## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

Chippenham Shed is a community space for adults to meet, converse and be creative.

It aims to promote social inclusion for the public benefit by preventing people within Chippenham, and the surrounding area, from becoming socially excluded.

Membership is from Chippenham and surrounding area.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The Shed offers its members a variety of activities including:

- a weekly social gathering with tea, coffee, and biscuits or cake
- Social events take place year-round, with at least one each month. Previous activities include archery, skittles, BBQs, curry and beer nights, and an annual formal Christmas meal. Upcoming events are listed on the Shed website.
- The Shed manages a communal allotment, enabling members to cultivate fruit and vegetables. Surplus produce is distributed to both members and the broader community.
- A well-equipped workshop allows members to make or repair items and participate in community projects that benefit Chippenham.

**Additional details of objectives and activities (Optional information)**

Several members contributed their time and financial resources to support the construction of an extension to the Shed workshop.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

- Communication (and discussion) have been significantly improved both at the membership level and within the Board of Trustees. The result of this is a much happier and engaged membership.
- Following the Shed's name change last year, there has been an increase in the number of female members.
- As membership increased, the workshop was expanded. This expansion occurred through contributions of time, effort, and, in some cases, financial donations from members.
- Support from local organisations made it possible to acquire the final major pieces of equipment, completing the outfitting of the workshop.
- Members have undertaken personal projects, but we are also completed a range of projects to help support our local community.
- Our communal allotment allows members who like gardening to show their skills, and we hope for a plentiful harvest this year.
- Members and their partners continue to enjoy an active social events programme
- Our membership numbers are steadily increasing which bodes well for the future.

This year we have increased the membership to 27 with some of the new members bringing much needed new leadership and volunteers to the organisation.

One of the new members was 91-year-old widower and has very much enjoyed the company attending most weekly social meetings.

During this year we have started a thriving events/ outings program in addition to the weekly social meeting. The events have been a greatly received by most members and have greatly increased what we have to offer. Examples are an archery taster course, bowling tasters, 2 BBQs (for members and their partners/friends), beers and curry evenings, skittles and much more.

Our community allotment continues to produce lovely produce for the members. And we were donated funding for a poly tunnel to extend what we can grow.

We have just found a new home for our actual craft workshop, so exciting times ahead.
