'Al-Asharaf Community Welfare Association', **founded in 1998 by Dr Ahmed Sharif Abbas**, strongly believes that working together is the only way to succeed. We supported the forming and establishment of 'Somali Speakers Women's Group' in 2000 and have continued to cooperate with them ever since, forming a strong partnership. Likewise, in 2008, we built a solid partnership with 'Help on Your Doorstep'.

It was our pleasure to help facilitate and initiate the partnership between Somali Speakers Women's Group and the newly established Somali Embassy in London. We encouraged them to participate in the 'Somali Professionals – Networking' programme.

Over the years, we have also established solid partnerships with local businesses in Caledonian Road. From them: Khan Food Centre and Cally Pound Plus.

History:

1998 – 'Asharaf Welfare Association' initiated in Manor Garden - before moving to Islington's West Library Hall. After years of community growth, we relocated to Bemerton Children's Centre, before transferring to Copenhagen Primary School (on Saturdays) 2009 – Subsequently, we 'rebranded' to 'Al-Asharaf Women & Children Association', before finally changing to 'Al-Asharaf Community Welfare Association' in 2018.

We are currently addressed at Voluntary Action Islington, whilst holding our events at Jean Stokes Community Centre.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

Providing relief for those living in Islington and the surrounding boroughs, focusing on '**Health & Wellbeing**'. In particular, but not exclusively, those of 'Al-Asharaf' origin, as well as those in need (e.g. elderly, ill health/disabled and those in financial hardships).

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

By implementing 'Bright Start & Bright Future's' principles, we run our weekly activities:

- 'Stay and Play' activities for parents and children (for building self-confidence)
- Lunch clubs
- Sewing clubs
- Homework clubs

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

In accordance with our organisation's focus on '**Health & Wellbeing**' – we continue our services of supporting families afflicted with mental health. We achieve this by establishing a link between families and **Camden Crisis Resolution** – liaising between them.

Moreover, we intervene in marital disputes between young parents by attempting reconciliation – along with recommending 'Couples Therapy' & mediation sessions.

We also assist elderly residents that were seeking support during the '**Cost of Living**' crisis, by filling out forms – as well as accompanying them with GP/hospital visits.

We also assist young parents in securing nursery places for their children.

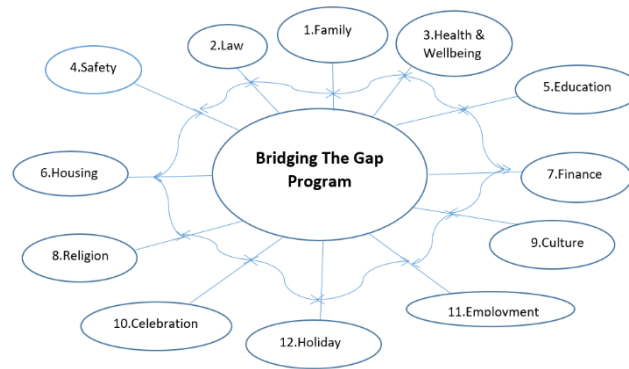

Our volunteers also organise and ran regular 'faith-based' celebrations at Finsbury Park Mosque.
