THE INSPIRE FOOTBALL FOUNDATION
TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees have pleasure in submitting the Report and Accounts for the year. The charity was registered as a charitable incorporated organisation on 4 October 2018; the charity received its first donation in January 2019, which is when the charity's activities commenced in earnest.

The Inspire Football Foundation is a UK charity that works closely with our partner organisation, the Inspire Indonesia Foundation, based in Indonesia. Together we work to change the lives of young people in Indonesia and across the far east through the medium of football. We run sports centres, where we train young people to enjoy football and at the same time to learn important life skills. We also train coaches, who are equipped to pass on the ethos of Inspire Foundation within their own communities, both inside Indonesia and across the far east.

Objects of the charity

The charity is a charitable incorporated organisation and is governed by its Constitution. The objects of the charity, as set out in the governing document are:

- a) to act as a resource for young people by providing assistance and organising programmes of physical, educational and other activities as a means of advancing them in life and helping them to develop their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; and
- b) providing recreational and leisure time activity in the interests of social welfare for people who have need of such activities by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

Summary of the charity's main activities and achievements

To further the above objects and vision, the charity's main activities and achievements were as follows:

The Inspire Football Foundation continued to support our main beneficiary, the Inspire work in Indonesia. In November 2022 we celebrated that Inspire has been established for 15 years. Inspire grew out of a spare room into a work with just under 50 staff, in 4 different locations, impacting 19,000 young people last year. We share their belief in the power of sport to help inspire young people to become agents of change. Young people like Hans who after joining our Pledge United programme has become a beacon for equality within his school and community. Young people like Afrendi who we met in prison, who now has grabbed his second chance in life and now inspiring other young offenders to follow his example and become an inspiration for others

THE INSPIRE FOOTBALL FOUNDATION
TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

During 2022 Inspire Indonesia launched their fourth team on to the island of Lombok. An island famous for its beauty, but also an island with some of the highest rates of child marriage anywhere in the world. Already the team there are trying to tackle and change their culture so girls can dream of a life beyond being married before they even reach their teenage years.

Inspire continues to grow, to help this we have aligned each programme with the United Nations Sustainable Development Goals. At Inspire we want to join with others in tackling the biggest issues within society. At the Inspire Football Foundation we continue offer support, advice and accountability to the team in Indonesia, helping sharpen their work. That led to helping develop a new safeguarding policy in line with current practices within the UK.

Our dream doesn't finish where the borders of Indonesia end; in 2022 we worked in Nepal, India and South Africa. As the opportunities for the Inspire team continue to open up, we hope the UK foundation will be able to support this wider, global impact.

Structure, Governance and Management

Responsibility for setting policy and for making operating decisions rests with the trustees who meet regularly to monitor the activities of the charity. New trustees are recruited and appointed by the existing trustees, by a majority vote.

Financial review

In this year the charity received income of £108,060 (2021: £95,197) and spent £113,628 (2021: £108,925), resulting in a deficit of £5,568 (2021: £13,728). Most of the income received by the charity is restricted in nature, and it can only be used to support the activities of the Inspire Indonesia Foundation. The charity ended the period with net assets of £11,172.

Reserves policy

The charity's principal activity is grant making and this is not expected to exceed the restricted funds held by the charity. The charity has relatively low overheads and the trustees are satisfied that the unrestricted cash held at the end of the period, which was £5,404, is an adequate reserve.

THE INSPIRE FOOTBALL FOUNDATION

TRUSTEES' ANNUAL REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

Key risks and uncertainties

The charity is exposed to various risks - be they operational, financial or reputational. The trustees review the charity's activities regularly to identify significant risks and, where possible, they take appropriate measures to mitigate those risks.

Plans for the future

Going forward the charity plans to continue to support The Inspire Indonesia Foundation.

Responsibilities of trustees under charity law

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these financial statements, the trustees are required to:

1. select suitable accounting policies and apply them consistently;
2. observe the methods and principles in the Charities SORP;
3. make judgements and estimates that are reasonable and prudent;
4. state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
5. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

This report was approved by the trustees and signed on their behalf by:

Gavin McLaughlan

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
THE INSPIRE FOOTBALL FOUNDATION
('the Charity')

I report to the charity trustees on my examination of the accounts of the Charity for the period ended 31 December 2022 on pages 8 to 13 following, which have been prepared on the basis of the accounting policies set out on pages 8 to 9.

Responsibilities and basis of report

As the charity's trustees of the charitable incorporated organisation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE INSPIRE FOOTBALL FOUNDATION
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1 Statutory Information

The charity is a charitable incorporated organisation registered with the Charity Commission in England & Wales. The charity's registered number and principal address can be found on the Charity Information page.

2 Accounting Policies

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102") and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The Charities (Accounts and Reports) Regulations 2008 (the '2008 Regulations') requires charities to prepare their accounts in accordance with 'Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005' but this accounting standard has since been withdrawn and has been replaced by the Charities SORP mentioned in the preceding paragraph. The charity has prepared these financial statements in accordance with the new Charities SORP; this departure from the 2008 Regulations is believed to be necessary for these financial statements to give a 'true and fair view'.

The principles adopted in the preparation of the financial statements are set out below.

a) Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and / or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements. In making this assessment the trustees have considered how Covid-19 might affect projections.

b) Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.

c) Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably.

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

The cost of raising funds is not significant and has not been separately disclosed.

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

THE INSPIRE FOOTBALL FOUNDATION
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2022

d) Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.

e) Taxation

The charity has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

f) Financial instruments

The charity's financial assets and financial liabilities all qualify as basic financial instruments, as defined by FRS102. Creditors and debtors are measured at their expected settlement value (normally the amount of cash that the charity expects to pay or receive).

g) Foreign currency translation

These financial statements are presented in sterling, which is the charity's functional currency.

- i) Income and expenditure denominated in a foreign currency is translated into sterling at the exchange rate prevailing on the date of the transaction.
- ii) Monetary assets and liabilities denominated in a foreign currency are re-translated at the exchange rate prevailing at the balance sheet date.
- iii) Non-monetary assets are measured at historic cost at the rate of exchange prevailing on the date of the transaction and are not subsequently re-translated.

All differences arising from the application of the above policy are charged (or credited) to the Statement of Financial Activities.

h) Exemption from preparing a cashflow statement

The charity has taken advantage of an exemption conferred by the Charities SORP and has not prepared a cash flow statement.

i) Critical accounting estimates and areas of judgement

The trustees do not consider that there are any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.
