Section D

Achievements and performance

Summary of the main achievements of the charity during the year

During the past year the Board held five meetings, all of which were conducted by Zoom. This is a consequence of the on-going Coronavirus pandemic.

Some close liaison with churches and Christian Fellowship groups has continued. A presentation to members of Ormskirk Deanery Synod outlining the vision and aims of 57:14 has taken place. The presentation included a short video concerning aspects of our work.

Positive communications and a helpful exchange of ideas have been held with officials of "Junction 42", located in the North East of England.

Some in-depth discussions and dissemination of information has taken place with the Leader and Founder of J42. This organisation has a similar vision to ourselves, but has considerably more resources; both financial and in terms of the number of involved personnel. Junction 42 has been able to initiate some engagement with prisons nationally and has close contacts with prisoners, their families and friends primarily through 'Missional Communities' set up in local and often working class areas of North East England and Scotland.

It is envisaged that Board Members will make a visit to one of the 'Missional Communities' in the Spring of 2022. Once this visit has taken place the Board may wish to reevaluate the aims and vision of 57:14 and also consider any positive partnerships involving closer liaison with Junction 42 in order to identify, develop and strengthen the benefits to Offenders within the North West area.

The appointment of a Prison Community Liaison Officer has yet to be made. This has regrettably been delayed – again due to the current coronavirus situation. This appointment will remain a priority of the Board during 2022.

Making direct contact with prisons and Chaplaincy Teams has often been difficult during the year. Current infection rates are very high amongst prisoners and staff. As a result, regimes both within the wider prison community and chaplaincy departments have remained severely restricted. The direct involvement with prisoners from volunteer groups has also been severely curtailed in many establishments within the North West.

With the possible easing of Coronavirus restrictions we look forward to a year where progress can be made and as a result the work of our organisation can move forward in a positive direction.
