How the charity is constituted	Trust
Trustee selection methods	Appointed by existing trustees from churches in the Deanery of Chalke, in the Church of England Diocese of Salisbury
Summary of the objects of the charity set out in the governing documents	Each of the 42 dioceses in the Church of England has one or more partnership links with churches in the Anglican Communion overseas. The Diocese of Salisbury has been linked with the Episcopal Church in Sudan since 1972. In 2013, the Deanery of Chalke established a link with the Diocese of Cueibet in the Episcopal Church of South Sudan in the Republic of South Sudan. This Charity operates the link with the Diocese of Cueibet on behalf of the Deanery of Chalke. The objects of the charity ('the objects') are: (1) To advance the Christian religion in the area of the Anglican Diocese of Cueibet, South Sudan for the benefit of the public through the holding of conferences and providing Christian teaching material. (2) For the public benefit, to promote the education of the people in the Diocese of Cueibet in such ways as the trustees see fit, including: (a) awarding such persons scholarships, maintenance allowances or grants tenable at institutions of higher or further education (b) providing their education, to undertake travel in furtherance of it or to prepare for entry to any occupation on leaving any educational establishment (3) The prevention or relief of poverty in the Diocese of Cueibet by providing or assisting in the provision of education, training, agricultural and healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and become self-sufficient.
Summary of the main activities undertaken in relation to these objects	Fundraising in Chalke Deanery. Funding of projects and making grants to the Diocese of Cueibet in line with the objects of the Charity. Regular communication with Bishop Elijah Matueny of the Diocese of Cueibet and providing updates to the churches and people of Chalke Deanery on our relationship with the people of Cueibet. Making visits to the Diocese of Cueibet, annually when possible, to develop the partnership between the two organisations and to monitor current projects and explore options for providing support for future developments.

Summary of the main achievements in the current year	The Trustees held six meetings in 2025. A visit to Cueibet was made by one trustee, Dr Sherwood Elcock. A major appeal was organised to raise funds to support the continuation of the rebuilding of the classrooms of the Cueibet Church Primary School. The main focus of our support in 2025 was education in the form of rebuilding the Church Primary School and sponsorship of individuals in education. The dual purpose of Dr Sherwood Elcock's visit, 11-25 February 2025, was to review progress on the School rebuilding project and discuss with the Archbishop Alapayo Kuctiel of the Internal Province of Eastern Bahr El Ghazal, which includes Cueibet Diocese, the arrangements for the retirement of Bishop Elijah Matueny, Bishop of Cueibet. The rebuilding of the Church Primary School is the most significant project that has been undertaken since the formation of Chalke Deanery's link with the Diocese of Cueibet. Enabling a Christian education for the present children of Cueibet is the beginning of a process to enable self-sufficiency and growth and gives the next generation hope for this troubled country. The project was originally planned in 2 phases to be executed as funding became available. Phase 1, the first block of classrooms, was completed in March 2025. Phase 2, the second block consisting of classrooms and offices began in June 2025. The plan was larger than originally envisaged and it was agreed that building would continue into 2026 as funding became available. As trustees, our concern was to ensure that, pending the appointment of a new bishop, arrangements were put in place for oversight of the Diocese in terms of projects supported by the charity, the security and management of funds provided by the charity and communication between the charity and the Diocese of Cueibet. Following the visit, the retirement date of Bishop Elijah of 1 June 2025 and oversight arrangements were subsequently confirmed with Archbishop Alapayo.						
Current Financial Overview	During the period, a total of £37,465 was raised from individuals, Parochial Church Councils and organisations in the Deanery. This was the highest annual figure since the formation of this charity in 2018. The rebuilding of the Church Primary School clearly evoked considerable support from donors. Total expenditure was £31,974, of which £23,313 was on the continuing school rebuilding project. In making decisions about the use of funds to support the Diocese of Cueibet, the trustees, had due regard to the Charity Commission's public benefit guidance when exercising any powers or duties to which the guidance was relevant.						
Policy on Reserves	The current policy is to maintain a reserve of £2,000 for administration costs and any requirement for unplanned emergency funding. The Charity has no contractual obligations or employees or assets to maintain. The policy and level of reserves is reviewed annually by the Trustees.
