To advance the Christian religion in accordance with the statement of faith by encouraging Christian beliefs and values amongst children and young people, their families and the community.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p><i>1. To act as a resource for children and young people up to the age of 25 living in the Forest of Dean district by providing advice and assistance and organising programmes of physical, educational and other activities as a means of: (a) advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; (b) advancing education; (c) relieving unemployment.</i></p> <p>In the financial year 1 April 2022 to 31 March 2023, we ensured that we were abreast of the latest guidance in relation to reducing the risk of covid transmission and ensured we complied with this. The readiness level remained green.</p>

Youth Clubs

Connect Youth Club for young people aged 11-16 years

We have continued our youth club provision for this age group, providing a broad range of activities including craft, games, cooking. We were also able to have a special trip off site.

We find that table-top activities with the young people provide a good opportunity for them to ask questions and discuss issues raised. Average attendance for this year was 11.6 young people per session.

Junior Club – for children aged 7-11 years.

Average attendance this year for Junior Club was 13.2 children per session. We provide a wide-ranging programme that includes crafts, cooking, games.

Mentoring Programme:

This provides one to one mentor support to young people aged 10 –18 years who live in the Forest of Dean and are facing challenges, including those Not in Education, Employment or Training (NEET) or facing family struggles e.g., family break up, bereavement etc.

With funding from the CHK Foundation we continued to employ a part-time mentor coordinator to manage our girls and young women's programme (part of the Gloucestershire Mentoring Programme) for those aged 11-24 who are at risk of involvement in criminal activity and/or have faced adverse childhood experiences (ACEs).

We receive referrals from a range of organisations, including schools, children's social services and other family support agencies. Referrals are processed by the two mentor coordinators.

We recruit, train and provide ongoing supervision to volunteer mentors who support the young people referred to the service. Mentors meet with their young person for 1-2 hours (usually weekly) for at least 12 months. We provide wider support where needed to the families of young people participating in the programme.

With an additional coordinator we saw almost a three-fold increase in the number of new young people joining the programme - from six to seventeen.

We were also able to run an activity day aimed at building self-esteem and confidence at an adventure centre – 4 young people from Connect

		<p>youth club and 5 young people from the mentoring programme attended.</p> <p><i>2. To advance the Christian religion in accordance with the statement of faith by encouraging Christian beliefs and values amongst children and young people, their families and the community</i></p> <p>Joint Youth Socials</p> <p>Breathe coordinates the bringing together of church youth groups in the Forest of Dean district for monthly social activities. The aim is to reduce isolation for Christian young people and encourage them in their faith. We have on average 20 young people attending the sessions.</p> <p>Youth Clubs</p> <p>At Junior club we provide opportunities to explore Christian values or topics using Bible verses that underpin these values or teaching.</p> <p>In Connect Youth Club we encourage the young people to ask questions about faith. We use resources that pose questions about life. We offer the opportunity for individual members of the club to be prayed for, as appropriate.</p> <p>We seek to be a Christian witness through how we conduct ourselves with the young people.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Trustees understand the Charity's Commission's guidance and are satisfied that our services are delivered for the public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Mentoring Programme</p> <p>We saw over a 3-fold increase in the number of referrals to our mentoring programme from 9 to 33 young people. During this financial year, 18 young people joined the programme - more than double the previous year.</p> <p>We were also able to recruit and train a further 7 mentors. Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Income for the year was £27,259 against expenditure of £22,752. This resulted in a surplus of £4,507 for the year ended 31st March 2023 and reserves carried forward of £24,908.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>It is the policy of the charity to hold reserves sufficient to allow it to continue its work for twelve months in the event that income should diminish, especially in a period of economic uncertainty. This involves maintaining a reserve equivalent to the charity's running costs over a twelve-month period. In the year to 31st March 2024 these costs are forecast to be £2,200. Unfortunately, it is not possible for this reserve to cover the costs associated with employing a mentor coordinator for twelve months as this would be unaffordable at present.</p> <p>The charity also needs to retain reserves to enable it to replace larger items of equipment in the event that they are no longer useable. These include two laptop computers and a data projector. In March 2023 the total replacement cost of these items was £2,500.</p> <p>The total reserves that will be maintained to cover running costs and replacement equipment in the year to 31st March 2024, as outlined above, will therefore be £4,700.</p> <p>Breathe Youth is committed to developing its youth clubs and mentoring programme to meet the needs of local young people. In June 2022 it was agreed that it would work towards the recruitment of a further part-time mentor co-ordinator (3 days per week). In September 2022 it was also agreed that the charity would work</p>

		towards the recruitment of a part-time youth worker (3 days per week). In addition to utilising some its reserves, the charity will seek additional funding to enable recruitment into these roles.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Breathe Youth was registered as a charitable incorporated organisation (CIO) on 17th October 2018. Breathe Youth became active in February 2019 and on 14th March 2019 it merged with Breathe, an unincorporated association, constituted on 7th November 2013. I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2023.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

The charity's gross income exceeded £25,000 and I am qualified to undertake the examination by being a qualified member of the Association of Accounting Technicians.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
