Achievements and Performance

Summary of Main Achievements

Ignite has carried out the aims of our charity in 2024 as follows:

Continued to network, with pastors and leaders, preaching at churches across the UK.

Attended a successful outreach events, attended by family groups from around the UK, provided prayer and preaching.

Held a number of online meetings during the year with our diverse range of contacts to keep in touch.

Arranged meetings with heads of networking churches and supporting outreach events to raise awareness of the Ignite Ministry.

Provided continuing support and compassion to our Ignite supporters and also those needing comfort and support through difficult times.

Fundraising Activities /Investment Performance

Our income has reduced from last year and therefore opportunities to expand the charity have not been available this financial year. We are hopeful that this situation will improve over the next financial year and we can start to rebuild our activities.

In the meantime, Luke has continued to work on a voluntary basis (with his travel expenses covered) until we have enough income to be able to employ him again. He has continued to work to re-build and retain networks and income in his own time for which the Trustees are very grateful.

This current situation has hampered the re-building of the partnerships and events for the Charity significantly. We have continued to receive requests to attend overseas events but have not been able to undertake these due to lack of funds.

The charity is currently financed through monthly partners, gifts, donations and gift aid. Which we are hoping to start to increase back to pre-COVID levels over the next year. We will also be seeking out grants to help us to increase our work to help and support those in need and to be in a position to re-employ Luke again.

Strategy and Future Developments

We plan to attend more church events and conferences to increase awareness of the charity and it's work and build up the number of partners once again.

When increased funds allow, we aim to attend more overseas events.

Continued creation of promotional media to extend the reach through social media, TV and radio, to increase awareness and attract new partners.

Approaching churches to set up new monthly partnership arrangements with them.

Production of training courses available to churches for a set fee.

Ignite Ministries

Notes for the Financial Statements For the year ending 31 December 2023

Accounting Policies: In line with Charities Commission guidelines Ignite Ministries as a Charitable Incorporated Organisation (CIO) must prepare Receipts and Payments accounts, but there is no requirement to have the accounts independently examined if income is under £25k.

Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funding can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. There were no restricted funds during this financial period.

Notes

Income and Outgoings

Income for 2024 has decreased and therefore outgoings for 2024 have been carefully managed. We are hopeful that this will change in 2025.

Income

Income is mainly derived through partners, donation and gifts. Such donations and new partners increase when the Ignite ministers at events. Due to lack of funds to re-employ Luke we have been constrained in what he has been able to do in terms of ministering at events. We are very blessed by the invitations we are still receiving and the donators who are still supporting us.

Ignite trustees made the difficult decision to make Luke redundant in 2021 and unfortunately as income has not increased enough have been unable to re-employ Luke in 2024. The Trustees are very grateful that he is continuing to carry out work on a voluntary basis (with travel expenses provided) and hope that income will increase soon to enable Luke to be re-employed.

Outgoings

Due to the reduction in income, we have been unable to accept the many invitations received to minister abroad and therefore most of the outgoings are for the car to enable travel in the UK, plus IT and bank fees.

The trustees also expressed their continuing thanks to Nicola, who continued to work tirelessly through the year, keeping in touch with the Ministries supporters, as a point of contact for all those requiring support and by being there at the other end of the phone for people facing difficult situations, praying for the sick and their families, and by supporting church leaders. Unfortunately, the trustees were unable to give her a gift this year.

Achievements and Performance

Summary of Main Achievements

Ignite has carried out the aims of our charity in 2022:

Supported Franklin Graham with the God Loves You Tour in Sheffield 25th May 2022 through:

- Networking with over 300 churches in the Yorkshire area through online and face to face meetings
- Produced and implemented online training for those involved and event volunteers
- Held face to face training sessions throughout the region and took part in events
- 4,300 people attend the event with 20,000 more people watching online. During the event 700 people responded to the Gospel message.
- Helped with preparation for other events in London and Liverpool.

Continued to network, with pastors and leaders, preaching at churches across the UK.

Attended a successful outreach event with traveller communities in Beverley, attended by family groups from around the UK, provided prayer and preaching.

Held a number of online meetings during the year with our diverse range of contacts to keep in touch.

Ignite Ministries

Notes for the Financial Statements For the year ending 31 December 2022

Accounting Policies: In line with Charities Commission guidelines Ignite Ministries as a Charitable Incorporated Organisation (CIO) must prepare Receipts and Payments accounts, but there is no requirement to have the accounts independently examined if income is under £25k.

Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funding can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. There were no restricted funds during this financial period.

Notes

Income

Income is mainly derived through partners, donation and gifts. Such donations and new partners increase when the Ignite ministers at events. Although COVID restrictions are no longer in place, the effects are still very much in evidence in both churches and those of our supporters ability to sponsor Ignite's work. We are very blessed by the invitations we are still receiving and the donators who are still supporting us. Overall income has substantially reduced.

Ignite trustees made the difficult decision to make Luke redundant in 2021 and unfortunately as income has not increased enough have been unable to re-employ Luke. The Trustees are very grateful that he is continuing to carry out work on a voluntary basis (with travel expenses provided) and hope that income will increase soon to enable Luke to be re-employed.

Outgoings

Due to the reduction in income, we have been unable to accept the many invitations received to minister abroad and therefore most of the out goings are travel throughout the UK, plus , IT and resources.

The trustees also agreed, that as Nicola had once again worked tirelessly through the year, keeping in touch with the Ministries supporters, as a point of contact for all those requiring support and by being there at the other end of the phone for people facing difficult situations, praying for the sick and their families, and by supporting church leaders, that she should be given a gift in thanks for all that she has done.

Report of the Trustees

The trustees present their report with the financial statements of the Charity for the year ended 31st December 2021 in line with Charity Commission guidelines.

Objectives and Activities

Purpose: The purpose of Ignite Ministries is to advance, promote and raise awareness of the Christian Faith and the gospel message of Jesus Christ; facilitate worship to God in any part of the world by any means.

Main Activities:

To promote healthy living for people suffering with mental health issues, drug rehabilitation; suicidal awareness and help for the poor.

Also provide help to offenders and ex-offenders in prison and coming out of prison.

Attending public speaking events to discuss and present the Christian Faith, including: training sessions at churches; street work; town hall meetings; and open air events

Use of media to communicate and get our message across

Distribution of literature to drug addicts; ex-drug addicts; prisoners; and ex-prisoners

Public Benefit

The trustees have ensured they have complied with their duty to have due regard to the Commission's public benefit guidance for any relevant activities, through setting objectives, planning for activities and delivering those activities.

Achievements and Performance

Summary of Main Achievements

Ignite has carried out the aims of our charity in 2021, as follows:

We have continued to create online videos for church members to be trained in telling their story and telling others about our faith.

We networked with pastors and leaders

We developed our website and youtube channel to help support people we weren't able reach through visits to churches.

We have held a number of online meetings with our diverse range of contacts

We have been re-building and connecting with partners through monthly newsletters

Luke delivered speeches at conferences in London and Coventry

We have preached at a number of outreach events in Stoke

We set up and ran a number of meetings with heads of networking churches

Throughout the period we kept in close touch with Ignite supporters and also those needing comfort and support through difficult times.

Fundraising Activities /Investment Performance

We employed Luke Vardy, on a flexible furlough basis and continued to do so until December 2021, to run the Charity and attend all speaking events. However, with the slow re-opening of churches and public venues, we were not able to re-build the preaching events and visits as we had hoped. Our income, therefore did not increase as we expected and we were unable to continue employing Luke and we had to make him redundant on 31st December 2021.

The charity is currently financed through monthly partners, gifts, donations and gift aid.

Strategy and Future Developments

In the future we will be seeking out grants to help us to increase our work to help and support those in need and to be in a position to re-employ Luke again.

We will be working with the Billy Graham Organisation to network with churches to encourage participation in the events, carrying out training sessions for participants and volunteers, both online and face to face.

We aim to plan to attend further church events and conferences to increase awareness of the charity and it's work and build up the number of partners once again.

Continued creation of promotional media to extend the reach through social media, TV and radio, to increase awareness and attract new partners.

Approaching churches to set up new monthly partnership arrangements with them.

Exploring the options to monetise videos created by Luke to charge a subscription for them.

Production of training courses available to churches for a set fee.

Exploring merchandising options such as T-shirts, pens, mugs etc...

Ignite Ministries

Notes for the Financial Statements For the year ending 31 December 2021

Accounting Policies In line with Charities Commission guidelines Ignite Ministries as a Charitable Incorporated Organisation (CIO) must prepare Receipts and Payments accounts, and have them checked by an independent examiner, regardless of income.

Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funding can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. There were no restricted funds during this financial period.

Notes

Income

Income is mainly derived through partners, donation and gifts. Such donations and new partners increase when the Ignite ministers at events. With the national lockdown of churches, Ignite has had to cancel engagements and has therefore through this period, seen only a small increase to its partner base.

Ignite trustees decided to put the one paid employee on furlough in 2020 and this has continued through 2021, therefore income was subsidised via the Government Job Retention Grant which enabled Ignite to continue paying the employee. When furlough ended Ignite continued the employment until the end of the year but could not continue into 2022 and therefore the difficult decision was made to make that employee redundant.

Outgoings

Salary, including redundancy payment, PAYE and pension, were the main expenditures for this financial year.

Online ministry, training and conferences has led to having to expand IT and the resources for that IT, thereby being the main background costs.

Although the online events were the bulk of the ministry's activity during 2021, there were still speaking engagements and conferences but as these were UK based, travel costs were mainly in terms of mileage paid with some accommodation and subsistence costs.

The trustees also agreed, that as Nicola on a 24/7 basis had worked tirelessly through the year, keeping in touch with the Ministries supporters, as a point of contact for all those requiring support and by being there at the other end of the phone for people facing difficult situations, praying for the sick and their families, and by supporting church leaders, that she should be given a gift in thanks for all that she has done.

Achievements and Performance

Summary of Main Achievements

Ignite has carried out the aims of our charity in 2020:

We have created online videos for church members to be trained in telling their story and telling others about our faith.

We held a mission in the Ukraine and spoken on the UCB christian radio station.

We shared our faith on the TBNUK christian TV channel and other various radio channels within the UK and worldwide.

We have reached over 20,000 people with our christian message through digital channels and face to face.

We received reports of at least 5,000 commitments to join the christian faith as a result of our activities.

We released pre-recorded video daily devotions throughout the Covid-19 pandemic to help support and encourage Christians through difficult times. The messages have helped christian believers and non-christians too and given many people comfort and hope. We have had reports of people suffering with mental health problems being uplifted after these daily devotions.

We have sent 100's of books into prisons, rehabilitation centres and also to individuals going through difficult situations.

Fundraising Activities /Investment Performance

We still employ Luke Vardy to run the Charity and attend all speaking events. Throughout the Covid-19 pandemic, Luke had to go on the furlough scheme due to the closure of churches and public venues and lack of events being held. This has hampered the growth of the Charity significantly. Luke did however, manage to attend a small number of online meetings to promote the work of Ignite.

The charity is currently financed through monthly partners, gifts, donations and gift aid. In the future we will be seeking out grants to help us to increase our work to help and support those in need.

Strategy and Future Developments

Once the Covid-19 Pandemic ends and Luke's furlough ends, we plan to attend more church events and conferences to increase awareness of the charity and it's work.

Creation of promotional media to extend the reach through social media, TV and radio, to increase awareness and attract new partners.

Approaching churches to set up new monthly partnership arrangements with them.

Exploring the options to monetise videos created by Luke to charge a subscription for them.

Production of training courses available to churches for a set fee.

Exploring merchandising options such as T-shirts, pens, mugs etc...
