Summary of the main achievements of the charity during the year

Grace and Smiles Foundation is guided by the principle of improving the welfare of humanity, especially children in the rural communities of Ghana. Its passion- to support families living in poverty- motivates us to source basic items such as used clothing, shoes and books from benevolent families in the United Kingdom.

During the past year Grace and Smiles has slowed down on it's charity operations in Ghana due to unforeseen circumstances.

There are plans on picking operations up in the coming year.

Section E

Financial review

Brief statement of the charity's policy on reserves

The beneficiaries of the activities of Grace and Smiles Foundation are families in underprivileged communities in Ghana, West Africa from the core activities which are the donation of clothing, books and toys and the participation in our reading club programme. It is the policy of G&S to maintain a balance on unrestricted funds which relates to at least three months unrestricted payments where possible.

We hold reserves so we can manage the financial impact of risk to ensure there is no significant disruption to our charitable activities. Therefore a £200 month reserve has been set.

This policy will be reviewed at the Annual Trustee Strategy meeting each year.
