

Bolton FM Media Academy – Trustees Report 1/4/24 – 31/3/25.

What are your charity's charitable purpose: Bolton Fm Media Academy was set up to provide educational support to schools and other organisations in the provision of radio and media skills. The educational programme provides a wide range of activities within communication, mathematics and trigonometry using the base of a 1 hour radio show.

What has been done during the year to carry out those purposes: Activity has been low during the past year due to a difficulty in recruiting a suitable volunteer to deliver the educational programme. Efforts are being made to rectify this situation in the next 12 months and resurrect delivery of this valuable programme.

Has the commissions public benefit guidance been taken into account: The public benefit guidance has been taken into account at every stage of the process and will continue to be the basis for all programme delivery and planning.
