Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During the year 01.06.24 and 31.05.25, buiding work was continuing to refurbish and modernise the hub's facilities and make it accessible for people with disabilities. Whilst this work was ongoing, we continued to provide services either directly or through our partners and stakeholders to older and vulnerable people. These were primarily in the form of lunch clubs on 3 days per week, providing a warm hub with a cake and cuppa once a week, providing digital awareness courses for older people and other events including choirs' practice. As well as delivering services, these events overcame loneliness and social isolation. The Anglesey Dementia Centre is also housed in Canolfan Glanhwfa which supports people living with dementia and their carers.

The financial statements have been prepared under the historical cost convention.

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

- Land and Buildings - 1%

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
