Poppy Appeal	200.00
	Bob Cook Games	200.00
International	Lions UK Disaster Appeal	500.00
	Lions Clubs International Foundation	250.00

The Covid19 pandemic, like most organisations, severely curtailed the Club's activities. This including our main fundraising event in supplying a Car Park in support of the Hay International Literary Festival which was forced to cancel.

The enforced inactivity severely restricted the Club's capacity to support the local community as it would have liked despite the need for support increasing.

Like all Service Organisations membership is always an issue with recruitment of new members very difficult. Our membership has held up during the year but the age demographic is on an upward trend. If this continues then the viability of the Club in the coming years will become difficult unless there is an upturn in membership to enable us to continue to support the Community.
