Aims and objectives

The mission of An-Nisa Network is to empower women to progress morally, socially and spiritually.

2. To provide recreational activities for the benefit of women and their children in the interests of promoting integration and community cohesion
3. To provide opportunities for women to volunteer in social action projects thus contributing to their communities in a positive way

Summary of the main achievements during the period

We deliver a monthly coffee morning service and social dinner meet ups throughout the year, providing a safe space for women and children, thus reducing isolation and loneliness. Our services also enables women to connect with others in the community, form friendships and develop a sense of belonging in the community.

In the summer, we continue to provide popular trip to beach for women and children.

In November 2024, we celebrated with the community, our 10 year anniversary in Nottingham.

We are including younger women and girls in volunteering so that we create young ambassadors to mobilise the next generation.

We continue to have a social presence, and that carries on serving an invaluable way of connecting women.
