

Spearhead Ministries

Charity registration number 1179931

Report by the Chairman of Trustees for the Annual Return 2025

The Charity was incorporated in 2018 with the primary objective of advancing the Christian faith in the United Kingdom and abroad. Since then Tim Grant, the Ministry Director, has fulfilled this objective by teaching and preaching in this country and further afield, working with the leaders of the churches and networks he serves, using established relationships and making new contacts.

In February 2025, arrangements for the sale of our two tents and associated equipment to another charity were concluded and an Agreement was signed, providing for the price of £15,000 to be paid by monthly instalments of £500. This marked the end of many years of tent ministry, in the UK and throughout Europe, which has seen the gospel preached and many come to know Jesus Christ as their personal saviour.

During the year, Tim has travelled widely in this country and abroad in the course of his ministry. He has continued to build new relationships in the north west of England where he lives, working with individual churches and networks, at evangelistic events and a biblical training school. He has taught on healing and been involved in evangelism at churches in Hampshire, as well as ministering at events in Scotland and Wales. He has been to Belarus, speaking at a conference for evangelists from Eastern Europe, and Bulgaria, ministering once again to both gypsy and Bulgarian churches. A new opportunity was a trip to Estonia, where he spoke in churches and at a conference on moving in the power of the Holy Spirit. Another trip is planned for next year, which would include teaching and also evangelism.

This year has been a year of change, with the letting go of the tents and all that was involved in running tent events, and the development of a new thrust, equipping churches at home and abroad to reach out into their communities in the power of the Holy Spirit. Tim believes the training should be made available on video so as to be more widely accessible.

The Trustees have met in person once this year but have communicated at other times via phone and email to discuss the work of the Charity and its finances, especially the sale of the tents, which has significantly increased our income. This gives us the opportunity to increase our expenditure to support the development of the Charity's work.

Chris Rennison
