**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 30 JUNE 2022**

---

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Through our work we aim to ensure that:

- Wildlife rangers are valued for their vital role at the front line of conservation
- Wildlife rangers, when in contact situations with poachers, have the ability to protect themselves and the first aid training to save lives in an emergency
- Wildlife rangers are provided with decent living conditions and a living wage
- Wildlife rangers are provided with the skills and tools they need
- Wildlife rangers' families and communities have ongoing support when rangers are injured or killed in the line of duty.

Underpinning our work is our objective of supporting conservation and advancing environmental protection.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

**ACHIEVEMENT AND PERFORMANCE**

During the year, the charity has seen an increase in the number of supporters and donors who have generously supported our work with wildlife rangers, helping to deliver urgently needed funds for training and equipment to rangers in the field.

We ran a match funded campaign on the Big Give website, which together with the charity's existing funds provided a grant of £2,500 to provide training and basic equipment for the volunteer rangers working in the protected area of Laquipampa Wildlife Refuge, Peru. Rangers are key to front line nature conservation across the world, and this area is one of the most threatened neotropical ecosystems, with just 10% of the original coverage remaining. Home to unique wildlife, such as the iconic Spectacled Bear, rangers work in Laquipampa to protect the landscape and its indigenous fauna and flora.

Our subsequent match funded appeal raised £4,500 to support a team of 24 community rangers in Bikit Tulapuluh lowlands buffer zone, in Sumatra, Indonesia, which is one of the last strongholds for three critically endangered species, the Sumatran Elephant, Sumatran Orang-Utan and the Sumatran Tiger. This ecosystem is under increasing pressure from poaching, logging and illegal farming, with rangers working to monitor wildlife, run anti-poaching patrols as well as managing human wildlife conflict in the buffer zone. The funds sent provided training and basic equipment for the community rangers.

We provided grants of £9,362 to Ape Alliance, an international coalition of organisations working for the conservation and welfare of apes. Some £605 was also sent to the volunteer community rangers in Kisimba-Ikobo in Eastern DRC, who urgently needed funds for their children's school equipment before the start of the school year. Both of these grants were directly supported by funding from the Oak Foundation.

£500 of follow up funding was sent to the community ranger project in Cameroon, which we had initially supported in the previous financial year. This was to fund, train and equip another community ranger operating in challenging conditions to protect a forest area which supports several landmark species, including the critically endangered Cross River Gorilla, which as the rarest of the gorilla subspecies, has fewer than 300 individuals left in the wild.

The Trustees would like to express their gratitude to the charity's donors, supporters, partners and volunteers, without whose generosity none of this vital work would be possible.

**FINANCIAL REVIEW**

**Investment policy and objectives**

Under the Memorandum and Articles of Association, the charity has the power to invest in any way the Trustees see fit. The Trustees, having regard to the liquidity requirements of the charity and the often emergency support that it provides to wildlife rangers, have kept available funds in instant access bank accounts.

Total income for the year of £35,439 (2021: £31,946) shows an 11% increase against 2021's income. This was due to some significant individual donations, as well as growth in the online monthly support base following on from the launch of the credit card donation facility on the website. Gift Aid on the donations delivered some £1,530 (2021: £1,695) of further income for the year.

Expenditure for the year was principally focused on grants to support wildlife rangers, which amounted to £23,330 (2021: £39,652). Net income for 2022 shows a deficit of £1,873 (2021: £17,723), driven principally by the level of the grants made to rangers in the year. £51 (2021: £7,200) of the deficit was delivered from the restricted fund and £1,821 (2021: £10,523) was delivered from the unrestricted fund.

**Reserves policy**

The trustees have reviewed the reserves policy and concluded that the fund should endeavour to maintain free reserves at a level of three months forecast operating costs. This is in order to give the charity the ability to respond to any emergency situations that may arise in the field and to provide a cushion against any sudden shortfall in fundraising income.

As at 30 June 2022 unrestricted general fund free reserves were £10,398. Due to the unpredictability and volatility of the donation income as the charity becomes established in the UK and Europe, together with the ongoing impact of Covid-19 on rangers worldwide and the development of the grant programme, the trustees are comfortable with holding reserves at this level at this date.

At the year end a total of £2,249 was held in restricted funds, and the trustees are satisfied that the charity's assets are available and adequate to fulfil the obligations of the charity in respect of each restricted fund.

**FUTURE PLANS**

During the coming year, the marketing focus will remain on social media to increase awareness of the charity's work, to attract new donors and to provide an advocacy platform for wildlife rangers.

Two new ambassadors for the charity were announced, Gordon Buchanan, the renowned wildlife film maker and Megan McCubbin, the zoologist and wildlife presenter, to help raise the profile of the charity, and more importantly, the vital work undertaken by wildlife rangers.

We were delighted that our Executive Director, Abi Gatty-Irving was invited to speak at the Global United for Wildlife Conference held in London in October 2022, raising the profile of the work of wildlife rangers in combatting wildlife crime.

Both Abi Gatty-Irving and Sean Wilmore also attended the European Ranger Congress in Tirana, Albania in October 2022, which further strengthened the charity's links across Europe with the national ranger organisations. Donations were made directly from rangers attending the Congress to our Fallen Ranger Fund, which is used to support the families and dependents of rangers who are either killed or seriously injured whilst on duty.

We continue to spread our reach by funding projects around the world. In Africa, we provided funds for GPS communicators to the 267 rangers out on patrol in the 4,530 square mile Upemba National Park, DRC. In Asia, we are supporting community rangers working in the forests in Cambodia with equipment and training, whilst in Europe we are helping to fund a drone training programme for wildlife rangers working in remote areas.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 30 JUNE 2022**

---

The charity is a company limited by guarantee, incorporated on 29 June 2015, governed by its Memorandum and Articles of Association. It is a registered charity with The Charity Commission for England and Wales.

**Recruitment and appointment of new trustees**

As set out in the Articles of Association trustees are appointed by resolution of the trustees and hold office until they resign or are removed.

**Organisational structure**

The board of trustees administers the charity. The board meets three times a year. From time to time short-term working groups are also set up to consider specific areas, being disbanded once the objectives have been met. An executive officer is appointed by the board to manage the day-to-day operations of the charity. To facilitate effective operations, the executive officer has delegated authority, within terms of delegation approved by the trustees, for operational matters including finance and programme activities.

**Induction and training of new trustees**

New trustees receive a welcome pack that includes the charity's annual report and accounts together with minutes of the previous three board meetings. In addition new trustees receive a copy of the Charity Commission guidance booklet *The Essential Trustee - What You Need To Know*. The annual budget, latest management accounts, governing document, details of other trustees and dates of forthcoming meetings are also included.

**Related parties**

None of the trustees receive remuneration or other benefits from their work with the charity. Any connection between a trustee or executive of the charity with any supplier or beneficiary of the charity must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

Trustees may be reimbursed for out of pocket expenses, for example when travelling to represent the charity. Trustees did not receive any other payments.

**Risk management**

The trustees have assessed the major risks that are faced by the charity and are satisfied that systems are in place to mitigate their potential impact.

**Independent examiner's report to the trustees of Thin Green Line Foundation UK Ltd ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 June 2022.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
