FAO: The Trustees of The Tendi Sherpa Foundation, UK

Independent examiner's report to the trustees of The Tendi Sherpa Foundation, UK

I report to the trustees on my examination of the accounts of the Tendi Sherpa Foundation, UK (the Foundation) for the year ended 18th September 2023.

Responsibilities and basis of report

As the charity trustees of the Foundation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Foundation's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Foundation as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

TTSF UK works closely with The Tendi Sherpa Foundation, Nepal, a charitable company incorporated in Nepal with the same objectives.

TTSF Nepal is managed locally but the Trustees of TTsf UK closely monitor its activities.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit, the prevention or relief of poverty in remote communities in Nepal and the provision of education for disadvantaged children in Nepal by providing grants, items and services to individuals in need and/or other charities or organisations working to achieve those objectives.

The Trustees are aware of the guidance on public benefit issued by the Charity Commission and have taken this into account in planning their activities for the year under review.

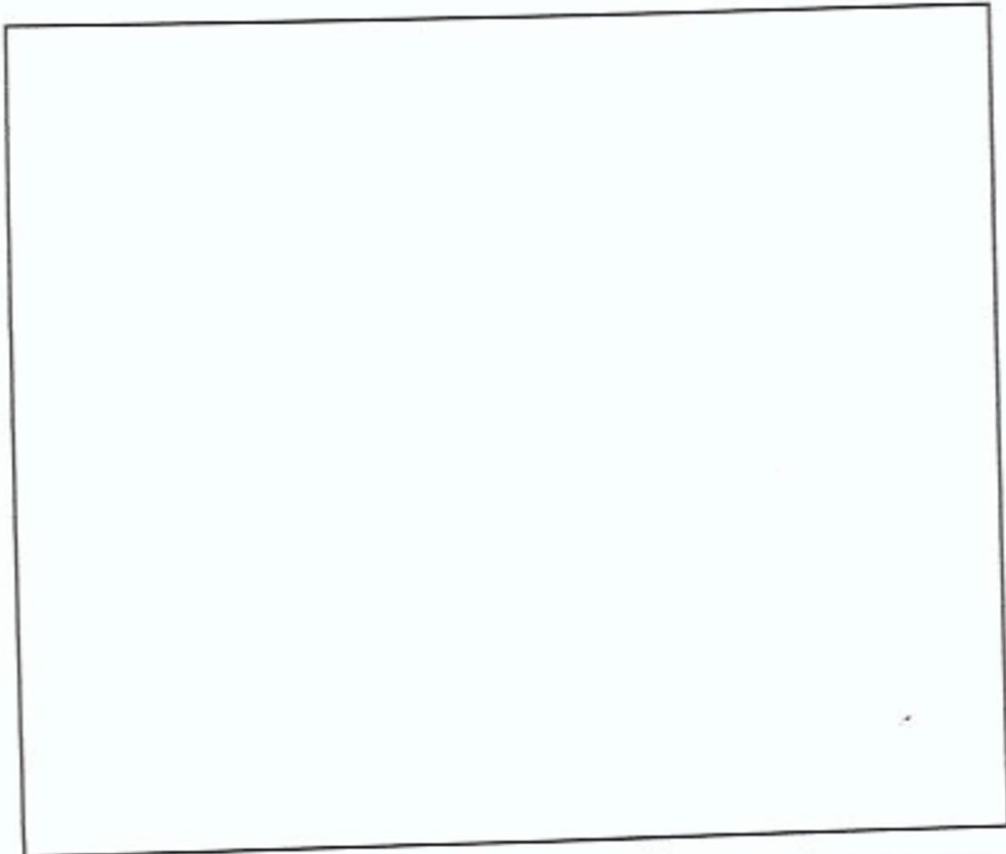

Activities have continued to be impacted as a result of the COVID pandemic and Tendi's planned fundraising trip to the UK in October 2021 had to be postponed until the summer of 2022 as a result of COVID travel restrictions. Nevertheless some fund raising has continued. The Trustees have now re-engaged properly with Tendi and have resumed the charity's main activity for the public benefit, namely the ongoing granting of donations to TTSE Nepal to help fund the completion of the construction of a new community hall at Saisima in Nepal. Once completed, this building will support the education of disadvantaged children in the area. The principal building is now fully functional and work should start soon on a linked kitchen and dormitory facility.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

During its fourth year, TTSTF UK has made a gentle return to fundraising post-pandemic. £5,789 was raised as a result of donations following a visit by Tendi to the USA and through JustGiving donations but no funds were released to Nepal as work on the Saisima project remained stalled during the relevant financial year but has subsequently resumed. As always, the Trustees would like to thank all those who made donations last year for their generosity.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trustees will continue to distribute the majority of collected donations as soon as they are satisfied that suitable charitable projects or causes are underway in Nepal. They will maintain sufficient cash reserves to cover ongoing anticipated expenses, in particular monthly charges by JustGiving and website hosting/maintenance.

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Section F

Other optional information

The planned trip to France and the UK for November 2022 in fact took place in late June 2022. Tendi assisted with fundraising activities and an English language book launch for "Higher than Everest" by Flore Dussey which follows Tendi's life and achievements. It is hoped that this will generate some royalties for the Charity. 2 fundraising treks have also been planned and fully scoped for November 2023.

TTSF UK works closely with The Tendi Sherpa Foundation, Nepal, a charitable company incorporated in Nepal with the same objectives.

TTSF Nepal is managed locally but the Trustees of TTSF UK closely monitor its activities.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit, the prevention or relief of poverty in remote communities in Nepal and the provision of education for disadvantaged children in Nepal by providing grants, items and services to individuals in need and/or other charities or organisations working to achieve those objectives.

The Trustees are aware of the guidance on public benefit issued by the Charity Commission and have taken this into account in planning their activities for the year under review.

The main activity undertaken for the public benefit in the year under review has been the ongoing granting of donations to TTSF Nepal to help fund the completion of the construction of a new community hall at Saisima in Nepal. Once completed, this building will support the education of disadvantaged children in the area. The principal building is now fully functional and work should start soon on a linked kitchen and dormitory facility.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During its second year, TTSF UK has raised a further £11,000+ (last year in excess of £50,000) and has donated just over £24,500 towards the Saisima project (last year approximately £36,000).

The two most significant donations have come from individuals participating in an Everest Base camp trek organised by Tendi Sherpa. As always, the Trustees would like to thank all those who made donations last year for their generosity.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trustees will continue to distribute the majority of collected donations as soon as they are satisfied that suitable charitable projects or causes are underway in Nepal. They will maintain sufficient cash reserves to cover ongoing anticipated expenses, in particular monthly charges by JustGiving and website hosting/maintenance.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Section F

Other optional information

With the travel restrictions that have resulted from COVID 19, it has not proved possible for Tendi to visit the UK during the past year and his planned fundraising trip in July 2020 had to be cancelled. With the ongoing uncertainty relating to global travel as a result of COVID 19, the Trustees are considering how they can continue meaningful fundraising.

Section G
