FINANCIAL REVIEW

Financial position

During the year, the charity generated a surplus of £22,013 (2023 - £22,789 deficit).

We can carry forward funds of £32,465 at the year end.

The Trustees consider that the funds at 30 April 2024 are sufficient to enable the Charity to continue for the foreseeable future.

Reserves policy

The reserve policy continues to be to maintain a general reserve at level which protects Little Hands Design from short term changes to circumstances but at the same time not retaining income longer than necessary.

The Charity has the power to set aside funds for special purposes or as reserves against future expenditure.

The trustees are satisfied with the level of reserves at the reporting date.

Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
LITTLE HANDS DESIGN**

Independent examiner's report to the trustees of Little Hands Design ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 April 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

LITTLE HANDS DESIGN

NOTES TO THE FINANCIAL STATEMENTS **for the year ended 30 APRIL 2025**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentational and functional currency of the financial statements is Pounds Sterling (£).

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Critical accounting judgements and key sources of estimation uncertainty

In preparing these financial statements, the directors are required to make judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

There are no significant judgements or estimates used in the preparation of these accounts.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

The charity's main source of income is from running classes in the furtherance of its objectives. Income from these classes is recognised when the general recognition criteria are met. This is usually when the course fees are received by the charity.

The trustees consider that it would be impractical to calculate any deferred income for course fees received at the accounts year end for courses that had not yet been carried out. The trustees do not consider these amounts to be material.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 25% on reducing balance
Fixtures and fittings	- 25% on reducing balance
Computer equipment	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

LITTLE HANDS DESIGN

NOTES TO THE FINANCIAL STATEMENTS - continued **for the year ended 30 APRIL 2025**

1. ACCOUNTING POLICIES - continued

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

Little Hands Design often receives gifts of fabric etc, which is used in the courses run by the charity. Due to the impracticality of calculating a fair value these donations are not valued.

The value of any voluntary help received is not included in the accounts.

Financial instruments

The company has financial assets and financial liabilities of a kind that qualify as basic financial instruments.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances, including bank overdrafts that are payable on demand and form an integral part of the company's cash management.

Creditors

Short term trade creditors are measured at the transaction price.

Provisions

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.
